

LET ALBUQUERQUE

CHANGE YOUR PERSPECTIVE

ON MEETINGS 

THE SOUTHWEST'S PREMIER MEETING FACILITY

Planning an event at the Albuquerque Convention Center is a decision to embolden attendees with a panoramic view that inspires fresh perspectives and new ideas – **the Albuquerque Convention Center is uniquely unconventional.**

The Albuquerque Convention Center is a flexible, multi-purpose event center located in the heart of a vibrant downtown between the Sandia Mountains and the Rio Grande.

With over 270,000 sq. ft. of meeting and exhibit space, the convention center comprises two complexes housed under one roof—making it the ideal facility to host your next meeting, tradeshow, convention, banquet or concert. The professional event staff is at your service to ensure that your event runs smoothly.

SMG, the world leader of public facility management, proudly provides food and beverage services exclusively for the Albuquerque Convention Center and its Kiva Auditorium. SMG's food and beverage expertise extends from elegantly catered events for up to 6,000 guests to thematic portable food carts and permanent concession stands designed to create a memorable experience for visitors.

Alliance Audio Visual is the preferred in-house audio visual provider at the convention center and has received rave reviews from local and national hotel management groups, corporations and professional organizations.

Just minutes away from the Albuquerque International Sunport and within steps of many hotels and restaurants, the Albuquerque Convention Center is the Southwest's premier meeting facility.
