FUN FACTS

ABOUT NEW MEXICO GREEN CHILE!

- Medium-sized green chile pod has as much Vitamin C as six oranges.
- Hot chile peppers burn calories by triggering a thermodynamic burn in the body, which speeds up the metabolism.
- Wild chiles are easily spread by birds because birds do not have the receptors in their mouths to feel the heat.
- There are 26 known species of chile pepper, five of which are domesticated.
- The color extracted from very red chile pepper pods, oleoresin, is used in everything from lipstick to processed meats.

TASTE. DRINK. EXPERIENCE.

Green Chile Culture

Experience a traditional green chile New Mexican dish at a local restaurant, or go off the beaten path. Shop for unique products such as green chile jerkies, popcorn, chocolate bars, chips, dip mixes, salsas, spices, marmalades & sundaes. Quench your thirst with Green chile vodka straight up or blended into a New Mexico Bloody-Tini, ice cold green chile beer, or green chile white wine. Want to get really roasted? Visit chile roasters at several local grocery stores across town in early fall. The aroma is addictive and will tickle your senses.
