PUBLIC COMMENT – TOURISM BUSINESS IMPROVEMENT DISTRICT (TBID)

TBID Public Comment period

Davis Meyer addressed the room.

The city of Coachella joined the Joint Powers Authority last year. In order to include lodging properties in the city of Coachella in the GPSTBID, we need to modify the current district to expand the boundary into the city of Coachella. That process began last board meeting on December 13, 2024, when the JPA passed the resolution of intent. Following the passed resolution of intent, there are two public meetings. The first meeting is this one, and the next one is the next board meeting on April 4, 2025. Assuming no majority protests, there will be a resolution to affirm the modification and the city of Coachella lodging properties will be added to the TBID starting July 1, 2025.

Davis asked for questions:

- Linda Evans with the City of La Quinta asked if we will have a reporting process in place to accurately report the TBID assessment for the City of Coachella by the July 1st date.
    - Davis Meyer responded, "Yes, we have worked with the City of Coachella staff to establish that process. This is the same process for the other cities."
- Dr. Frank Figueroa commented that he appreciates the positive language in the letter we sent out notifying vacation rental holders.
- Sarah Goslin with Visit Greater Palm Springs, Clerk of the Board, stated that they had 3 public protests on record.
- Scott White asked for public comment.
    - No members of the public gave comment.

Public comment period for the TBID was closed.

CEO / PRESIDENT'S REPORT

Scott White:

1. Thanked Gary Gardner for his service as our JPA Chair and presented him with a framed desert photo and signed card.
2. Welcomed our new JPA representatives and alternates.
3. Visit California has seen major decline in visitation to Southern California from the fires in Los Angeles, which could potentially impact us as well. They're continuing to now emphasize that Southern California is open for business.
    - Airbnb has a program to sponsor individuals displaced from the fires and help them with temporary residences. We provided $120,000 to sponsor the program. The goal is to apply those funds to vacation rentals in the Coachella Valley, but we left it up to them to decide who was most in need.

    - The LA Fire Relief landing page went live on January 9th with information on local special accommodations, rates, offers, and air quality updates. VGPS is trying to raise additional dollars for the American Red Cross and will match up to $100,000. Thanked

the Board for giving us the opportunity to do that. The QR code can be found on our website for donations.

4. Desert Horse Park is a must-see venue and Desert Circuit is a wonderful tournament that we are proud sponsors of.

5. VGPS was awarded with the 2024 Fired Up! Cultural Achievement Award.
    - We work with Fired Up Culture throughout the year, and every 2 years they send out an organizational survey to all staff. The questions are about how the individuals think our company is performing from culture to processes. Our 2024 survey came back even more positive than 2023. The cultural achievement award is awarded to the company that really sets the standard amongst its peers when it comes to how engaged their team members are feeling about their workplace culture.
    - We take the results from the survey and work on any low scoring areas. This year's survey shows processes as our lowest score, which is still a high score overall, so we plan to continue educating and better training our staff on the many processes we have in place.

6. In 2024, four new flights were added and ten airlines either enhanced or started service earlier in the season.

7. Visit Greater Palm Springs hosted 24 top-tier clients for a FAM during the Palm Springs International Film Festival.

    We also hosted 16 airline network planners during Airport Roundtable, a lot of which had never been to the destination.

    Go West Summit was also hosted in January with over 400 attendees.

8. The 2025-2027 Priorities were presented with a note that we can make changes down the road, if needed. These allow our staff to build their goals and objectives for the year understanding you've set these as your priorities.
    a. **Increase demand with off-peak emphasis**
        - Expand initiatives for need period (June-September) to include shoulder months (May and October-December) & develop programs to drive demand for these time periods
        - Focus on the development of an indoor sports complex and overall sports strategy to attract new sporting events, especially during the need periods.
            - We will ask this group to form a task force to explore a sports improvement district to hopefully make an indoor sports complex a reality in the future. The Berger foundation would like to lease the land, but we need someone to help with funding.
    b. **Regional collaboration and economic diversity**
        - Grow regional initiatives to include expanded workforce development and advocate for infrastructure support
        - Launch the new economic development web site and campaign
    c. **Destination Stewardship**
        - Develop strategies around sustainability, cultural heritage, accessibility, community engagement and advocacy.
        - Workforce Development strategies include rebranding the Tourism Foundation and expanding the Board in the future. Moving forward, we're going to do a workforce analysis program, continue to advocate for housing, and launch Team GPS 2.0.
        - We are only two hotels away from becoming a Autism Certified Destination.

Colleen Pace presented the Marketing 2024 results and 2025 goals.

Todd Burke presented the PR/Communications 2024 key achievements and 2025 goals.

Carolina Viazcan presented the Convention Sales 2024 results and 2025 goals.

Davis Meyer presented the 2024 results and 2025 goals for the following priorities: Economic Development, Workforce Development and Tourism Foundation, Stewardship, Vacation Rental Resources and Development, and Advocacy and Partnership.

VGPS BOARD (BOD Vote Only)

1. **The Board made a recommendation to the JPA Executive Committee to approve Resolution No. JPA 2025-001, to close the Pension Plan to new participants.** This was not a vote, only a recommendation that the Board supports the resolution. The recommendation passed with no abstentions.

2. **The 25/26 Board Priorities were presented for approval.**

Staff Report
April 4, 2025

To:	**Executive Committee**
From:	**John Lambeth, Civitas Advisors**
	Bruce T. Bauer, Deputy Counsel
Re:	**Resolution Declaring Results of Majority Protest Proceedings and Modifying the Greater Palm Springs Tourism Business Improvement District**

RECOMMENDATION:

That the Joint Powers Authority Executive Committee, serving as the governing body of Visit Greater Palm Springs, hold a final hearing, declaring results of majority protest proceeding, and adopt Resolution No. JPA 2025-002 modifying the existing Greater Palm Springs Tourism Business Improvement District.

BACKGROUND:

The Greater Palm Springs Tourism Business Improvement District (GPSTBID) is a benefit assessment district that provides a revenue source to help fund marketing and sales promotion efforts, as well as key priority projects for assessed Greater Palm Springs lodging businesses. The GPSTBID currently includes all lodging businesses with fifty (50) rooms or more and all vacation rentals located within the boundaries of the GPSTBID, including the cities of Desert Hot Springs, Palm Springs, Cathedral City, Rancho Mirage, Palm Desert, Indian Wells, La Quinta, and Indio, and portions of the unincorporated area of Riverside County in the Coachella Valley.

The Property and Business Improvement District Law of 1994, Streets and Highways Code §36600 et seq., allows for the Owners' Association to request the JPA Executive Committee to modify the Management District Plan (Plan). Visit Greater Palm Springs is the Owners' Association of the GPSTBID and has requested that the JPA Executive Committee begin proceedings to modify the Plan. The proposed modification will modify the GPSTID boundaries to include the City of Coachella within its existing boundaries, effective July 1, 2025.

Coachella lodging business owners have expressed the desire to join the GPSTBID to increase overnight visitors and other benefits provided by the GPSTBID. Visit Greater Palm Springs now desires to build upon this success by modifying the Plan to include certain lodging businesses in the City of Coachella.

MANAGEMENT DISTRICT PLAN

The Plan (Attachment 1) includes the boundary of the GPSTBID, a service plan, budget and a means of governance. The modified MDP boundaries include all lodging businesses with fifty (50) rooms or more and all vacation rentals, existing and in the future, located within the boundaries of the cities of Desert Hot Springs, Palm Springs, Cathedral City, Rancho Mirage, Palm Desert, Indian Wells, La Quinta, Coachella, and Indio and portions of the unincorporated area of Riverside County in the Western Coachella Valley. The modified Plan with the addition of Coachella will take effect on July 1, 2025, and will continue until the expiration of the GPSTBID on June 30, 2031.

GPSTBID MODIFICATION PROCESS

December 13, 2024	RESOLUTION OF INTENTION HEARING **(Completed)** Upon the submission of a written request by the Owners' Association, the JPA Executive Committee may initiate proceedings to modify the Plan by the adoption of a Resolution expressing its intention to modify the Plan.
January 31, 2025	PUBLIC MEETING **(Completed)** Allow public testimony on the modification of the Plan. No JPA Executive Committee action required.
No later than February 18, 2025	NOTICE **(Completed)** The 94 Law requires the JPA Executive Committee to mail written notice to the owners of all businesses proposed to be assessed within the GPSTBID. Mailing the notice begins a mandatory forty-five (45) day period in which assessed business owners may protest GPSTBID modification.
April 4, 2025	FINAL PUBLIC HEARING If written protests are received from the owners of businesses in the district which will pay more than 50 percent (50%) of the assessments proposed to be levied and protests are not withdrawn so as to reduce the protests to less than 50 percent (50%), no further proceedings to levy the proposed assessment against such businesses shall be taken for a period of one year from the date of the finding of a majority protest by the JPA Executive Committee. The existing GPSTBID would remain in place, unmodified. If the JPA Executive Committee, following the public hearing, decides to modify the Plan and expand the boundaries to include the City of Coachella, the JPA Executive Committee shall adopt a Resolution of Modification.

FISCAL IMPACT:

None immediately. Because the GSPTBID programs are intended to increase visitation to the Greater Palm Springs area, there may be an increase in transient occupancy tax and sales tax collections.

I. OVERVIEW

Developed by Visit Greater Palm Springs (VGPS) and Greater Palm Springs lodging businesses, the Greater Palm Springs Tourism Business Improvement District (TBID) is an assessment district proposed to provide specific benefits to payors, by funding tourism marketing and sales promotion efforts for assessed businesses. This approach has been used successfully in other destination areas throughout the country to provide the benefit of increased overnight visitors and additional room night sales directly to payors. In 2024, the TBID and this Management District Plan were modified to include the City of Coachella in the TBID boundaries, which shall go into effect on July 1, 2025.

Location: The TBID includes all lodging businesses with fifty (50) rooms or more and all vacation rentals located within the boundaries of the cities of Desert Hot Springs, Palm Springs, Cathedral City, Rancho Mirage, Palm Desert, Indian Wells, La Quinta, Coachella, and Indio and portions of the unincorporated area of Riverside County in the Western Coachella Valley, as shown on the map in Section IV. A detailed map series can be found in Appendix 4.

Services: The TBID is designed to provide specific benefits directly to payors by creating sales and marketing programs with the goal of increasing overnight visitation and room night sales. In addition to sales and marketing programs, VGPS Board of Directors will establish key priorities each year. For example: key programs may include air service and rail development, work force development, research and analytics, educational support, and more.

Budget: The total TBID annual assessment budget for the initial year of its ten (10) year operation is anticipated to be approximately $17,000,000. The assessment funds will be supplemented with non-assessment funds, so that the total budget for the initial year is estimated at $20,732,000. In 2024, the projected total TBID budget is approximately $25,000,000 and will continue to fluctuate as room sales do.

Cost: The annual assessment rate is three percent (3%) of hotels' gross short-term room rental revenue, and one percent (1%) of vacation rentals' gross short-term room rental revenue. Based on the benefit received, assessments will not be collected on stays of more than twenty-seven (27) consecutive days.

Collection: VGPS, Cities and/or County will be responsible for collecting the assessment on a monthly basis (including any delinquencies, penalties and interest) from each lodging business with fifty (50) rooms or more and each vacation rental located in the boundaries of the TBID. VGPS, Cities and/or County shall take all reasonable efforts to collect the assessments from each assessed business.

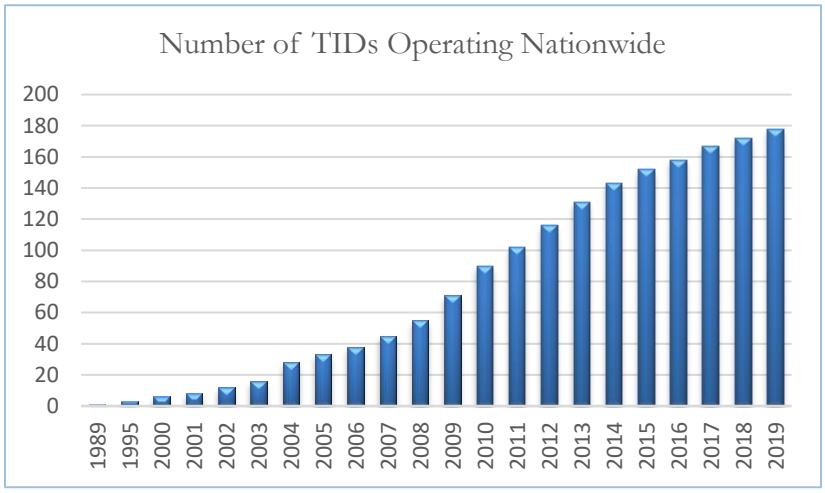
Duration: The renewed TBID will have a ten (10) year life, beginning July 1, 2021 through June 30, 2031. Once per year, beginning on the anniversary of TBID

renewal, there is a thirty (30) day period in which owners paying fifty percent (50%) or more of the assessment may protest and initiate a hearing on TBID termination.

Management: VGPS is charged with managing funds and implementing programs in accordance with this Plan.

II. BACKGROUND

TBIDs are an evolution of the traditional Business Improvement District. The first TBID was formed in West Hollywood, California in 1989. Since then, over 100 California destinations have followed suit. In recent years, other states have begun adopting the California model – Montana, South Dakota, Washington, Colorado, Texas and Louisiana have adopted TBID laws. Several other states are in the process of adopting their own legislation. The cities of Wichita, Kansas and Newark, New Jersey used an existing business improvement district law to form a TBID. And, some cities, like Portland, Oregon and Memphis, Tennessee have utilized their home rule powers to create TBIDs without a state law.



California's TBIDs collectively raise over $427 million annually for local destination marketing. With competitors raising their budgets, and increasing rivalry for visitor dollars, it is important that Greater Palm Springs lodging businesses and vacation rentals invest in stable, industry-specific programs.

TBIDs utilize the efficiencies of private sector operation in the market-based promotion of tourism districts. TBIDs allow assessed business owners to organize their efforts to increase demand for overnight visitation and room night sales. Assessed business owners within the TBID pay an assessment and those funds are used to provide services that increase demand for overnight visitation and room night sales.

In California, TBIDs are formed pursuant to the Property and Business Improvement District Law of 1994. This law allows for the creation of a benefit assessment district to raise funds within a specific geographic area. *The key difference between TBIDs and other benefit assessment districts is that <u>funds raised are returned to the private non-profit corporation</u> governing the district.*

There are many benefits to TBIDs:

- Funds must be spent on services and improvements that provide a specific benefit to those who pay;
- Funds cannot be diverted to general government programs;
- They are customized to fit the needs of payors in each destination;
- They allow for a wide range of services;
- They are ***designed, created and governed by those who will pay*** the assessment; and
- They provide a stable, long-term funding source for tourism promotion.

III. ACCOMPLISHMENTS

The following examples demonstrate how VGPS has utilized Tourism Business Improvement District funds to create ongoing increased demand for overnight visitation and room night sales.

Improved Brand Image - According to SMARI's 2018 Image Awareness Study, significant gains were seen since the 2011 study in perceptions of Greater Palm Springs across all image attributes, from safety and atmosphere to natural beauty and affordability.

Increased Demand for Lodging – In 2009, the annual occupancy was 50%. Since the Tourism Business Improvement District went into effect in 2009, assessed lodging businesses in Greater Palm Springs have seen a steady increase in demand, stimulating sustained economic development and growth. And VGPS-generated lodging revenues grew from $984 million in 2013 to $1.735 billion in 2019. Average annual hotel occupancy grew from 58% in 2013 to over 62% in 2019.

Increased Average Daily Rate and RevPAR – The average daily rate grew 27% from $129.00 in 2013 to over $165.00 in 2019. RevPAR grew 38% from $77.43 in 2013 to $107.04 in 2019.

Growth of Air Service - Air service (number of airlines and flights serving PSP) increased 53% from 2013 to 2019 in Greater Palm Springs. The current 29,096 annual flights into Palm Springs International Airport (PSP) equates to a capacity of 3,274,729 annual passenger seats in and out of PSP. Improved accessibility translates to visitation growth from both nonstop and connecting fly (vacation) markets. There are currently more than 20 cities with nonstop air service to PSP. Notable flight additions in 2019 include Alaska Airlines' Everett (WA) service, Contour Airlines' Sacramento flight and Delta's Atlanta flight offered 4 times per week.

Event Attraction - Tourism Business Improvement District marketing funds enabled VGPS to attract large-scale, high-profile events such as IRONMAN 70.3 Indian Wells-La Quinta, as well as help manage Greater Palm Springs Restaurant Week which is promoted in the Southern California drive markets. Events of this nature help grow overnight visitation in shoulder seasons and increase awareness of the destination.

Convention Sales - VGPS's convention sales team secured 2,269 meetings for assessed lodging businesses between 2013 and 2019, accounting for 1,580,613 room nights and an estimated economic impact of $1.2 billion.

Tourism Development - Between 2013 and 2019, the Tourism Development team connected with 51,405 travel professionals in the top 15 countries sending the most visitors to California. These agents and tour operators are particularly influential in converting off-peak and shoulder season bookings.

Building Awareness - Paid advertising raised awareness from 1.7 billion annual impressions in 2014 to 43 billion annual impressions in 2019. The Greater Palm Springs brand reached prospective travelers on television, online, out-of-home and in print via regional and national distribution channels.

Media Buzz - VGPS's media relations program secured feature stories to complement paid advertising and content initiatives while amplifying the region's new product developments. Since 2013, the destination benefitted from 2,780 placements yielding more than 8.45 billion impressions in influential editorial outlets, including leading wire services, newspapers, lifestyle magazines, websites, podcasts, broadcast television programs and radio networks.

Social Media - Between 2014 and 2019, VGPS's social media audience grew 350% to over 425,000 followers across Facebook, Instagram and Twitter. Since 2013, destination and attraction videos posted by VGPS received over 20 million views. Seasonal campaigns further increased engagement and drove off-season bookings. New channels have also been introduced, including a Weibo account to reach the lucrative, high-volume China market; a meetings awareness campaign; and Instagram and Twitter accounts dedicated to the culinary scene in Greater Palm Springs.

Website Optimization - In 2018, VGPS relaunched the destination website on a new platform to better optimize SEO, facilitate mobile-first response and ensure the website offers an improved user experience. Organic traffic increased 96% over 2017 and mobile use increased by 171%.

Tourism Ambassador Program - VGPS debuted a Certified Tourism Ambassador (CTA) program with the aim of increasing tourism by providing training for any individual who comes into contact with visitors. These front-line destination ambassadors help to ensure all visitors have a positive experience in the destination. This is critical for driving repeat overnight visitation and word-of-mouth promotion of the destination. As of February 29, 2020, 500 CTAs have been trained.

TOT Growth - VGPS's marketing efforts attract more overnight visitors to the destination, increasing TOT collections for the cities and counties served by the Tourism Business Improvement District. Growing TOT translates to increased budgets for important public services such as police, firefighters, education and more.

IV. BOUNDARY

The TBID will include all lodging businesses with fifty (50) rooms or more and all vacation rentals, existing and in the future, available for public occupancy within the boundaries of the cities of Desert Hot Springs, Palm Springs, Cathedral City, Rancho Mirage, Palm Desert, Indian Wells, La Quinta, Coachella, and Indio and portions of the unincorporated area of Riverside County in the Western Coachella Valley. In 2024, the TBID and this Management District Plan was modified to include the City of Coachella in the TBID boundaries.

Lodging business means: any structure, which is occupied or intended or designed for use or occupancy by transients, including but not limited to hotels, resorts, motels, inns, and time-shares.

Vacation rental means: any privately-owned dwelling, rented for occupancy, lodging, or sleeping purposes and in possession of a valid permit or certificate within its jurisdiction to authorize operation as a vacation rental, vacation rental unit, short-term vacation rental, or short-term rental business.

The boundary is shown in the map below. A complete listing of lodging businesses with fifty (50) rooms or more and all vacation rentals within the modified TBID can be found in Appendix 2. A detailed map series can be found in Appendix 4.

The lodging business list was compiled from records provided by each jurisdiction. The list was developed with the most reliable information provided, however, the list may contain discrepancies due to any of the following reasons: 1)The short-term vacation rentals included in the list are businesses that have obtained a permit or license to operate as a short-term vacation rental at the time of formation, and does not include short-term vacation rentals that are not permitted or licensed to operate as a short-term vacation rental; 2) Vacation rentals may cease operation with little or no notice, and may no longer be operating as a short-term rental; and 3) the short-term vacation rental list was compiled based on the dates shown in Appendix 2, and may not include short-term vacation rentals that began operation after the dates listed.

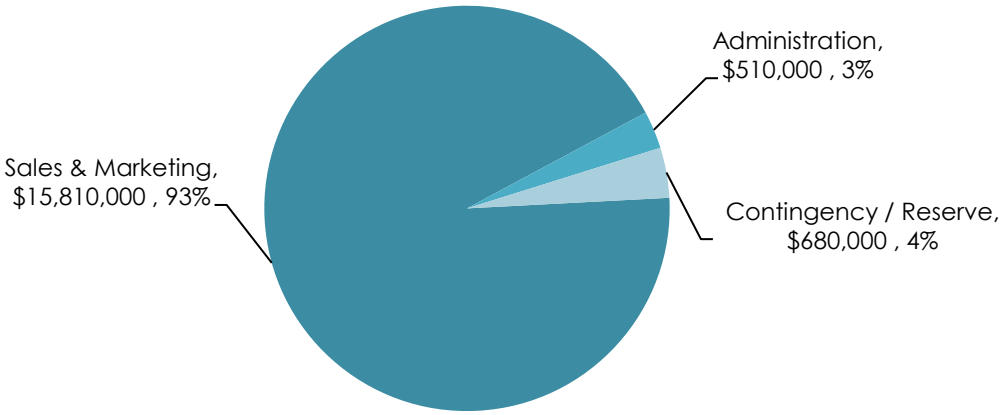
V. BUDGET AND SERVICES

A. Annual Service Plan

Assessment funds will be spent to provide specific benefits conferred or privileges granted directly to the payors that are not provided to those not charged, and which do not exceed the reasonable cost to VGPS of conferring the benefits or granting the privileges. The privileges and services provided with the TBID funds are sales and marketing programs available only to assessed businesses. The assessment rate for each lodging business type will be commensurate with privileges and services provided to assessed businesses as detailed in Appendix 3.

A service plan budget has been developed to deliver services that benefit the assessed businesses. A detailed annual budget will be developed and approved by VGPS. The table below illustrates the initial annual assessment budget allocations. The total initial assessment budget is $17,000,000.

Initial Annual Assessment Budget - $17,000,000



Although actual revenues will fluctuate due to market conditions, the proportional allocations of the budget shall remain the same. However, VGPS shall have the authority to adjust budget allocations between the categories by no more than twenty-five percent (25%) of the total budget per year. A description of the proposed improvements and activities for the initial year of operation is below. The same activities are proposed for subsequent years. In the event of a legal challenge against the TBID, any and all assessment funds may be used for the costs of defending the TBID.

Each budget category includes all costs related to providing that service, in accordance with Generally Accepted Accounting Procedures (GAAP). For example, the sales and marketing budget includes the cost of staff time dedicated to overseeing and implementing the sales and marketing program. Staff time dedicated purely to administrative tasks is allocated to the administrative portion of the budget. The costs of an individual staff member may be allocated to multiple budget categories, as

appropriate in accordance with GAAP. The staffing levels necessary to provide the services below will be determined by VGPS on an as- needed basis.

Sales and Marketing

Develop an annual sales and marketing program designed to generate demand for the assessed businesses targeting leisure, meetings and events. Develop marketing programs to attract visitors for the shoulder and summer months. Based on the Strategic Plan, develop programs to support transportation (air service / rail), workforce development and hospitality educational schools. Position the destination as sustainable and relevant to the modern traveler. Assessed businesses will receive services commensurate with the benefit received as shown in Appendix 3. The sales and marketing plan may include, without limitation, the following activities:

- Ongoing development and implementation of a Destination Development Plan. This plan outlines a strategy for attracting visitors to Greater Palm Springs and is implemented through geographic, demographic and behavioral targeting designed to reach the right people at the right time with the right message.
- Free and paid co-op marketing opportunities will be available to assessed business to further support and promote visitation to Greater Palm Springs.
- Destination industry advocacy and communications to educate elected officials, affected stakeholders and the public on initiatives designed to increase overnight visitation and room sales to assessed businesses.
- Internet marketing efforts to increase awareness and optimize internet presence to drive demand for overnight visitation and room sales to assessed businesses.
- Media placement in print, TV, audio, billboard, and digital platforms targeted at potential visitors to drive demand for overnight visitation and room sales to assessed businesses.
- Event and attraction promotion and marketing sponsorship initiatives designed to increase overnight visitation and room sales to assessed businesses.
- Industry research designed to increase the effectiveness of District media and marketing programs.
- Convention sales programs and initiatives designed to increase overnight visitation and room sales to assessed businesses.
- Air and rail service development and strategic marketing partnerships designed to increase demand for overnight visitation and room sales to assessed businesses.
- Attendance of trade shows to promote assessed businesses.
- Sales missions and client events for assessed businesses.
- Familiarization tours and site visits of assessed businesses;
- Preparation and production of collateral promotional materials such as brochures, flyers and maps featuring assessed businesses.
- Attendance of professional industry conferences and affiliation events to promote assessed businesses.
- Lead generation activities designed to attract tourists and group events to assessed businesses.
- Educational meetings to plan and coordinate tourism promotion efforts for assessed businesses.
- Workforce development strategies, research and/or programs designed to improvement the visitor experience and increase demand for overnight visitation and room sales to assessed businesses.
- Hospitality education and training support aimed at improving the visitor experience leading to increased demand for overnight visitation and room sales

to assessed businesses.

- Development and maintenance of a website designed to promote assessed businesses.
- Development and maintenance of a website for visitors or prospective vacation rental home owners with the regulations and education explained for each area within the GPSTBID; and
- Develop media or marketing efforts to educate the public on the guidelines around renting and managing a vacation rental within the GPSTBID.

Administration and Operations

The administration and operations portion of the budget shall be utilized for administrative staffing costs, office costs, and other general administrative costs such as insurance, legal, and accounting fees. A portion of this budget may also be utilized to support tracking and reporting of illegal vacation rentals to the areas within the GPSTBID.

Contingency/Reserve

The budget includes a contingency line item to account for uncollected assessments, if any. If there are contingency funds collected, they may be held in a reserve fund or utilized for other program, administration or renewal costs at the discretion of VGPS. Policies relating to contributions to the reserve fund, the target amount of the reserve fund, and expenditure of monies from the reserve fund shall be set by VGPS. The reserve fund may also be used for the costs of renewing the TBID.

B. Annual Assessment Budget

The total ten (10) year improvement and service plan assessment budget is projected at approximately $17,000,000 annually, or $170,000,000 through 2031. This amount may fluctuate as sales and revenue increase at assessed businesses.

C. California Constitutional Compliance

The TBID assessment is not a property-based assessment subject to the requirements of Proposition 218. The Court has found, "Proposition 218 limited the term 'assessments' to levies on real property."[1] Rather, the TBID assessment is a business-based assessment, and is subject to Proposition 26. Pursuant to Proposition 26 all levies are a tax unless they fit one of seven exceptions. Two of these exceptions apply to the TBID, a "specific benefit" and a "specific government service." Both require that the costs of benefits or services do not exceed the reasonable costs to the local government, in this case VGPS, of conferring the benefits or providing the services.

1. Specific Benefit

Proposition 26 requires that assessment funds be expended on, "a specific benefit conferred or privilege granted directly to the payor that is not provided to those not charged, and which does not exceed the reasonable costs to the local government of conferring the benefit or granting the privilege."[2] The services in this Plan are designed to provide targeted benefits directly to assessed businesses, and are intended only to provide benefits and services directly to those businesses paying the assessment. These services are tailored not to serve the general public, businesses in general, or parcels of land, but rather to serve the specific assessed businesses within the TBID. The activities

[1] *Jarvis v. the City of San Diego* 72 Cal App. 4th 230

[2] Cal. Const. art XIII C § 1(e)(1)

described in this Plan are specifically targeted to increase room night sales for assessed businesses within the boundaries of the TBID, and are narrowly tailored. TBID funds will be used exclusively to provide the specific benefit of increased demand for overnight visitation and room night sales directly to the assessed businesses. Assessment funds shall not be used to feature non-assessed lodging businesses and non-assessed vacation rentals in TBID programs, or to directly generate sales for non-assessed businesses. The activities paid for from assessment revenues are for business services constituting and providing specific benefits to the assessed businesses.

The assessment imposed by this TBID is for a specific benefit conferred directly to the payors that is not provided to those not charged. The specific benefit conferred directly to the payors is an increase in demand for overnight visitation and room night sales. The specific benefit of an increase in demand for overnight visitation and room night sales for assessed businesses will be provided only to businesses paying the district assessment, with sales and marketing programs promoting businesses paying the district assessment. The sales and marketing programs will be designed to increase demand for overnight visitation and room night sales at each assessed business. Because they are necessary to provide the sales and marketing programs that specifically benefit the assessed businesses, the administration and contingency/reserve services also provide the specific benefit of increased demand for overnight visitation and room night sales to the assessed businesses.

Although the TBID, in providing specific benefits to payors, may produce incidental benefits to non-paying businesses, the incidental benefit does not preclude the services from being considered a specific benefit. The legislature has found that, "A specific benefit is not excluded from classification as a 'specific benefit' merely because an indirect benefit to a nonpayor occurs incidentally and without cost to the payor as a consequence of providing the specific benefit to the payor."[3]

2. *Specific Government Service*

The assessment may also be utilized to provide, "a specific government service or product provided directly to the payor that is not provided to those not charged, and which does not exceed the reasonable costs to the local government of providing the service or product."[4] The legislature has recognized that marketing and promotions services like those to be provided by the TBID are government services within the meaning of Proposition 26[5]. Further, the services provided with TBID funds will be implemented by VGPS which is a California Joint Powers Authority. Further, the legislature has determined that "a specific government service is not excluded from classification as a 'specific government service' merely because an indirect benefit to a nonpayor occurs incidentally and without cost to the payor as a consequence of providing the specific government service to the payor."[6]

3. *Reasonable Cost*

TBID services will be implemented carefully to ensure they do not exceed the reasonable cost to the local government of such services. The full amount assessed will be used to

[3] Government Code § 53758(a)
[4] Cal. Const. art XIII C § 1(e)(2)
[5] Government Code § 53758(b)
[6] Government Code § 53758(b)

provide the services described herein. Only assessed businesses will be featured in marketing materials, receive sales leads generated from district-funded activities, be featured in advertising campaigns, and benefit from other district-funded services. Non-assessed businesses will not receive these, nor any other, district-funded services and benefits.

The TBID-funded programs are all targeted directly at and feature only assessed businesses. It is, however, possible that there will be a spill over benefit to non-assessed businesses. If non-assessed businesses receive incremental room nights, that portion of the promotion or program generating those room nights shall be paid with non-TBID funds. TBID funds shall only be spent to benefit the assessed businesses, and shall not be spent on that portion of any program which directly generates incidental room nights for non-assessed businesses.

4. Benefit to NonPayors

The specific benefits provided by the TBID will only be directly provided to the assessed businesses; they will not be directly provided to non-assessed businesses. Possible indirect benefit does not preclude the TBID services from being considered a specific benefit. The legislature has directly indicated, in the context of tourism business improvement districts, that services are not precluded from classification as a specific benefit merely because an indirect benefit to a nonpayor occurs as a consequence of providing the service and without cost to the payor.7

Although the legislature does not require the cost of any incidental benefit to non-payors be separated from the assessment, out of an abundance of caution a study was conducted on benefit generated by the TBID programs. The study is attached as Appendix 5. The study found that eighty-two percent (82%) of marketing programs generate incidental room night sales at non-assessed lodging businesses. Although it is not required, the portion of programs that generate this benefit will be paid for with non-assessment funds. Assessment funds will only fund that portion of the programs (eighty-two percent (82%)) which represents a specific benefit to the assessed businesses. For example, if a program costs $100,000 total, the TBID will fund $82,000 and the remaining $18,000 will be sourced from non-assessment funds.

The amount of the assessment is no more than necessary to cover the reasonable costs of the proposed activities, and the manner in which the costs are allocated to a business owner bear a fair share or reasonable relationship to the businesses' benefits received from the proposed activities. The benefit study in Appendix 5 found that the benefits provided by the TBID do not exceed the reasonable cost.

The programs provided with TBID funding receive additional non-assessment funding in the form of grants, corporate sponsorships, event income, transient occupancy tax, and other funds. These funding sources shall be equal to or exceed the amount of benefit conferred to non-payors annually by the TBID's services. These non-assessment funds will be used to pay for the benefit to non-payors provided by the proposed services, ensuring that assessments will only be used to provide benefits to assessed businesses.

[7] AB 483 Ting (2014)

D. Assessment

The annual assessment rate is three percent (3%) of gross short-term room rental revenue of all lodging businesses within the boundaries of the TBID with fifty (50) rooms or more, and one percent (1%) of gross short-term room rental revenue of all vacation rentals. Based on the benefit received, assessments will not be collected on stays of more than twenty-seven (27) consecutive days. Every vacation rental, listing a property or room for rent, operating on a Hosting Platform shall be subject to the 1% assessment.

The determination of the assessment rates of 3% on hotels and 1% on vacation rentals was calculated based on benefit received by the payors. The services provided are targeted to benefit payors, however not all programs benefit payors equally. The extensive convention sales and meetings program included in the budget is designed to benefit hotels and not provide benefit to vacation rentals. The marketing program benefits both hotels and vacation rentals. At the time of the renewal, TBID payors include approximately 6,200 vacation rentals and approximately 15,900 hotel rooms. Vacation rental tracking in the TBID area indicates that vacation rentals have approximately 2.8 rooms per rental, totaling 17,360 rooms. Because several of the jurisdictions within the TBID are banning vacation rentals in parts of their communities, we expect the number of vacation rental rooms to decline and parallel the number of hotel rooms. As a result, the approximate ratio of hotel rooms to vacation rental rooms is 1:1.

The detailed funding analysis provide by Tourism Economics in Appendix 5 found that the total revenue raised, because of the TBID programs, for all lodging properties within the TBID is $458m million per year. Of the $458 million, $245 million is raised because of the marketing program and $213.3m is raised because of the convention sales program. The marketing program benefits vacation rentals and hotels. Based on the 1:1 relationship of room counts, we estimate that the marketing program will benefit hotels and vacation rentals at approximately the same rate. The convention sales program benefits are targeted to hotels only. Based on the nature of the programs and the Tourism Economics calculations, the hotel benefit from the convention sales would be $213.3 million. The half of the benefit flowing to hotels from the marketing program totals $122.7 million. These two figures added together total $336m. The half of the benefit flowing to vacation rentals is $122.27 million. The ratio of these benefits is approximately 3:1, matching the ratio of the assessment rates.

The term "gross short-term room rental revenue" as used herein means: the consideration charged, whether or not received, for the occupancy of space in a lodging business or vacation rental valued in money, whether to be received in money, goods, labor or otherwise, including all receipts, cash, credits and property and services of any kind or nature, without any deduction therefrom whatsoever. Gross short-term room rental revenue shall not include any federal, state or local taxes collected, including but not limited to transient occupancy taxes.

The assessment revenue collected from hotels and short-term vacation rentals will be tracked separately by VGPS. The funds will be allocated on a percentage basis for each sales and marketing program, VGPS staff, administrative expenses, research and management of the TBID to reflect the separate benefit received by hotels and short-term vacation rentals. Additionally, an advisory group will be established for each lodging business type; hotels and short-term vacation rentals. The advisory group(s) will set priorities, marketing strategies, budgets and metrics for evaluation.

The assessment rate for each lodging business type will be commensurate with privileges and services provided to assessed businesses. Hotels will have the exclusive privilege to participate or be represented in, and receive a specific benefit from, but not limited to, convention sales programs and initiatives, Hotel General Manager and Director of Sales meetings to plan and coordinate tourism promotion efforts, lead generation activities designed to attract group business and events, and sales blitzes, as detailed in Appendix 3.

The assessment is levied upon and is a direct obligation of the assessed business. However, the assessed business may, at its discretion, pass the assessment on to transients. The amount of assessment, if passed on to each transient, shall be disclosed in advance and separately stated from the amount of rent charged and any other applicable taxes, and each transient shall receive a receipt for payment from the business. If the TBID assessment is identified separately, it shall be disclosed as the "Tourism Business Improvement District Assessment." As an alternative, the disclosure may include the amount of the TBID assessment and the amount of the assessment imposed pursuant to the California Tourism Marketing Act, Government Code §13995 et seq. and shall be disclosed as the "Tourism Assessment." The assessment is imposed solely upon, and is the sole obligation of the assessed business even if it is passed on to transients. The assessment shall not be considered revenue for any purpose, including calculation of transient occupancy taxes.

An assessed business may use a hosting platform to list their vacation rental. "Hosting Platform" means a natural person, joint venture, joint stock company, partnership, association, club, company corporation, business trust, or organization of any kind who participates in the short-term rental business by facilitating a booking transaction using any medium of facilitation. If a hosting platform is used to facilitate a booking transaction, the business owner is still solely responsible for ensuring the assessment is remitted for each short-term stay.

Bonds shall not be issued.

E. Penalties and Interest

The TBID shall reimburse VGPS, Cities and/or County for any costs associated with collecting unpaid assessments. Assessed businesses which are delinquent in paying the assessment shall be responsible for paying:

1. Original Delinquency: Any assessed business which fails to remit any assessment within the time required shall pay a penalty of ten percent (10%) of the amount of the assessment in addition to the amount of the assessment; provided, however, that if such ten percent (10%) penalty should exceed the maximum penalty permitted by law, then the penalty shall be the highest amount permitted by law.
2. Penalty Delinquency: Any assessed business which fails to remit any penalty within ten (10) days after receipt of notice thereof shall pay interest on the penalty at the rate of one percent (1%) per month or fraction thereof on the amount of the penalty from the date on which the penalty first became due until full and complete payment of the outstanding penalty; provided, however, that if such one percent (1%) interest should exceed the maximum rate permitted by law, then the interest rate shall be the highest rate permitted by law.

3. Interest: In addition to the penalties imposed, any assessed business which fails to remit any assessment shall pay interest at the rate of one percent (1%) per month or fraction thereof on the amount of the assessment from the date on which the assessment first became delinquent until paid; provided, however, that if such one percent (1%) interest should exceed the maximum rate permitted by law, then the interest rate shall be the highest rate permitted by law.
4. Costs of Collecting Delinquencies: Any assessed business shall also be subject to the payment of the costs of collecting any delinquent assessment and/or penalty, including but not limited to sending notices and initiating collection actions, which shall become a part of the assessment required to be paid. All delinquent assessments and penalties shall constitute a civil debt to VGPS and shall be subject to collection by VGPS, Cities and/or County by any means permitted by law.
5. Penalties Capped: Notwithstanding anything to the contrary, in no event shall the total penalties, including any original delinquency penalties and interest thereon exceed the maximum amount permitted by law.

F. Time and Manner for Collecting Assessments

The TBID assessment will be implemented beginning July 1, 2021 and will continue for ten (10) years through June 30, 2031. VGPS, Cities and/or County will be responsible for collecting the assessment on a monthly basis (including any delinquencies, penalties and interest) from each assessed business. VGPS, Cities and/or County shall take all reasonable efforts to collect the assessments from each assessed business.

1. VGPS, Cities and/or County shall make all reasonable efforts to enter into an agreement with all Hosting Platforms to collect and remit the TBID assessment on behalf of assessed businesses using the hosting platform.

2. An assessed business, using a Hosting Platform, reserves the right to have the Hosting Platform collect the assessment based on information supplied by the assessed business, and remit such assessment to the assessed business for ultimate reporting and remittance by the assessed business to VGPS, Cities and/or County. In such case, the Hosting Platform, upon request from VGPS, Cities, and/or County, and not more than once per consecutive twelve-month period, shall provide VGPS, Cities and/or County with copies of documentation related to assessed business which have provided acknowledgement of its obligation to collect all assessments owed on a gross short-term room rental revenue and to remit and report any assessments collected directly to VGPS, Cities, and/or County.

VI. GOVERNANCE

A. GPSTBID Management

The JPA, through adoption of this Management District Plan, has determined that Visit Greater Palm Springs (VGPS) shall administer the GPSTBID.

B. Brown Act and California Public Records Act Compliance

VGPS is subject to government regulations relating to transparency, including the Ralph M. Brown Act and the California Public Records Act. These regulations are designed to promote public accountability. VGPS is also subject to the record keeping and disclosure requirements of the California Public Records Act.

C. Annual Report

VGPS shall present an annual report at the end of each year of operation to the JPA in accordance with the requirements outlined in Streets and Highways Code §36650 (see Appendix 1). The annual report shall include:

- Any proposed changes in the boundaries of the improvement district or in any benefit zones or classification of businesses within the district.
- The improvements and activities to be provided for that fiscal year.
- An estimate of the cost of providing the improvements and the activities for that fiscal year.
- The method and basis of levying the assessment in sufficient detail to allow each business owner to estimate the amount of the assessment to be levied against his or her business for that fiscal year.
- The estimated amount of any surplus or deficit revenues to be carried over from a previous fiscal year.
- The estimated amount of any contributions to be made from sources other than assessments levied pursuant to this part.

STREETS AND HIGHWAYS CODE
DIVISION 18. PARKING
PART 7. PROPERTY AND BUSINESS IMPROVEMENT DISTRICT LAW OF 1994

CHAPTER 1. General Provisions

ARTICLE 1. Declarations

36600. Citation of part

This part shall be known and may be cited as the "Property and Business Improvement District Law of 1994."

36601. Legislative findings and declarations; Legislative guidance

The Legislature finds and declares all of the following:

(a) Businesses located and operating within business districts in some of this state's communities are economically disadvantaged, are underutilized, and are unable to attract customers due to inadequate facilities, services, and activities in the business districts.

(b) It is in the public interest to promote the economic revitalization and physical maintenance of business districts in order to create jobs, attract new businesses, and prevent the erosion of the business districts.

(c) It is of particular local benefit to allow business districts to fund business related improvements, maintenance, and activities through the levy of assessments upon the businesses or real property that receive benefits from those improvements.

(d) Assessments levied for the purpose of conferring special benefit upon the real property or a specific benefit upon the businesses in a business district are not taxes for the general benefit of a city, even if property, businesses, or persons not assessed receive incidental or collateral effects that benefit them.

(e) Property and business improvement districts formed throughout this state have conferred special benefits upon properties and businesses within their districts and have made those properties and businesses more useful by providing the following benefits:

(1) Crime reduction. A study by the Rand Corporation has confirmed a 12-percent reduction in the incidence of robbery and an 8-percent reduction in the total incidence of violent crimes within the 30 districts studied.

(2) Job creation.

(3) Business attraction.

(4) Business retention.

(5) Economic growth.

(6) New investments.

(f) With the dissolution of redevelopment agencies throughout the state, property and business improvement districts have become even more important tools with which communities can combat blight, promote economic opportunities, and create a clean and safe environment.

(g) Since the enactment of this act, the people of California have adopted Proposition 218, which added Article XIII D to the Constitution in order to place certain requirements and restrictions on the formation of, and activities, expenditures, and assessments by property-based districts. Article XIII D of the Constitution provides that property-based districts may only levy assessments for special benefits.

(h) The act amending this section is intended to provide the Legislature's guidance with regard to this act, its interaction with the provisions of Article XIII D of the Constitution, and the determination of special benefits in property-based districts.

(1) The lack of legislative guidance has resulted in uncertainty and inconsistent application of this act, which discourages the use of assessments to fund needed improvements, maintenance, and activities in property-based districts, contributing to blight and other underutilization of property.

(2) Activities undertaken for the purpose of conferring special benefits upon property to be assessed inherently produce incidental or collateral effects that benefit property or persons not assessed. Therefore, for special benefits to exist as a separate and distinct category from general benefits, the

incidental or collateral effects of those special benefits are inherently part of those special benefits. The mere fact that special benefits produce incidental or collateral effects that benefit property or persons not assessed does not convert any portion of those special benefits or their incidental or collateral effects into general benefits.

(3) It is of the utmost importance that property-based districts created under this act have clarity regarding restrictions on assessments they may levy and the proper determination of special benefits. Legislative clarity with regard to this act will provide districts with clear instructions and courts with legislative intent regarding restrictions on property-based assessments, and the manner in which special benefits should be determined.

36602. Purpose of part

The purpose of this part is to supplement previously enacted provisions of law that authorize cities to levy assessments within property and business improvement districts, to ensure that those assessments conform to all constitutional requirements and are determined and assessed in accordance with the guidance set forth in this act. This part does not affect or limit any other provisions of law authorizing or providing for the furnishing of improvements or activities or the raising of revenue for these purposes.

36603. Preemption of authority or charter city to adopt ordinances levying assessments

Nothing in this part is intended to preempt the authority of a charter city to adopt ordinances providing for a different method of levying assessments for similar or additional purposes from those set forth in this part. A property and business improvement district created pursuant to this part is expressly exempt from the provisions of the Special Assessment Investigation, Limitation and Majority Protest Act of 1931 (Division 4 (commencing with Section 2800)).

36603.5. Part prevails over conflicting provisions

Any provision of this part that conflicts with any other provision of law shall prevail over the other provision of law, as to districts created under this part.

36604. Severability

This part is intended to be construed liberally and, if any provision is held invalid, the remaining provisions shall remain in full force and effect. Assessments levied under this part are not special taxes.

ARTICLE 2. Definitions

36606. "Activities"

"Activities" means, but is not limited to, all of the following that benefit businesses or real property in the district:

(a) Promotion of public events.
(b) Furnishing of music in any public place.
(c) Promotion of tourism within the district.
(d) Marketing and economic development, including retail retention and recruitment.
(e) Providing security, sanitation, graffiti removal, street and sidewalk cleaning, and other municipal services supplemental to those normally provided by the municipality.
(f) Other services provided for the purpose of conferring special benefit upon assessed real property or specific benefits upon assessed businesses located in the district.

36606.5. "Assessment"

"Assessment" means a levy for the purpose of acquiring, constructing, installing, or maintaining improvements and providing activities that will provide certain benefits to properties or businesses located within a property and business improvement district.

36607. "Business"

"Business" means all types of businesses and includes financial institutions and professions.

36608. "City"

"City" means a city, county, city and county, or an agency or entity created pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1 of the Government Code, the public member agencies of which includes only cities, counties, or a city and county, or the State of California.

36609. "City council"

"City council" means the city council of a city or the board of supervisors of a county, or the agency, commission, or board created pursuant to a joint powers agreement and which is a city within the meaning of this part.

36609.4. "Clerk"

"Clerk" means the clerk of the legislative body.

36609.5. "General benefit"

"General benefit" means, for purposes of a property-based district, any benefit that is not a "special benefit" as defined in Section 36615.5.

36610. "Improvement"

"Improvement" means the acquisition, construction, installation, or maintenance of any tangible property with an estimated useful life of five years or more including, but not limited to, the following:

(a) Parking facilities.
(b) Benches, booths, kiosks, display cases, pedestrian shelters and signs.
(c) Trash receptacles and public restrooms.
(d) Lighting and heating facilities.
(e) Decorations.
(f) Parks.
(g) Fountains.
(h) Planting areas.
(i) Closing, opening, widening, or narrowing of existing streets.
(j) Facilities or equipment, or both, to enhance security of persons and property within the district.
(k) Ramps, sidewalks, plazas, and pedestrian malls.
(l) Rehabilitation or removal of existing structures.

36611. "Management district plan"; "Plan"

"Management district plan" or "plan" means a proposal as defined in Section 36622.

36612. "Owners' association"

"Owners' association" means a private nonprofit entity that is under contract with a city to administer or implement improvements, maintenance, and activities specified in the management district plan. An owners' association may be an existing nonprofit entity or a newly formed nonprofit entity. An owners' association is a private entity and may not be considered a public entity for any purpose, nor may its board members or staff be considered to be public officials for any purpose. Notwithstanding this section, an owners' association shall comply with the Ralph M. Brown Act (Chapter 9 (commencing with Section 54950) of Part 1 of Division 2 of Title 5 of the Government Code), at all times when matters within the subject matter of the district are heard, discussed, or deliberated, and with the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code), for all records relating to activities of the district.

36614. "Property"

"Property" means real property situated within a district.

36614.5. "Property and business improvement district"; "District"

"Property and business improvement district," or "district," means a property and business improvement district established pursuant to this part.

36614.6. "Property-based assessment"

"Property-based assessment" means any assessment made pursuant to this part upon real property.

36614.7. "Property-based district"

"Property-based district" means any district in which a city levies a property-based assessment.

36615. "Property owner"; "Business owner"; "Owner"

"Property owner" means any person shown as the owner of land on the last equalized assessment roll or otherwise known to be the owner of land by the city council. "Business owner" means any person recognized by the city as the owner of the business. "Owner" means either a business owner or a property owner. The city council has no obligation to obtain other information as to the ownership of land or businesses, and its determination of ownership shall be final and conclusive for the purposes of this part. Wherever this part requires the signature of the property owner, the signature of the authorized agent of the property owner shall be sufficient. Wherever this part requires the signature of the business owner, the signature of the authorized agent of the business owner shall be sufficient.

36615.5. "Special benefit"

"Special benefit" means, for purposes of a property-based district, a particular and distinct benefit over and above general benefits conferred on real property located in a district or to the public at large. Special benefit includes incidental or collateral effects that arise from the improvements, maintenance, or activities of property-based districts even if those incidental or collateral effects benefit property or persons not assessed. Special benefit excludes general enhancement of property value.

36616. "Tenant"

"Tenant" means an occupant pursuant to a lease of commercial space or a dwelling unit, other than an owner.

ARTICLE 3. Prior Law

36617. Alternate method of financing certain improvements and activities; Effect on other provisions

This part provides an alternative method of financing certain improvements and activities. The provisions of this part shall not affect or limit any other provisions of law authorizing or providing for the furnishing of improvements or activities or the raising of revenue for these purposes. Every improvement area established pursuant to the Parking and Business Improvement Area Law of 1989 (Part 6 (commencing with Section 36500) of this division) is valid and effective and is unaffected by this part.

CHAPTER 2. Establishment

36620. Establishment of property and business improvement district

A property and business improvement district may be established as provided in this chapter.

36620.5. Requirement of consent of city council

A county may not form a district within the territorial jurisdiction of a city without the consent of the city council of that city. A city may not form a district within the unincorporated territory of a county without the consent of the board

of supervisors of that county. A city may not form a district within the territorial jurisdiction of another city without the consent of the city council of the other city.

<u>36621.</u> Initiation of proceedings; Petition of property or business owners in proposed district

(a) Upon the submission of a written petition, signed by the property or business owners in the proposed district who will pay more than 50 percent of the assessments proposed to be levied, the city council may initiate proceedings to form a district by the adoption of a resolution expressing its intention to form a district. The amount of assessment attributable to property or a business owned by the same property or business owner that is in excess of 40 percent of the amount of all assessments proposed to be levied, shall not be included in determining whether the petition is signed by property or business owners who will pay more than 50 percent of the total amount of assessments proposed to be levied.

(b) The petition of property or business owners required under subdivision (a) shall include a summary of the management district plan. That summary shall include all of the following:

(1) A map showing the boundaries of the district.

(2) Information specifying where the complete management district plan can be obtained.

(3) Information specifying that the complete management district plan shall be furnished upon request.

(c) The resolution of intention described in subdivision (a) shall contain all of the following:

(1) A brief description of the proposed improvements, maintenance, and activities, the amount of the proposed assessment, a statement as to whether the assessment will be levied on property or businesses within the district, a statement as to whether bonds will be issued, and a description of the exterior boundaries of the proposed district, which may be made by reference to any plan or map that is on file with the clerk. The descriptions and statements do not need to be detailed and shall be sufficient if they enable an owner to generally identify the nature and extent of the improvements, maintenance, and activities, and the location and extent of the proposed district.

(2) A time and place for a public hearing on the establishment of the property and business improvement district and the levy of assessments, which shall be consistent with the requirements of Section 36623.

<u>36622.</u> Contents of management district plan

The management district plan shall include, but is not limited to, all of the following:

(a) If the assessment will be levied on property, a map of the district in sufficient detail to locate each parcel of property and, if businesses are to be assessed, each business within the district. If the assessment will be levied on businesses, a map that identifies the district boundaries in sufficient detail to allow a business owner to reasonably determine whether a business is located within the district boundaries. If the assessment will be levied on property and businesses, a map of the district in sufficient detail to locate each parcel of property and to allow a business owner to reasonably determine whether a business is located within the district boundaries.

(b) The name of the proposed district.

(c) A description of the boundaries of the district, including the boundaries of benefit zones, proposed for establishment or extension in a manner sufficient to identify the affected property and businesses included, which may be made by reference to any plan or map that is on file with the clerk. The boundaries of a proposed property assessment district shall not overlap with the boundaries of another existing property assessment district created pursuant to this part. This part does not prohibit the boundaries of a district created pursuant to this part to overlap with other assessment districts established pursuant to other provisions of law, including, but not limited to, the Parking and Business Improvement Area Law of 1989 (Part 6 (commencing with Section 36500)). This part does not prohibit the boundaries of a business assessment district created pursuant to this part to overlap with another business assessment district created pursuant to this part. This part does not prohibit the boundaries of a business assessment district created pursuant to this part to overlap with a property assessment district created pursuant to this part.

(d) The improvements, maintenance, and activities proposed for each year of operation of the district and the maximum cost thereof. If the improvements, maintenance, and activities proposed for each year of operation are the same, a description of the first year's proposed improvements, maintenance, and activities and a statement that the same improvements, maintenance, and activities are proposed for subsequent years shall satisfy the requirements of this subdivision.

(e) The total annual amount proposed to be expended for improvements, maintenance, or activities, and debt service in each year of operation of the district. If the assessment is levied on businesses, this amount may be estimated based upon the assessment rate. If the total annual amount proposed to be expended in each year of operation of the district is not significantly different, the amount proposed to be expended in the initial year and a statement that a similar amount applies to subsequent years shall satisfy the requirements of this subdivision.

(f) The proposed source or sources of financing, including the proposed method and basis of levying the assessment in sufficient detail to allow each property or business owner to calculate the amount of the assessment to be levied against his or her property or business. The plan also shall state whether bonds will be issued to finance improvements.

(g) The time and manner of collecting the assessments.

(h) The specific number of years in which assessments will be levied. In a new district, the maximum number of years shall be five. Upon renewal, a district shall have a term not to exceed 10 years. Notwithstanding these limitations, a district created pursuant to this part to finance capital improvements with bonds may levy assessments until the maximum maturity of the bonds. The management district plan may set forth specific increases in assessments for each year of operation of the district.

(i) The proposed time for implementation and completion of the management district plan.

(j) Any proposed rules and regulations to be applicable to the district.

(k) (1) A list of the properties or businesses to be assessed, including the assessor's parcel numbers for properties to be assessed, and a statement of the method or methods by which the expenses of a district will be imposed upon benefited real property or businesses, in proportion to the benefit received by the property or business, to defray the cost thereof.

(2) In a property-based district, the proportionate special benefit derived by each identified parcel shall be determined exclusively in relationship to the entirety of the capital cost of a public improvement, the maintenance and operation expenses of a public improvement, or the cost of the activities. An assessment shall not be imposed on any parcel that exceeds the reasonable cost of the proportional special benefit conferred on that parcel. Only special benefits are assessable, and a property-based district shall separate the general benefits, if any, from the special benefits conferred on a parcel. Parcels within a property-based district that are owned or used by any city, public agency, the State of California, or the United States shall not be exempt from assessment unless the governmental entity can demonstrate by clear and convincing evidence that those publicly owned parcels in fact receive no special benefit. The value of any incidental, secondary, or collateral effects that arise from the improvements, maintenance, or activities of a property-based district and that benefit property or persons not assessed shall not be deducted from the entirety of the cost of any special benefit or affect the proportionate special benefit derived by each identified parcel.

(l) In a property-based district, the total amount of all special benefits to be conferred upon the properties located within the property-based district.

(m) In a property-based district, the total amount of general benefits, if any.

(n) In a property-based district, a detailed engineer's report prepared by a registered professional engineer certified by the State of California supporting all assessments contemplated by the management district plan.

(o) Any other item or matter required to be incorporated therein by the city council.

<u>36623.</u> Procedure to levy assessment

(a) If a city council proposes to levy a new or increased property assessment, the notice and protest and hearing procedure shall comply with Section 53753 of the Government Code.

(b) If a city council proposes to levy a new or increased business assessment, the notice and protest and hearing procedure shall comply with Section 54954.6 of the Government Code, except that notice shall be mailed to the owners of the businesses proposed to be assessed. A protest may be made orally or in writing by any interested person. Every written protest shall be filed with the clerk at or before the time fixed for the public hearing. The city council may waive any irregularity in the form or content of any written protest. A written protest may be withdrawn in writing at any time before the conclusion of the public hearing. Each written protest shall contain a description of the business in which the person subscribing the protest is interested sufficient to identify the business and, if a person subscribing is not shown on the official records of the city as the owner of the business, the protest shall contain or be accompanied by written evidence that the person subscribing is the owner of the business or the authorized representative. A written protest that does not comply with this section shall not be counted in determining a majority protest. If written protests are received from the owners or authorized representatives of businesses in the proposed district that will pay

50 percent or more of the assessments proposed to be levied and protests are not withdrawn so as to reduce the protests to less than 50 percent, no further proceedings to levy the proposed assessment against such businesses, as contained in the resolution of intention, shall be taken for a period of one year from the date of the finding of a majority protest by the city council.

(c) If a city council proposes to conduct a single proceeding to levy both a new or increased property assessment and a new or increased business assessment, the notice and protest and hearing procedure for the property assessment shall comply with subdivision (a), and the notice and protest and hearing procedure for the business assessment shall comply with subdivision (b). If a majority protest is received from either the property or business owners, that respective portion of the assessment shall not be levied. The remaining portion of the assessment may be levied unless the improvement or other special benefit was proposed to be funded by assessing both property and business owners.

36624. Changes to proposed assessments

At the conclusion of the public hearing to establish the district, the city council may adopt, revise, change, reduce, or modify the proposed assessment or the type or types of improvements, maintenance, and activities to be funded with the revenues from the assessments. Proposed assessments may only be revised by reducing any or all of them. At the public hearing, the city council may only make changes in, to, or from the boundaries of the proposed property and business improvement district that will exclude territory that will not benefit from the proposed improvements, maintenance, and activities. Any modifications, revisions, reductions, or changes to the proposed assessment district shall be reflected in the notice and map recorded pursuant to Section 36627.

36625. Resolution of formation

(a) If the city council, following the public hearing, decides to establish a proposed property and business improvement district, the city council shall adopt a resolution of formation that shall include, but is not limited to, all of the following:

(1) A brief description of the proposed improvements, maintenance, and activities, the amount of the proposed assessment, a statement as to whether the assessment will be levied on property, businesses, or both within the district, a statement on whether bonds will be issued, and a description of the exterior boundaries of the proposed district, which may be made by reference to any plan or map that is on file with the clerk. The descriptions and statements need not be detailed and shall be sufficient if they enable an owner to generally identify the nature and extent of the improvements, maintenance, and activities and the location and extent of the proposed district.

(2) The number, date of adoption, and title of the resolution of intention.

(3) The time and place where the public hearing was held concerning the establishment of the district.

(4) A determination regarding any protests received. The city shall not establish the district or levy assessments if a majority protest was received.

(5) A statement that the properties, businesses, or properties and businesses in the district established by the resolution shall be subject to any amendments to this part.

(6) A statement that the improvements, maintenance, and activities to be conferred on businesses and properties in the district will be funded by the levy of the assessments. The revenue from the levy of assessments within a district shall not be used to provide improvements, maintenance, or activities outside the district or for any purpose other than the purposes specified in the resolution of intention, as modified by the city council at the hearing concerning establishment of the district. Notwithstanding the foregoing, improvements and activities that must be provided outside the district boundaries to create a special or specific benefit to the assessed parcels or businesses may be provided, but shall be limited to marketing or signage pointing to the district.

(7) A finding that the property or businesses within the area of the property and business improvement district will be benefited by the improvements, maintenance, and activities funded by the proposed assessments, and, for a property-based district, that property within the district will receive a special benefit.

(8) In a property-based district, the total amount of all special benefits to be conferred on the properties within the property-based district.

(b) The adoption of the resolution of formation and, if required, recordation of the notice and map pursuant to Section 36627 shall constitute the levy of an assessment in each of the fiscal years referred to in the management district plan.

36626. Resolution establishing district

If the city council, following the public hearing, desires to establish the proposed property and business improvement district, and the city council has not made changes pursuant to Section 36624, or has made changes that do not substantially change the proposed assessment, the city council shall adopt a resolution establishing the district. The resolution shall contain all of the information specified in Section 36625.

36627. Notice and assessment diagram

Following adoption of the resolution establishing district assessments on properties pursuant to Section 36625 or Section 36626, the clerk shall record a notice and an assessment diagram pursuant to Section 3114. No other provision of Division 4.5 (commencing with Section 3100) applies to an assessment district created pursuant to this part.

36628. Establishment of separate benefit zones within district; Categories of businesses

The city council may establish one or more separate benefit zones within the district based upon the degree of benefit derived from the improvements or activities to be provided within the benefit zone and may impose a different assessment within each benefit zone. If the assessment is to be levied on businesses, the city council may also define categories of businesses based upon the degree of benefit that each will derive from the improvements or activities to be provided within the district and may impose a different assessment or rate of assessment on each category of business, or on each category of business within each zone.

36628.5. Assessments on businesses or property owners

The city council may levy assessments on businesses or on property owners, or a combination of the two, pursuant to this part. The city council shall structure the assessments in whatever manner it determines corresponds with the distribution of benefits from the proposed improvements, maintenance, and activities, provided that any property-based assessment conforms with the requirements set forth in paragraph (2) of subdivision (k) of Section 36622.

36629. Provisions and procedures applicable to benefit zones and business categories

All provisions of this part applicable to the establishment, modification, or disestablishment of a property and business improvement district apply to the establishment, modification, or disestablishment of benefit zones or categories of business. The city council shall, to establish, modify, or disestablish a benefit zone or category of business, follow the procedure to establish, modify, or disestablish a property and business improvement district.

36630. Expiration of district; Creation of new district

If a property and business improvement district expires due to the time limit set pursuant to subdivision (h) of Section 36622, a new management district plan may be created and the district may be renewed pursuant to this part.

CHAPTER 3. Assessments

36631. Time and manner of collection of assessments; Delinquent payments

The collection of the assessments levied pursuant to this part shall be made at the time and in the manner set forth by the city council in the resolution levying the assessment. Assessments levied on real property may be collected at the same time and in the same manner as for the ad valorem property tax, and may provide for the same lien priority and penalties for delinquent payment. All delinquent payments for assessments levied pursuant to this part may be charged interest and penalties.

36632. Assessments to be based on estimated benefit; Classification of real property and businesses; Exclusion of residential and agricultural property

(a) The assessments levied on real property pursuant to this part shall be levied on the basis of the estimated benefit to the real property within the property and business improvement district. The city council may

classify properties for purposes of determining the benefit to property of the improvements and activities provided pursuant to this part.

(b) Assessments levied on businesses pursuant to this part shall be levied on the basis of the estimated benefit to the businesses within the property and business improvement district. The city council may classify businesses for purposes of determining the benefit to the businesses of the improvements and activities provided pursuant to this part.

(c) Properties zoned solely for residential use, or that are zoned for agricultural use, are conclusively presumed not to benefit from the improvements and service funded through these assessments, and shall not be subject to any assessment pursuant to this part.

36633. Time for contesting validity of assessment

The validity of an assessment levied under this part shall not be contested in any action or proceeding unless the action or proceeding is commenced within 30 days after the resolution levying the assessment is adopted pursuant to Section 36626. Any appeal from a final judgment in an action or proceeding shall be perfected within 30 days after the entry of judgment.

36634. Service contracts authorized to establish levels of city services

The city council may execute baseline service contracts that would establish levels of city services that would continue after a property and business improvement district has been formed.

36635. Request to modify management district plan

The owners' association may, at any time, request that the city council modify the management district plan. Any modification of the management district plan shall be made pursuant to this chapter.

36636. Modification of plan by resolution after public hearing; Adoption of resolution of intention

(a) Upon the written request of the owners' association, the city council may modify the management district plan after conducting one public hearing on the proposed modifications. The city council may modify the improvements and activities to be funded with the revenue derived from the levy of the assessments by adopting a resolution determining to make the modifications after holding a public hearing on the proposed modifications. If the modification includes the levy of a new or increased assessment, the city council shall comply with Section 36623. Notice of all other public hearings pursuant to this section shall comply with both of the following:

(1) The resolution of intention shall be published in a newspaper of general circulation in the city once at least seven days before the public hearing.

(2) A complete copy of the resolution of intention shall be mailed by first class mail, at least 10 days before the public hearing, to each business owner or property owner affected by the proposed modification.

(b) The city council shall adopt a resolution of intention which states the proposed modification prior to the public hearing required by this section. The public hearing shall be held not more than 90 days after the adoption of the resolution of intention.

36637. Reflection of modification in notices recorded and maps

Any subsequent modification of the resolution shall be reflected in subsequent notices and maps recorded pursuant to Division 4.5 (commencing with Section 3100), in a manner consistent with the provisions of Section 36627.

CHAPTER 3.5. Financing

36640. Bonds authorized; Procedure; Restriction on reduction or termination of assessments

(a)The city council may, by resolution, determine and declare that bonds shall be issued to finance the estimated cost of some or all of the proposed improvements described in the resolution of formation adopted pursuant to Section 36625, if the resolution of formation adopted pursuant to that section provides for the issuance of bonds, under the Improvement Bond Act of 1915 (Division 10 (commencing with Section 8500))

or in conjunction with Marks-Roos Local Bond Pooling Act of 1985 (Article 4 (commencing with Section 6584) of Chapter 5 of Division 7 of Title 1 of the Government Code). Either act, as the case may be, shall govern the proceedings relating to the issuance of bonds, although proceedings under the Bond Act of 1915 may be modified by the city council as necessary to accommodate assessments levied upon business pursuant to this part.

(b) The resolution adopted pursuant to subdivision (a) shall generally describe the proposed improvements specified in the resolution of formation adopted pursuant to Section 36625, set forth the estimated cost of those improvements, specify the number of annual installments and the fiscal years during which they are to be collected. The amount of debt service to retire the bonds shall not exceed the amount of revenue estimated to be raised from assessments over 30 years.

(c) Notwithstanding any other provision of this part, assessments levied to pay the principal and interest on any bond issued pursuant to this section shall not be reduced or terminated if doing so would interfere with the timely retirement of the debt.

CHAPTER 4. Governance

36650. Report by owners' association; Approval or modification by city council

(a) The owners' association shall cause to be prepared a report for each fiscal year, except the first year, for which assessments are to be levied and collected to pay the costs of the improvements, maintenance, and activities described in the report. The owners' association's first report shall be due after the first year of operation of the district. The report may propose changes, including, but not limited to, the boundaries of the property and business improvement district or any benefit zones within the district, the basis and method of levying the assessments, and any changes in the classification of property, including any categories of business, if a classification is used.

(b) The report shall be filed with the clerk and shall refer to the property and business improvement district by name, specify the fiscal year to which the report applies, and, with respect to that fiscal year, shall contain all of the following information:

(1) Any proposed changes in the boundaries of the property and business improvement district or in any benefit zones or classification of property or businesses within the district.

(2) The improvements, maintenance, and activities to be provided for that fiscal year.

(3) An estimate of the cost of providing the improvements, maintenance, and activities for that fiscal year.

(4) The method and basis of levying the assessment in sufficient detail to allow each real property or business owner, as appropriate, to estimate the amount of the assessment to be levied against his or her property or business for that fiscal year.

(5) The estimated amount of any surplus or deficit revenues to be carried over from a previous fiscal year.

(6) The estimated amount of any contributions to be made from sources other than assessments levied pursuant to this part.

(c) The city council may approve the report as filed by the owners' association or may modify any particular contained in the report and approve it as modified. Any modification shall be made pursuant to Sections 36635 and 36636.

The city council shall not approve a change in the basis and method of levying assessments that would impair an authorized or executed contract to be paid from the revenues derived from the levy of assessments, including any commitment to pay principal and interest on any bonds issued on behalf of the district.

36651. Designation of owners' association to provide improvements, maintenance, and activities

The management district plan may, but is not required to, state that an owners' association will provide the improvements, maintenance, and activities described in the management district plan. If the management district plan designates an owners' association, the city shall contract with the designated nonprofit corporation to provide services.

CHAPTER 5. Renewal

36660. Renewal of district; Transfer or refund of remaining revenues; District term limit

(a) Any district previously established whose term has expired, or will expire, may be renewed by following the procedures for establishment as provided in this chapter.
(b) Upon renewal, any remaining revenues derived from the levy of assessments, or any revenues derived from the sale of assets acquired with the revenues, shall be transferred to the renewed district. If the renewed district includes additional parcels or businesses not included in the prior district, the remaining revenues shall be spent to benefit only the parcels or businesses in the prior district. If the renewed district does not include parcels or businesses included in the prior district, the remaining revenues attributable to these parcels shall be refunded to the owners of these parcels or businesses.
(c) Upon renewal, a district shall have a term not to exceed 10 years, or, if the district is authorized to issue bonds, until the maximum maturity of those bonds. There is no requirement that the boundaries, assessments, improvements, or activities of a renewed district be the same as the original or prior district.

CHAPTER 6. Disestablishment

36670. Circumstances permitting disestablishment of district; Procedure

(a) Any district established or extended pursuant to the provisions of this part, where there is no indebtedness, outstanding and unpaid, incurred to accomplish any of the purposes of the district, may be disestablished by resolution by the city council in either of the following circumstances:

(1) If the city council finds there has been misappropriation of funds, malfeasance, or a violation of law in connection with the management of the district, it shall notice a hearing on disestablishment.
(2) During the operation of the district, there shall be a 30-day period each year in which assessees may request disestablishment of the district. The first such period shall begin one year after the date of establishment of the district and shall continue for 30 days. The next such 30-day period shall begin two years after the date of the establishment of the district. Each successive year of operation of the district shall have such a 30-day period. Upon the written petition of the owners or authorized representatives of real property or the owners or authorized representatives of businesses in the district who pay 50 percent or more of the assessments levied, the city council shall pass a resolution of intention to disestablish the district. The city council shall notice a hearing on disestablishment.

(b) The city council shall adopt a resolution of intention to disestablish the district prior to the public hearing required by this section. The resolution shall state the reason for the disestablishment, shall state the time and place of the public hearing, and shall contain a proposal to dispose of any assets acquired with the revenues of the assessments levied within the property and business improvement district. The notice of the hearing on disestablishment required by this section shall be given by mail to the property owner of each parcel or to the owner of each business subject to assessment in the district, as appropriate. The city shall conduct the public hearing not less than 30 days after mailing the notice to the property or business owners. The public hearing shall be held not more than 60 days after the adoption of the resolution of intention.

36671. Refund of remaining revenues upon disestablishment or expiration without renewal of district; Calculation of refund; Use of outstanding revenue collected after disestablishment of district

(a) Upon the disestablishment or expiration without renewal of a district, any remaining revenues, after all outstanding debts are paid, derived from the levy of assessments, or derived from the sale of assets acquired with the revenues, or from bond reserve or construction funds, shall be refunded to the owners of the property or businesses then located and operating within the district in which assessments were levied by applying the same method and basis that was used to calculate the assessments levied in the fiscal year in which the district is disestablished or expires. All outstanding assessment revenue collected after disestablishment shall be spent on improvements and activities specified in the management district plan.
(b) If the disestablishment occurs before an assessment is levied for the fiscal year, the method and basis that was used to calculate the assessments levied in the immediate prior fiscal year shall be used to calculate the amount of any refund.

JOINT POWERS AUTHORITY EXECUTIVE COMMITTEE

RESOLUTION NO. JPA 2024-011

A RESOLUTION OF THE VISIT GREATER PALM SPRINGS JPA EXECUTIVE COMMITTEE DECLARING ITS INTENTION TO MODIFY THE MANAGEMENT DISTRICT PLAN OF THE GREATER PALM SPRINGS TOURISM BUSINESS IMPROVEMENT DISTRICT (GPSTBID) AND FIXING THE TIME AND PLACE OF A PUBLIC MEETING AND A PUBLIC HEARING THEREON AND GIVING NOTICE THEREOF

WHEREAS, the JPA Executive Committee created the GPSTBID on June 17, 2016 by Resolution No. JPA 2016-004; and

WHEREAS, the JPA Executive Committee renewed the GPSTBID for a ten (10) year term which ends on June 30, 2031 by Resolution No. JPA 2020-005; and

WHEREAS, the Property and Business Improvement Law of 1994, Streets and Highways Code §36600 et seq., allows boards created pursuant to a joint powers agreement to modify the GPSTBID at the request of the Owners' Association; and

WHEREAS, the GPSTBID Owners' Association, Visit Greater Palm Springs, has requested modification of the GPSTBID and by extension the Management District Plan to include the City of Coachella within the boundaries of the GPSTBID; and

NOW, THEREFORE, BE IT RESOLVED BY THE JPA EXECUTIVE COMMITTEE THAT:

1. The recitals set forth herein are true and correct.

2. The JPA Executive Committee declares its intention to modify the GPSTBID and the Management District Plan and finds that the modified Management District Plan satisfies all requirements of Streets and Highways Cost Section 36622.

3. The GPSTBID currently includes all lodging businesses with fifty (50) rooms or more and all vacation rentals located within the boundaries of the cities of Desert Hot Springs, Palm Springs, Cathedral City, Rancho Mirage, Palm Desert, Indian Wells, La Quinta, and Indio and portions of the unincorporated area of Riverside County in the Western Coachella Valley. The proposed modification of the GPSTBID Management District Plan will modify the existing boundaries of the GPSTBID to include the City of Coachella, effective July 1, 2025, or as soon as possible thereafter, as shown in Exhibit A, attached hereto and incorporated herein by reference.

4. The time and place for the public meeting for comments on the modified GPSTBID Management District Plan are set for January 31, 2025, at 8:30AM, or as soon as possible thereafter as the matter may be heard, at the Agua Caliente Resort Casino Spa Rancho Mirage, in the Cahuilla Ballroom, 32-250 Bob Hope Dr, Rancho Mirage, CA 92270.

5. The time and place for the public hearing on modification of the GPSTBID Management District Plan are set for April 4, 2025, at 8:30AM, or as soon as possible thereafter as the matter may be heard, at The Ritz-Carlton, Rancho Mirage, in The Ritz-Carlton Ballroom, 68900 Frank Sinatra Dr, Rancho Mirage, CA 92270. The Clerk of the JPA Executive Committee is directed to provide written notice to the assessed businesses subject to assessment of the date and time of the meeting and hearing, and to provide that notice as required by Streets and Highways Code § 36623, no later than February 18, 2025.

6. At the public meeting and hearing, the testimony of all interested persons for or against the modification of the GPSTBID may be received. If at the conclusion of the public hearing, there are of record written protests by the owners of the lodging businesses within the modified GPSTBID that will pay fifty percent (50%) or more of the estimated total assessment of the entire GPSTBID, no further proceedings to modify the GPSTBID shall occur for a period of one (1) year.

7. The complete Management District Plan is on file with the Clerk of the JPA Executive Committee and may be reviewed upon request.

8. This resolution shall take effect immediately upon its adoption by the JPA Executive Committee.

I HEREBY CERTIFY that the foregoing Resolution of Intention was introduced and adopted at a regular meeting of the City Council on the 13th day of December 2024 by the following vote:

RESOLUTION NO. JPA 2025-002

A RESOLUTION OF THE JOINT POWERS AUTHORITY EXECUTIVE COMMITTEE OF VISIT GREATER PALM SPRINGS (JPA EXECUTIVE COMMITTEE) MODIFYING THE MANAGEMENT DISTRICT PLAN OF THE GREATER PALM SPRINGS TOURISM BUSINESS IMPROVEMENT DISTRICT (GPSTBID)

WHEREAS, the JPA Executive Committee created the GPSTBID on June 17, 2016 by Resolution No. JPA 2016-004; and

WHEREAS, the JPA Executive Committee renewed the GPSTBID for a ten (10) year term which ends on June 30, 2031 and adopted the current Management District Plan (Plan) of the GPSTBID by Resolution No. JPA 2020-005; and

WHEREAS, the Property and Business Improvement Law of 1994, Streets and Highways Code § 36600 et seq., allows boards created pursuant to a joint powers agreement to modify the Plan at the request of the Owners' Association; and

WHEREAS, the GPSTBID Owners' Association, Visit Greater Palm Springs, has requested modification of the GPSTBID and by extension the Plan to include the City of Coachella within the boundaries of the GPSTBID; and

WHEREAS, on December 13, 2024 at 8:30 AM at the Palm Springs Convention Center, Room: Primrose B, located at 277 N. Avenida Caballeros, Palm Springs, CA 92262, the JPA Executive Committee adopted a Resolution of Intention, Resolution No.2024-011; and

WHEREAS, the public meeting and public hearing to consider the modification of the GPSTBID have been properly noticed in accordance with Streets and Highways Code §36623; and

WHEREAS, on January 31, 2025 at 8:30 AM at the Agua Caliente Resort Casino Spa Rancho Mirage, in the Cahuilla Ballroom located at 32-250 Bob Hope Dr, Rancho Mirage, CA 92270, the JPA Executive Committee held a public meeting regarding the modification of the GPSTBID, and the JPA Executive Committee heard and received objections and protests, if any, to the modification of the GPSTBID and the levy of the proposed assessment; and

WHEREAS, on April 4, 2025 at 8:30 AM at the Ritz-Carlton Ballroom at the Ritz-Carlton, Rancho Mirage located at 68900 Frank Sinatra Drive, Rancho Mirage, CA 92270, the JPA Executive Committee held a public hearing regarding the modification of the GPSTBID, and the JPA Executive Committee heard and received all objections and protests, if any, to the modification of the GPSTBID and the levy of the proposed assessment; and

WHEREAS, the JPA Executive Committee has determined that there was no majority protest. A majority protest is defined as written protests received from owners of businesses in the modified GPSTBID which would pay fifty percent (50%) or more of the

assessments proposed to be levied. Protests are weighted based on the assessment proposed to be levied on each assessed lodging business.

NOW, THEREFORE, BE IT RESOLVED BY THE JPA EXECUTIVE COMMITTEE THAT:

1. The recitals set forth herein are adopted by the JPA Executive Committee as findings and they are true and correct.

2. The JPA Executive Committee hereby modifies the GPSTBID Plan. The GPSTBID currently includes all lodging businesses with fifty (50) rooms or more and all vacation rentals, existing in the future, available for public occupancy located within the boundaries of the cities of Desert Hot Springs, Palm Springs, Cathedral City, Rancho Mirage, Palm Desert, Indian Wells, La Quinta, and Indio and portions of the unincorporated area of Riverside County in the Western Coachella Valley. The proposed modification of the GPSTBID Plan will modify the existing boundaries of the GPSTBID to include the City of Coachella, effective July 1, 2025, or as soon as possible thereafter, as shown in Exhibit A, attached hereto and incorporated herein by reference.
3. The modified Plan dated December 10, 2024 is hereby adopted and approved.

4. The GPSTBID modified pursuant to this Resolution will be subject to any amendments to the Property and Business Improvement District Law of 1994 (California Streets and Highways Code §36600 et. seq.).

5. The Clerk of the JPA Executive Committee, or his or her designee, is directed to take all necessary actions to complete the modification of the GPSTBID and to levy the assessments.

6. This resolution shall take effect immediately upon its adoption by the JPA Executive Committee.

I HEREBY CERTIFY that the foregoing Resolution of Intention was introduced and adopted at a regular meeting of the Executive Committee of Visit Greater Palm Springs held on the 4th day of April, 2025, by the following vote:

REQUIRED AUDIT COMMUNICATIONS

JPA Executive Committee
Visit Greater Palm Springs
Rancho Mirage, California

We have audited the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information Visit Greater Palm Springs (VGPS) for the year ended June 30, 2024. Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated October 22, 2024, our responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of your respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of VGPS solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, and our firm have complied with all relevant ethical requirements regarding independence.

We identified self-review threats to independence as a result of non-attest services provided. The non-attest service included preparing the financial statements and recording journal entries to correct errors identified during the audit. To mitigate the risk, management has compared the draft financial statements and footnotes to the underlying accounting records to verify accuracy and has reviewed a disclosure checklist to ensure footnotes are complete

and accurate. Additionally, we utilize a quality control reviewer to perform a second review of journal entries and the financial statements. We believe these safeguards are sufficient to reduce the independence threats to an acceptable level.

Significant Risks Identified

We are required by the auditing standards to evaluate significant risks. We have identified the following areas for additional audit emphasis:

- VGPS's unearned revenue was identified as a significant risk due to potential cutoff issues between recognizing revenues inconsistent with the related expense according to the matching principal, which can impact the accuracy of financial reporting. We performed additional testing to mitigate this risk.

Qualitative Aspects of the Entity's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by VGPS is included in Note 1 to the financial statements. There have been no initial selection of accounting policies. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive accounting estimates affecting the financial statements include:

- Management's estimate of transactions related to net pension and OPEB liabilities based on actuarial information.

We evaluated the key factors and assumptions used to develop the estimate and determined that it is reasonable in relation to the basic financial statements taken as a whole and in relation to the applicable opinion units.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting VGPS's financial statements were:

- The disclosure of pensions in note 8 to the financial statements
- The disclosure of OPEB in note 7 to the financial statements.

The financial statement disclosures are neutral, consistent, and clear.

Significant Difficulties Encountered during the Audit

We encountered difficulties during the audit due to the implementation of the new accounting software and significant modifications needed to organize the funds in a manner that is consistent with financial reporting.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards also require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole and each applicable opinion unit. There were no uncorrected misstatements.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. We recorded certain reclassifying journal entries for financial statement presentation purposes between due to/from other funds and payroll liabilities and from accounts receivable to cash.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the VGPS's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management in a letter dated March 6, 2025.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with VGPS, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, operating and regulatory conditions affecting VGPS, and operational plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as VGPS's auditors.

This report is intended solely for the information and use of the Executive Committee and management of VGPS and is not intended to be and should not be used by anyone other than these specified parties.

Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With *Government Auditing Standards*

JPA Executive Committee
Visit Greater Palm Springs
Rancho Mirage, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Visit Greater Palm Springs (VGPS), as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively VGPS's basic financial statements, and have issued our report thereon dated March 6, 2025.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered VGPS's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of VGPS's internal control. Accordingly, we do not express an opinion on the effectiveness of VGPS's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect, and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of VGPS's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of weaknesses, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether VGPS's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit,

and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of VGPS's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

New Accounting Standards Not Yet Effective

Year ended June 30, 2024

GASB Statement No. 101: *Compensated Absences*

The objective of this Statement is to better meet the information needs of financial statement users by updating the recognition and measurement guidance for compensated absences. That objective is achieved by aligning the recognition and measurement guidance under a unified model and by amending certain previously required disclosures. This Statement requires that liabilities for compensated absences be recognized for (1) leave that has not been used and (2) leave that has been used but not yet paid in cash or settled through noncash means. A liability should be recognized for leave that has not been used if (a) the leave is attributable to services already rendered, (b) the leave accumulates, and (c) the leave is more likely than not to be used for time off or otherwise paid in cash or settled through noncash means. Leave is attributable to services already rendered when an employee has performed the services required to earn the leave. Leave that accumulates is carried forward from the reporting period in which it is earned to a future reporting period during which it may be used for time off or otherwise paid or settled. In estimating the leave that is more likely than not to be used or otherwise paid or settled, a government should consider relevant factors such as employment policies related to compensated absences and historical information about the use or payment of compensated absences. However, leave that is more likely than not to be settled through conversion to defined benefit postemployment benefits should not be included in a liability for compensated absences.

The standard will be effective for the fiscal year ending June 30, 2025.

GASB Statement No. 102: *Certain Risk Disclosures*

State and local governments face a variety of risks that could negatively affect the level of service they provide or their ability to meet obligations as they come due. Although governments are required to disclose information about their exposure to some of those risks, essential information about other risks that are prevalent among state and local governments is not routinely disclosed because it is not explicitly required. This Statement requires a government to assess whether a concentration or constraint makes the primary government reporting unit or other reporting units that report a liability for revenue debt vulnerable to the risk of a substantial impact.

The standard will be effective for the fiscal year ending June 30, 2025.

GASB Statement No. 103: *Financial Reporting Model Improvements*

The objective of this statement is to improve key components of the financial reporting model to enhance its effectiveness in providing information that is essential for decision making and assessing a government's accountability. This statement also addressed certain application issues.

The standard will be effective for the fiscal year ending June 30, 2026.

GASB Statement No. 104: *Disclosure of Certain Capital Assets*

The requirements of this Statement will improve financial reporting by providing users of financial statements with essential information about certain types of capital assets in order to make informed decisions and assess accountability. Additionally, the disclosure requirements will improve consistency and comparability between governments.

The standard will be effective for the fiscal year ending June 30, 2026.

Independent Auditor's Report

JPA Executive Committee
Visit Greater Palm Springs
Rancho Mirage, California

Report on the Audit of the Financial Statements

Opinions

We have audited the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Visit Greater Palm Springs (VGPS), as of and for the year June 30, 2024, and the related notes to the financial statements, which collectively comprise VGPS's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of VGPS, as of June 30, 2024, and the respective changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of VGPS and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

VGPS's management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about VGPS's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an

auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of VGPS's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about VGPS's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the *management's discussion and analysis, budgetary comparison information* and *pension and other post-employment benefit schedules* be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Report on Summarized Comparative Information

We have previously audited VGPS's 2023 financial statements, and we expressed unmodified audit opinions on those audited financial statements in our report dated May 31, 2024. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2023, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 6, 2025, on our consideration of VGPS's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering VGPS's internal control over financial reporting and compliance.

This discussion and analysis of Visit Greater Palm Springs (Visit GPS) financial performance for the fiscal year ended June 30, 2024 provides a comparison of the current year to prior year ending results in a narrative format. It includes an analysis of Visit GPS's financial position and results of operations to assist in evaluating the Visit GPS's financial performance, as well as a discussion of significant changes that have occurred in funding. In addition, it describes the major changes in assets and liabilities. The discussion and analysis concludes with a description of currently known facts, decisions, and conditions that are expected to have a significant effect on the financial position or results of operations. We encourage readers to read the information presented here in conjunction with our financial statements.

FINANCIAL HIGHLIGHTS

Nearly 90% of Visit GPS's revenues are based on the lodging revenues in Coachella Valley, so are intrinsically linked to overnight travel to the area. Visit GPS experienced record setting revenues in the previous two years due to pent up demand for travel caused by the COVID-19 pandemic. The current year experienced a slight decline in the desire for travel overall, however 3 of the 12 months were still record high revenues. This resulted in a mild 3.8% decrease from the record lodging revenues of the prior year.

Governmental fund expenditures increased by 25% compared to the prior year. Expenses were still less than revenues for the year despite this significant increase in spending. Combined fund net positions increased by more than $2 million.

The highlights below reflect the results of this year of stabilizing visitor travel to the area:

- Lodging related revenues decreased $1,120,268 (3.8%) due to decreased travel demand.
- Higher interest rates, larger investment balances, and rebalancing of the investment portfolio resulted in net investment income increasing $1,523,096 (369.8%) over the prior year.
- Total revenues increased $177,540 (0.6%) compared to the prior year as higher investment income more than offset declines in all other revenue sources combined resulting in the highest total revenue in the organization's history.
- The $2,705,915 (6.1%) increase in total assets was primarily the result of a $2,225,187 increase in cash and investments.
- The $1,397,331 (18.7%) increase in total liabilities was primarily the result of a $1,040,530 increase in the net pension liability.
- The net position increased from $35,952,729 to $37,548,792 during the year. This $1,596,063 (4.4%) increase resulted from record setting revenue combined with expenses less than budgeted.

USING THIS ANNUAL REPORT

This annual report consists of a series of financial statements. The Statement of Net Position and the Statement of Activities provide information about the activities of Visit GPS as a whole and presents a long-term view of the Visit GPS's finances. The following Fund financial statements for government activities presents how Visit GPS services were financed in the current year as well as what balances carry over for future spending. Fund financial statements report Visit GPS's operation in more detail than the government-wide statements by providing information about Visit GPS's General Fund and TBID funds. This report also contains notes to the financial statements, which is additional information to the basic financial statements.

REPORTING VISIT GPS AS A WHOLE

The Statement of Net Position and the Statement of Activities

The Statement of Net Position and the Statement of Activities report information as a comparison to the previous fiscal year for Visit GPS as a whole. These statements include all assets, deferred outflows of resources, liabilities, and deferred inflows of resources using the accrual basis of accounting, which is similar to the accounting used by most private-sector companies. All of the year's revenues and expenses (changes in net position) are taken into account regardless of the timing of related cash flows. Therefore, revenues and expenses are reported in this statement for some items that may result in cash flows in future fiscal periods. Our analysis of these statements is reflected in Table 1 and 2 following.

REPORTING VISIT GPS'S MOST SIGNIFICANT FUNDS

Fund Financial Statements

The fund financial statements provide detailed information about the most significant funds. Some funds are required to be established by State law and by JPA Executive Committee direction. However, management established other funds to help it control and manage money for particular purposes or to show that it is meeting legal responsibilities for using certain resources. Visit GPS maintains two governmental funds: the General Fund and TBID. The primary sources of funding are from the Tourism Business Improvement District; the history of which can be found below.

The second most significant source of funding is from Coachella Valley cities and the County of Riverside. This funding is based on a formula applied to local lodging revenues. The Agua Caliente Band of Cahuilla Indians makes a voluntary contribution on a quarterly basis.

The final source of funding is private funds. This includes revenue received through partnership, event hosting, advertising cooperatives, joint share participation with stakeholders, and interest.

Governmental funds are reported using the modified accrual basis of accounting, which measures cash and all other financial assets that can readily be converted to cash. The governmental fund statements provide a detailed short-term view of Visit GPS's general operations and the basic services provided. Governmental fund information helps determine whether there are more or fewer financial resources that can be spent in the near future to finance Visit GPS's programs.

The General Fund is comprised of public funding and private funds. The General Fund combines these two funding sources as there are not restrictions on how these funds are disbursed. TBID funds are accounted for separately and used for programs benefiting lodging establishments that are assessed and pay TBID.

2008 TBID Funds – In June 2008, Visit GPS requested that the County of Riverside form the Palm Springs Desert Resort Communities Tourism Business Improvement District (TBID). This funding source was assessed on hotels with 50 or more rooms within the defined eight cities and specified areas in the unincorporated part of the County of Riverside. An assessment of two percent on gross room sales was approved and was collected by the County of Riverside and remitted to Visit GPS.

2013 TMD Funds – The Tourism Marketing District Assessment was created in June 2013 with collection beginning on August 1, 2013. This funding source was assessed on hotels with 50 or more rooms within the defined

eight cities and specified areas in the unincorporated part of the County of Riverside. An assessment of one percent on gross room sales was collected by Visit GPS. The purpose of this funding source was to promote the assessed businesses as tourism visitor destinations and to fund projects, programs, and activities through an enhanced sales and marketing/media plan that specifically benefits the assessed businesses by generating room night sales.

2016 TBID Funds – On June 17, 2016, the Joint Powers Authority Executive Committee of Visit GPS held a public hearing and voted to establish a three percent Tourism Business Improvement District (TBID) assessment on gross short-term rental revenue to replace the current two percent Business Improvement District and the one percent Tourism Marketing District Assessment.

2021 TBID Funds - Coachella Valley vacation rental lodging owners and representatives successfully petitioned to be included in the TBID effective July 1, 2021. All vacation rentals located within the TBID boundaries began contributing 1% of gross rental revenue for short-term stays as of this date.

VISIT GPS AS A TRUSTEE

Reporting Visit GPS's Fiduciary Responsibilities

Visit GPS is the trustee, or fiduciary, for its employee pension plan and the Greater Palm Springs Tourism Foundation. The fiduciary activities are reported separately in the fiduciary fund financial statements. These activities are excluded from the other financial statements, as Visit GPS cannot use these assets to finance its operations. Visit GPS is responsible for ensuring that the assets reported in these funds are used for their intended purposes. The basic fiduciary fund financial statements follow Visit GPS financial statements in this report.

OTHER PROVIDED INFORMATION

Notes to Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found in this report immediately following the financial statements.

Required Supplementary Information

In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information concerning Visit GPS's budgetary performance of the two governmental funds. Additional information is presented concerning Visit GPS's progress toward funding its obligation to provide pension benefits to its employees. The required supplementary information can be found following the notes to the financial statements.

Current and Restricted Assets

An increase in cash and investments during the year accounted for most of the increase in current and restricted assets. This resulted from revenues exceeding the amount of expenses by $2,291,265 for the year as shown in Table 3 below.

Capital Assets

As part of Visit GPS green initiatives, three carports were erected in the office parking lot with solar panels affixed. The solar system is designed to provide 98% of the building's energy needs. The total cost of this project was $452,443. The depreciation expense for all capital assets was $166,800 for the year. Additional information regarding Visit GPS's capital assets can be found in Note 4 to the financial statements.

Current Liabilities

Visit GPS received a $1,759,375 grant from Riverside County for the Tourism Recovery Program in June 2022. $542,471 of these grant funds were expended during the current year. This reduction to liabilities was more than offset by increases in accounts payable and accrued expenses.

Long-Term Obligations

Visit GPS's largest liability, Other Post-Employment Employee Benefits (OPEB), increased by 5.6% from $3,489,295 to $3,684,551 during the year. Additional information regarding the OPEB liability can be found in Note 7 to the financial statements. Changes to the pension plan effective July 1, 2023 resulted in increasing the net pension liability from $578,421 to $1,618,951. Additional information regarding the pension plan can be found in Note 8 to the financial statements.

This table provides a comparison of the fund level activity as derived from governmental funds.

Revenue by Type

Most of the organization's revenues are tied to Coachella Valley lodging revenues. Pent-up demand for travel experienced following the COVID-19 "lockdown" resulted in record setting revenue levels in subsequent 2 years. This third year post-COVID saw demand begin to moderate. While 3 of the months were record high levels, the overall average for the year was slightly lower than the previous year.

The $7,182,006 increase in cash and investments accumulated during the previous year combined with the $2,225,187 of the current year resulted in higher invested balances. Interest rates increased during the year and the investment portfolio was rebalanced to take advantage of higher yields. The combination of these factors led to a substantial increase in investment income for the year.

Expenditure by Type

Labor costs increased from multiple factors. The high inflation at the beginning of the year led to employee merit increases averaging 5% to maintain parity with market pay rates. Several new positions were added in the previous year where only a portion of the cost was recognized as they were hired throughout the year. A full year's cost was incurred in the current year. The organization added a new position in the current year to support its expanded role in economic development. Additional funding was made to the pension plan due to the plan's increase in liabilities and to improve the funded ratio. The cost of medical insurance increased.

The budget for advertising and marketing was increased for the year given the increased availability of funds. The organization refreshed its primary marketing messaging through the development of the new "Escape Your Ordinary" branding. This led to increased production costs to create additional creative assets to support this new branding.

The group meetings market lagged the leisure travel market rebound in the first year post-pandemic. Group business started gaining momentum in the prior year which continued to build into the current year. This resulted in increased familiarization trip activity and expenses. Additional tradeshows and events were attended to capitalize on this growing demand for in-person meetings. The largest international tradeshow of the year, IPW, was held in Los Angeles this year. Given the relatively proximity, the organization added an outdoor activation at this event to provide increased exposure, presence, and networking opportunities with attendees.

Grants were paid to cities in the prior year to provide matching funds for new or revitalized assets with the goal of improving visitor experiences. These funds were redirected in the current year to support new economic development goals. This resulted in a decrease in Special Promotions expenses with increases in other areas, such as labor and professional fees.

Event hosting expenses increased from new sponsorships added during the year to increase tourism. These included sponsoring the new NCAA college basketball tournament held at Acrisure Arena and season sponsorship for the Desert International Horse Park. The use of hotel rebates was expanded to further attract group meetings.

Research expenses decreased due to studies conducted in the previous year that did not need to be repeated. This includes an airport federal customs feasibility study, an amateur sports complex study, and additional research for the short-term vacation rental market.

New firms were engaged to support vacation rentals and economic development resulting in an increase in professional fees. Firms were hired to support vacation rental compliance and provide vacation rental public relations. Other firms were hired to support creating economic development branding and assist with political advocacy.

There was only one capital project during the year. Three carports were added to the office parking lot with solar panels attached on top.

Final Analysis

The demand for leisure travel declined slightly during this year as consumer savings and stimulus money from the COVID-19 period declined. A continued slight decline in demand is forecasted. The organization's refreshing of its branding and marketing campaign is well timed to help stimulate new interest and excitement for the destination.

The group meetings market remained strong this year. The investments made in familiarization trips, event hosting, and additional tradeshow exposure is expected to continue to pay dividends with stable or slightly increasing group meetings business.

The organization has sufficient resources to continue sales and marketing efforts in the event of a more significant or prolonged downturn in the travel industry.

(1) Summary of Significant Accounting Policies

The basic financial statements of Visit Greater Palm Springs (VGPS) have been prepared in conformity with Generally Accepted Accounting Principles (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of VGPS's accounting policies are described below.

(a) Reporting Entity

The Visit Greater Palm Springs, a public entity formed under California Government Code, is comprised of various government member organizations pursuant to a Joint Powers Agreement (Agreement). The Agreement was entered into by the member organizations, February 8, 1989, to jointly encourage, promote, and enhance all aspects of the hospitality, convention and tourism industries in the Coachella Valley and to attract visitors from a world-wide market. The member organizations are currently comprised of: Cathedral City, Coachella, Desert Hot Springs, Indian Wells, Indio, La Quinta, Palm Desert, Palm Springs, Rancho Mirage, and Riverside County. Each member organization makes contributions to VGPS based on the members' transient occupancy tax, which is based on gross sales as defined in the Agreement. The Agreement provides for a two-tiered contribution system based upon transient occupancy tax reported from convention and non-convention properties within the member cities.

In November 2008, the Board of Supervisors of the County of Riverside adopted Ordinance 883 which established the Palm Springs Desert Resort Communities Tourism Business Improvement District (TBID) and the levying of annual assessments. The TBID was established to promote tourism within the desert communities and to fund related programs that will benefit the hotel and motel businesses within the desert communities. The boundaries of the TBID match the operational boundaries of VGPS.

The Tourism Marketing District Assessment (TMD) was created in June 2013 with collection beginning on August 1, 2013. This funding source was assessed on hotels in excess of 50 rooms within the defined eight cities and specified areas in the unincorporated part of the County of Riverside. An assessment of one percent on gross room sales was collected by VGPS through June 2016.

On June 17, 2016, the Joint Powers Authority Executive Committee of VGPS held a public hearing and voted to establish a three percent (3%) Tourism Business Improvement District (TBID) assessment of gross short-term rental revenue to replace the current two percent (2%) Business Improvement District and the one percent (1%) Tourism Marketing District Assessment. Coachella Valley vacation rental lodging owners and representatives successfully petitioned to be included in the TBID effective July 1, 2021. All vacation rentals located within the TBID boundaries began contributing 1% of gross rental revenue of short-term stays as of July 2021.

The Greater Palm Springs Tourism Foundation (Foundation) was established in May 2017 to provide support for diverse programming related to the hospitality, convention, and tourism industries with funds raised from individuals, businesses,

(1) Summary of Significant Accounting Policies (Continued)

organizations and other foundations. Initiatives encompass providing education and leadership training, college scholarships, and volunteer and mentor development.

The Foundation is not a component of VGPS and is reported as a custodial fund in the accompanying financial statement.

(b) Basis of Accounting and Measurement Focus

Government-Wide Financial Statements – The government-wide financial statements are prepared using the economic resources measurement focus and the accrual basis of accounting. This is the same approach used in the preparation of proprietary fund financial statements but differs from the manner in which governmental fund financial statements are prepared.

The government-wide statement of activities presents a comparison between expenses, both direct and indirect of VGPS and for each governmental function and exclude fiduciary activity. Direct expenses are those that are specifically associated with a service, program, or department and are therefore, clearly identifiable to a particular function. Program revenues include charges paid by the recipients of the goods or services offered by the programs and grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Revenues that are not classified as program revenues are presented as general revenues. The comparison of program revenues and expenses identifies the extent to which each program or business segment is self-financing or draws from the general revenues of VGPS. Eliminations have been made to minimize the double counting of internal activities.

Net position is reported as restricted when constraints placed on net position use are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments or imposed by law through constitutional provisions or enabling legislation. The net position restricted for other activities result from special revenue funds and the restrictions on their net position use.

Fund Financial Statements – Fund financial statements report detailed information about VGPS, including fiduciary funds. Each fund is presented in a separate column and the total governmental activities represent a consolidation of all governmental funds.

Governmental Funds – All governmental funds are accounted for using the flow of current financial resources measurement focus and the modified accrual basis of accounting. With this measurement focus, only current assets and current liabilities generally are included on the balance sheet. The statement of revenues, expenditures, and changes in fund balances reports on the sources (revenues and other financing sources) and uses (expenditures and other financing uses) of current financial resources. This approach differs from the manner in which the governmental activities of the government-wide financial statements are prepared. Governmental fund financial statements, therefore,

(1) Summary of Significant Accounting Policies (Continued)

include reconciliations with brief explanations to better identify the relationship between the government-wide financial statements, prepared using the economic resources measurement focus and the accrual basis of accounting, and the governmental fund financial statements, prepared using the flow of current financial resources measurement focus and the modified accrual basis of accounting.

Fiduciary Funds – Fiduciary funds are accounted for using the flow of economic resources measurement focus and the accrual basis of accounting. Fiduciary funds are excluded from the government-wide financial statements because they do not represent resources of VGPS.

Revenues – Revenue resulting from exchange transactions, in which each party gives and receives essentially equal value, is recorded on the accrual basis when the exchange takes place. On a modified accrual basis, revenue is recorded in the fiscal year in which the resources are measurable and become available. Available means that the resources will be collected within the current fiscal year or are expected to be collected soon enough thereafter, to be used to pay liabilities of the current fiscal year. Generally, available is defined as collectible within 120 days.

Expenses/Expenditures – On the accrual basis of accounting, expenses are recognized at the time they are incurred. The measurement focus of governmental fund accounting is on decreases in net financial resources (expenditures) rather than expenses. Expenditures are generally recognized in the accounting period in which the related fund liability is incurred, if measurable, and typically paid within 90 days. Principal and interest on long- term obligations, which has not matured, are recognized when paid in the governmental funds as expenditures. Allocations of costs, such as depreciation and amortization, are not recognized in the governmental funds but are recognized in the entity-wide statements.

In the fund financial statements, governmental funds are presented using the *current financial resources measurement focus*. This means that only current assets and current liabilities are generally included on their balance sheets. The reported fund balance (net current assets) is considered to be a measure of "available spendable resources." Governmental fund operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets. Accordingly, they are said to present a summary of sources and uses of "available spendable resources" during a period.

Non-current portions of long-term receivables due to governmental funds are reported on their balance sheets in spite of their spending measurement focus. Special reporting treatments are used to indicate; however, that they should not be considered "available spendable resources," since they do not represent net current assets.

Due to the nature of their spending measurement focus, expenditure recognition for governmental fund types excludes amounts represented by noncurrent liabilities. Since they do not affect net current assets, such long-term amounts are not recognized as governmental fund type expenditures or fund liabilities.

(1) Summary of Significant Accounting Policies (Continued)

When both restricted and unrestricted resources are combined in a fund, expenditures are considered to be paid first from restricted resources, and then from unrestricted resources.

(c) Fund Classifications

The accounting system is organized and operated on a fund basis. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations. VGPS's funds are grouped into two fund categories: governmental and fiduciary.

Governmental Funds – Governmental funds are those through which most governmental functions typically are financed. Governmental fund reporting focuses on the sources, uses, and balances of current financial resources. Expendable assets are assigned to the various governmental funds according to the purposes for which they may or must be used. Current liabilities are assigned to the fund from which they will be paid. The difference between governmental fund assets and liabilities is reported as fund balance. The following are VGPS's major governmental funds:

General Fund – The General Fund is the chief operating fund for all governmental entities. It is used to account for the ordinary operations of VGPS. The primary revenue sources are the city/county funding and member dues. All transactions except those accounted for in another fund are accounted for in this fund.

Tourism Business Improvement District (TBID) Fund – This Special Revenue Fund is used to account for all financial activities associated with the collection of the assessments and the use of such assessments as outlined in the TBID Agreement.

Fiduciary Funds – Fiduciary funds are used to account for assets held in trustee or agent capacity for others that cannot be used to support VGPS's own programs.

Defined Benefit Pension Plan Trust Fund – This fund is used to account for the activities of the Visit Greater Palm Springs Defined Benefit Trust, which accumulates resources for pension benefit payments to qualified VGPS employees.

Tourism Foundation Custodial Fund – This fund is used to account for the assets held by the Tourism Foundation fund which VGPS has fiduciary responsibility.

(d) Cash and Cash Equivalents

All cash and investments are held in VGPS's cash management pool. VGPS considers all highly liquid investments with a maturity of three months or less to be cash equivalents. Therefore, for purposes of the statement of cash flows, VGPS

(1) Summary of Significant Accounting Policies (Continued)

considers the entire pooled cash and investment balance to be cash and cash equivalents.

(e) Fair Value

VGPS categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles.

In determining fair value, VGPS's custodians use various methods including market and income approaches. Based on these approaches, VGPS's custodians utilize certain assumptions that market participants would use in pricing the asset or liability. VGPS's custodians utilize valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs.

Various inputs are used in determining the value of VGPS's investments and other financial instruments. The inputs or methodology used for valuing securities are not necessarily an indication of the risk associated with investing in those securities. These inputs are summarized in the three broad levels: Level 1 – quoted prices in active markets for identical investments, Level 2 – other significant observable inputs (including quoted prices for similar securities, interest rates, prepayment speeds, credit risk, etc.) and Level 3 – significant unobservable inputs (including VGPS's own assumptions in determining the fair value of instruments).

(f) Investments

Investments are reported at fair value, which is the amount at which financial instruments could be exchanged in a current transaction between willing parties. Investments are measured at fair value on a recurring basis. Recurring fair value measurements are those that Governmental Accounting Standards Board (GASB) Statements require or permit in the statement of net position at the end of each reporting period.

(g) Prepaid Items

Prepaid items represent amounts paid in advance of receiving goods or services.

(h) Stores Inventories

Stores inventories consist of expendable supplies held for consumption and recorded as an expense when used rather than when purchased. Inventories are stated at cost and are tracked monthly by VGPS.

(1) Summary of Significant Accounting Policies (Continued)

(i) Capital Assets

The accounting and reporting treatment applied to the capital assets associated with a fund are determined by its measurement focus. Capital assets are long-lived assets of VGPS. VGPS maintains a capitalization threshold of $5,000 for tangible assets and $50,000 for intangible assets. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend an asset's life are not capitalized but are expensed as incurred.

When purchased, assets are recorded as expenditures in the governmental funds and capitalized in the government-wide statement of net position. The valuation basis for capital assets is historical cost, or where historical cost is not available, estimated historical cost based on replacement cost. Donated capital assets are recorded at acquisition value.

Depreciation is calculated on the straight-line method over the following estimated useful lives of the assets:

Buildings	20 - 40 years
Improvements	15 - 20 years
Equipment	3 - 10 years
Furniture	7 years
Vehicles	5 years
Intangible Subscription-based IT asset	5 years

(j) Interfund Activity

Interfund transfers and interfund receivables and payables are eliminated during the consolidation process in the entity-wide financial statements.

(k) Compensated Absences

Compensated absences are accrued as a liability as the benefits are earned. The entire compensated absence liability is reported on the government-wide statement of net position. For governmental funds, the current portion of unpaid compensated absences is recognized upon the occurrence of relevant events such as employee resignations and retirements that occur prior to year-end that have not yet been paid with expendable available financial resources. These amounts are reported in the fund from which the employees who have accumulated leave are paid.

(l) Subscription-Based Information Technology (IT) Arrangements

VGPS is a participant in subscription-based IT arrangements as detailed in Footnote 5. VGPS recognizes a subscription-based IT payable and right-to-use IT asset in the financial statements.

(1) Summary of Significant Accounting Policies (Continued)

At the commencement of the arrangement, VGPS initially measures the payable at the present value of payments expected to be paid during the arrangement term. Subsequently, the payable is reduced by the principal portion of payments made. The right to use assets are initially measured at the initial amount of the subscription-based IT payable. Subsequently, the right to use assets are amortized over the life of the arrangement term.

(m) Pensions

For purposes of measuring the net pension liability and deferred outflows/inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Visit Greater Palm Springs Defined Benefit Pension Plan and additions to/deductions from the Plan's fiduciary net position have been determined on the same basis as they are reported by the actuary. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

The following timeframes are used for pension reporting:

Valuation Date	June 30, 2024
Measurement Date	June 30, 2024
Measurement Period	July 1, 2023 to June 30, 2024

(n) Other Post-Employment Benefits

For purposes of measuring the total OPEB liability, deferred outflows of resources and deferred inflows of resources related to OPEB, and OPEB expense, and information about the plan (OPEB Plan), have been determined by an independent actuary. For this purpose, benefit payments are recognized when currently due and payable in accordance with the benefit terms.

Generally accepted accounting principles require that the reported results must pertain to the liability information within certain defined timeframes. For this report, the following timeframes are used:

Valuation Date	June 30, 2023
Measurement Date	June 30, 2023
Measurement Period	July 1, 2021 to June 30, 2023

(1) Summary of Significant Accounting Policies (Continued)

(o) Deferred Outflows/Inflows of Resources

In addition to assets, the Statement of Net Position reports a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net assets that applies to a future period and so will not be recognized as an outflow of resources (expense) until then. VGPS has two items that qualify for reporting in this category, deferred outflows related to pensions and OPEB.

In addition to liabilities, the Statement of Net Position reports a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net assets that applies to a future period and will not be recognized as an inflow (revenue) until that time. VGPS has two items that qualify for reporting in this category, deferred inflow related to pensions and OPEB.

(p) Fund Balance

Fund balances are reported in the fund statements in the following classifications:

Nonspendable Fund Balance – this includes amounts that cannot be spent because they are either not spendable in form (such as inventory) or legally or contractually required to be maintained intact (such as endowments).

Restricted Fund Balance – this includes amounts that can be spent only for specific purposes stipulated by legal requirements imposed by other governments, external resource providers, or creditors. Board of Directors imposed restrictions do not create restricted fund balance unless the legal document that initially authorized the revenue (associated with that portion of fund balance) also included language that justify the limited use for which the authorized revenues were to be expended.

Committed Fund Balance – this includes amounts that can only be used for specific purposes pursuant to constraints imposed by formal action of the Board of Directors. Those committed amounts cannot be used for any other purpose unless the Board removes or changes the specified use by taking the same type of action (for example, resolution, ordinance, minutes action, etc.) that it employed to previously commit those amounts. If the Board action that limits the use of the funds was separate from the action that initially created the revenues that form the basis for the fund balance, then the resulting fund balance is considered to be committed, not restricted.

VGPS considers a resolution to constitute a formal action of the Board of Directors for the purposes of establishing committed fund balance.

(1) Summary of Significant Accounting Policies (Continued)

Assigned Fund Balance – this includes amounts that are intended to be used for specific purposes as indicated either by the Board of Directors or by persons to whom the Board has delegated the authority to assign amounts for specific purposes.

Unassigned Fund Balance – this includes the remaining spendable amounts which are not included in one of the other classifications.

It is VGPS's policy that restricted resources will be applied first, followed by (in order of application) committed, assigned, and unassigned resources, in the absence of a formal policy adopted by the Board of Directors.

(q) Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

(r) Comparative Information

Selected information regarding the prior year has been included in the accompanying financial statements. This information has been included for comparison purposes only and does not represent a complete presentation in accordance with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the government's prior year financial statements, from which selected financial data was derived. VGPS has reclassified certain prior year information to conform with current year presentations.

(2) Cash and Investments

Cash and investments are classified in the accompanying financial statements as follows:

Statement of Net Position	
Cash and investments	$ 38,970,368
Restricted cash and investments	491,638
Statement of Fiduciary Net Position	
Cash and investments	11,034,338
Total cash and investments	$ 50,496,344

Cash and investments as of June 30, 2024, consist of the following:

Cash on hand and in banks	7,827,723
Investments	42,668,621
Total cash and investments	$ 50,496,344

Disclosures Relating to Interest Rate Risk

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment the greater the sensitivity of its fair value to changes in market interest rates. One of the ways that VGPS manages its exposure to interest rate risk is by purchasing a combination of shorter term and longer-term investments and by timing cash flows from maturities so that a portion of the portfolio is maturing or coming close to maturity evenly over time as necessary to provide the cash flow and liquidity needed for operations.

Information about the sensitivity of the fair values of VGPS's investments to market interest rate fluctuations are provided by the following table that shows the distribution of VGPS's investments by maturity as of June 30, 2024.

Investment Type	Fair Value	12 Months Or Less
State Investment Pool (LAIF)	$ 2,836,008	2,836,008
CalTrust Pooled Investment Fund	20,243,106	20,243,106
Certificates of Deposit	9,360,481	9,360,481
Restricted Investments:

Alternative hedge funds	394,072	394,072
Total	$ 42,668,621	42,668,621

VGPS holds zero-coupon U.S. Treasury Strips in the amount of $1,381,310 whose fair value is highly sensitive to interest rate changes.

Credit Risk

Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization.

Presented below is the minimum rating required by (where applicable) the California Government Code or VGPS's Investment Policy, or debt agreements, and the S&P ratings as of June 30, 2024, for each investment type.

(2) Cash and Investments (Continued)

VGPS's rating as of the year ended June 30, 2024, for each investment type are as follows:

Investment Type	Total	Minimum Legal Rating	Not Rated

Custodial Credit Risk

Custodial credit risk for *deposits* is the risk that, in the event of failure of a depository financial institution, a government will not be able to recover its deposits or will not be able to recover collateral securities that are in the possession of an outside party. The custodial credit risk for *investments* is the risk that, in the event of the failure of the counterparty (e.g., broker-dealer) to a transaction, a government will not be able to recover the value of its investment or collateral securities that are in possession of another party. The California Government Code and VGPS's investment policy do not contain legal or policy requirements that would limit the exposure to custodial credit risk for deposits or investments, other than the following provision for deposits: The California Government Code requires that a financial institution secure deposits made by state or local governmental units by pledging securities in an undivided collateral pool held by a depository regulated under state law (unless so waived by the governmental unit). The fair value of the pledged securities in the collateral pool must equal at least 110 percent of the total amount deposited by the public agencies.

California law also allows financial institutions to secure deposits by pledging first trust deed mortgage notes having a value of 150 percent of the secured deposits.

Investment Pools

Local Agency Investment Fund (LAIF) – VGPS is a voluntary participant in the Local Agency Investment Fund (LAIF) that is regulated by California Government Code Section 16429 under

(2) Cash and Investments (Continued)

the oversight of the Treasurer of the State of California. The fair value of VGPS's investment in the Pool is reported in the accompanying financial statement at amounts based upon VGPS's

pro-rata share of the fair value provided by LAIF for the entire LAIF portfolio (in relation to the amortized cost of that portfolio). The balance available for withdrawal is based on the accounting records maintained by LAIF, which is recorded on the amortized cost basis. LAIF is not registered with the Securities and Exchange Commission and is not rated.

Investment Trust of California (CalTrust) – VGPS is a voluntary participant in the Investment Trust of California (CalTrust). Organized as a Joint Powers Authority (JPA), CalTrust is a program established by public agencies in California for the purpose of pooling and investing local agency funds. A Board of Trustees supervises and administers the investment program of the Trust. CalTrust invests in fixed income securities eligible for investment pursuant to California Government Code Sections 53601, et. Seq. and 53635, et. Seq. VGPS reports its investment in CalTrust at the fair value amount provided by CalTrust, which is the same as the value of the pool shares.

Fair Value Measurement

VGPS categorizes its fair value investments within the fair value hierarchy established by generally accepted accounting principles. VGPS has the following recurring fair value measurements as of June 30, 2024:

	Fair Value Hierarchy			
Investment Type	Level 1	Level 2	Level 3	Total
Restricted Investments:				
Equity securities	$ 211,694	-	-	211,694

(5) Leases

On September 1, 2003, VGPS entered into a 55–year operating lease with the Rancho Mirage Redevelopment Agency for land use. Lease payments are $1 per year. VGPS receives the right to use and make improvements to the land as set forth in the terms of the agreement.

(6) Long-Term Liabilities

The change in long-term liabilities during the year were as follows:

	Balance at July 1, 2023	Additions	Deletions	Balance at June 30, 2024	Due in One Year
Compensated absences	$ 531,079	400,893	(346,507)	585,465	217,785

Total	$ 635,070	400,893	(368,355)	667,608	241,490

Subscription-Based Information Technology (IT) Arrangements Payable

VGPS has entered into a subscription-based IT arrangement and is required to make annual principal and interest payments over the subscription term. As of June 30, 2024, the value of the subscription liability was $82,143. The future principal and interest lease payments as of June 30, 2024, are as follows:

Year	Principal	Interest	Total
2025	$ 23,705	6,982	30,687
2026	27,255	4,967	32,222
2027	31,183	2,651	33,834
Total	$ 82,143	14,600	96,743

(7) Other Post-Employment Benefits (OPEB)

Plan Description

VGPS's defined benefit OPEB plan (Plan) provides healthcare benefits to eligible retirees. VGPS sponsors healthcare coverage under the California Public Employees Medical and Hospital Care Act (PEMHCA), commonly referred to as PERS Health. PEMHCA provides health insurance through a variety of Health Maintenance Organization (HMO) and Preferred Provider Organization (PPO) options.

The Visit Greater Palm Springs Retiree Healthcare Plan is a single-employer defined benefit healthcare plan administered by VGPS which provides healthcare benefits to eligible retirees and their spouses in accordance with benefit provisions, which are established and may be amended by VGPS. Assets are accumulated in a trust; however, the trust does not meet the criteria in paragraph 4 of Statement 75. As a result, the trust assets are reported in the General Fund as restricted cash and investments.

Benefits Provided

Employees who have obtained age 55, have at least 10 years of service, and participate in the Greater Palm Springs Defined Benefit Pension Plan are eligible for a VGPS-paid contribution. VGPS contributes towards individual medical, dental and vision policies for qualified retirees up to Medicare eligibility. Once a retiree is Medicare eligible, VGPS will pay a Medicare supplemental plan and Medicare Part D. The monthly contribution is 50% of the total premium (medical, dental, and vision) for those with 10 years of service, increasing by increments of 5% per each additional year of service, until 20 years, where the contribution is 100%. Spouse benefits are available. In addition, VGPS contributes the PEMHCA administrative fee. VGPS-paid benefits are provided for the lifetime of the retiree.

Plan Membership

At July 1, 2023 (valuation date), membership consisted of the following:

Active members	23
Inactive plan members or beneficiaries currently receiving benefit payments	8
Total plan members	31

Contributions

The contribution requirements of the plan members and VGPS are established by and may be amended by VGPS. VGPS funds the plan benefits on a pay-as-you-go basis. Participants are required to contribute to the cost of benefits under the plan. VGPS pays 50% of the benefit premium as a base contribution plus an additional five percent of the benefit premium for each full year of continuous paid service with VGPS in excess of 10 years of service.

GASB requires governments to account for other post-employment benefits (OPEB) on an accrual basis, rather than a pay-as-you-go basis. The effect is the recognition of an actuarially

(7) Other Post-Employment Benefits (OPEB) (Continued)

determined expense when a future retiree earns their post-employment benefits, rather than when they use their post-employment benefits.

Total OPEB Liability

VGPS's total OPEB liability was measured as of June 30, 2023, and was determined by an actuarial valuation as of June 30, 2023.

Changes in the total OPEB Liability were as follows:

	Total OPEB Liability
Balance at June 30, 2022	$ 3,489,295
Changes recognized for the measurement period:	
Service cost	301,706
Interest	138,554
Differences between actual and expected experience	(97,595)
Changes of assumptions	(74,428)
Benefit payments	(72,981)
Net Changes	195,256
Balance at June 30, 2023 *(Measurement Date June 30, 2023)*	$ 3,684,551

Actuarial Assumptions

The Total OPEB liability was determined using the following actuarial assumptions, applied to all periods included in the measurement, unless otherwise specified:

Actuarial Cost Method	Entry Age, Level Percent of Pay
Actuarial Assumptions:	
Salary increases	2.80 percent
Inflation rate	2.30 percent
Discount rate	3.86 percent
Healthcare cost trend rate	5.50 percent for 2023 through 2034; 4.50 percent for 2035 through 2074; and 4.00 percent for 2075 and later years

Pre-retirement mortality rates were based on the CalPERS Public Agency Miscellaneous and Schools Pre-Retirement Mortality, with fully generational mortality improvement using 80% of MP-2020. Post-retirement mortality rates were based on the CalPERS Public Agency Post-Retirement Morality with fully generational mortality improvement using 80% of MP-2020 (2021 CalPERS Experience Study).

Actuarial assumptions used in the June 30, 2023, valuation were based on a review of Plan experience during the period of July 1, 2021 to June 30, 2023.

(7) Other Post-Employment Benefits (OPEB) (Continued)

Discount Rate

GASB requires a discount rate that reflects the following:

a) The long-term expected rate of return on OPEB plan investments – to the extent that the OPEB plan's fiduciary net position (if any) is projected to be enough to make projected benefit payments and assets are expected to be invested using a strategy to achieve that return;

b) A yield or index rate for 20-year, tax-exempt general obligation municipal bonds with an average rating of AA/Aa or higher – to the extent that the conditions in (a) are not met.

To determine a resulting single (blended) rate, the amount of the plan's projected fiduciary net position (if any) and the amount of projected benefit payments is compared in each period of projected benefit payments. The discount rate used to measure the VGPS's Total OPEB liability is based on these requirements and the following information:

Reporting Date	Measurement Date	Long-Term Expected Return on Plan Investments (if any)	Fidelity GO AA 20 Years Municipal Index	Discount Rate
June 30, 2024	June 30, 2023	4.00%	3.86%	3.86%

Sensitivity of the Total OPEB liability to changes in the discount rate

The following presents the Total OPEB liability, as well as what the Total OPEB liability would be if it were calculated using a discount rate that is 1-percentage point lower or 1-percentage-point higher than the current discount rate:

	1% Decrease (2.86%)	Discount Rate (3.86%)	1% Increase (4.86%)
Total OPEB Liability	$ 4,222,754	3,684,551	3,245,280

Sensitivity of the Total OPEB liability to changes in the healthcare cost trend rates

The following presents the Total OPEB liability, as well as what the Total OPEB liability would be if it were calculated using a discount rate that 1-percentage point lower or 1-percentage-point higher than the current discount rate:

	1% Decrease (4.50% current, 3.00% ultimate, 3.00% Medicare)	Trend Rate (5.50% current, 4.00% ultimate, 4.00% Medicare)	1% Increase (6.50% current, 5.00% ultimate, 5.00% Medicare)
Total OPEB Liability	$ 3,190,566	3,684,551	4,298,779

(7) Other Post-Employment Benefits (OPEB) (Continued)

Amortization of Deferred Outflows and Deferred Inflows of Resources

Under GASB 75, actuarial gains and losses related to changes in total OPEB liability are recognized in OPEB expense systematically over time.

The first amortized amounts are recognized in OPEB expense for the year the gain or loss occurs. The remaining amounts are categorized as deferred outflows and deferred inflows of resources related to OPEB and are to be recognized in future OPEB expense.

The amortization period differs depending on the source of the gain or loss:

Net difference between projected and actual earnings	5-year straight-line amortization
All other amounts	Straight-line amortization over the average expected remaining service lives of all members that are provided with benefits (active, inactive, and retired) as of the beginning of the measurement period.

Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

VGPS's OPEB expense was $(85,855) for the fiscal year ended June 30, 2024. As of fiscal year ended June 30, 2024, VGPS's deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources are:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Contributions subsequent to the measurement period	$ 50,982	-
Differences between expected and actual experience	-	(299,969)
Changes in assumptions	134,471	(559,887)
Total	$ 185,453	(859,856)

The $50,982 reported as deferred outflows of resources related to contributions subsequent to the June 30, 2023, measurement date will be recognized as a reduction of the total OPEB liability during the fiscal year ending June 30, 2025. Other amounts reported as deferred outflows of resources related to OPEB will be recognized as expense as follow:

Fiscal Year Ended June 30:	Deferred Outflows/(Inflows) of Resources
2025	$ (416,891)
2026	(256,489)
2027	(40,006)
2028	(11,999)

(8) Defined Benefit Pension Plan

General Information about the Pension Plans

Plan Description

VGPS sponsors a defined benefit pension plan, the Visit Greater Palm Springs Defined Benefit Trust (the Trust), a single-employer plan, which provides retirement benefits to plan members and beneficiaries. The Plan is authorized under Section 31694(a) of the California Government

Code for the sole purpose of providing funding for eligible employees. Eligible employees must be 21 years of age, have worked at least one plan year (July through June), and worked over 1,000 hours during a plan year. The plan calls for benefits to be paid to eligible employees at retirement, based primarily upon years of service with VGPS and compensation rates near retirement.

Benefits Provided

VGPS provides retirement benefits to plan members. Benefits are based on years of credited service, equal to one year of full time employment with the retirement formula of 2.0% at 62 for existing "classic" members and 2.0% at 62 for "new" members. The cost of living adjustments for the plan are applied as specified by the Public Employees' Retirement Law.

The Plan's provisions and benefits in effect at June 30, 2024 are summarized as follows:

Hire Date	Classic - Prior to January 1, 2013	New - On or after January 1, 2013
Benefit formula	2% @ 62	2% @ 62
Benefit vesting schedule	5 years of service	5 years of service
Benefit payments	monthly for life	monthly for life
Retirement age	57-62	52-67
Monthly benefits, as a % of eligible compensation	1.5-2.0%	1.0-2.5%

Members covered by Benefit Terms

At June 30, 2024 (Valuation Date), the following members were covered by the benefit terms:

Inactive employees or beneficiaries currently receiving benefits	11
Inactive employees entitled to but not yet receiving benefits	11
Active employees	22
Total	44

(8) Defined Benefit Pension Plan (Continued)

Actuarial Methods and Assumptions Used to Determine Total Pension Liability

The June 30, 2024, pension liability was based on the following actuarial methods and assumptions.

Valuation Date	June 30, 2024
Measurement Date	June 30, 2024
Actuarial Cost Method	Entry-Age, Level Percent of Pay
Actuarial Assumptions:	
Discount Rate	6.00%
Inflation	2.50%
Payroll Growth	2.80%
Investment Rate of Return	6.00%

The mortality table used was developed based on CalPERS specific data. The probabilities of mortality are based on the 2021 CalPERS Experience Study. For more details on this table, please refer to the CalPERS Experience Study and Review of Actuarial Assumptions report from 2021 that can be found on the CalPERS website.

Discount Rate

The discount rate used to measure the total pension liability was 6.00 percent. The projection of cash flows used to determine the discount rate assumed that employee contributions will be made at the current contribution rate and that VGPS's contributions will be made at rates equal to the difference between actuarially determined contribution rates and the employee rate. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

In determining the long-term expected 6.00 percent rate of return on pension plan investments, VGPS considered both the short and long-term market return expectations as well as the expected pension fund cash flows. Such cash flows were developed assuming that both members and employers will make their required contributions on time and as scheduled in all future years. Using historical returns of all the pension funds' asset classes, expected compound (geometric) returns were calculated over the short-term (first 10 years) and the long-term (11-60 years) using a building-block approach. Using the expected nominal returns for both short-term and long-term, the present value of benefits was calculated for each fund.

The expected rate of return was set by calculating the single equivalent expected return that arrived at the same present value of benefits for cash flows as the one calculated using both short-term and long-term returns. The expected rate of return was then set equivalent to the single equivalent rate calculated above and rounded down to the nearest on quarter of one percent.

(8) Defined Benefit Pension Plan (Continued)

The table below reflects the long-term expected rate of return by asset class. The rate of return was calculated using the capital market assumptions applied to determine the discount rate and asset allocation.

Asset Class	Asset Allocation	Real Rate of Return
Small Cap	5%	4.6%
Large Cap	30%	4.1%
U.S. Fixed	50%	1.5%
Developed Non-U.S. Equity	10%	5.2%
Emerging Market Equity	5%	5.9%
Total	100%	

Changes in the Net Pension Liability

The changes in the net pension liability are as follows:

	Increase (Decrease)		
	Total Pension Liability (a)	Plan Fiduciary Net Position (b)	Net Pension Liability/(asset) (c) = (a) - (b)
Balance at June 30, 2023	$ 8,820,577	8,242,156	578,421

Amortization of Deferred Outflows and Deferred Inflows of Resources

Under GASB 68, actuarial gains and losses related to changes in total pension liability and fiduciary net pension are recognized in pension expense systematically over time.

The first amortized amounts are recognized in pension expense for the year the gain or loss occurs. The remaining amounts are categorized as deferred outflows and deferred inflows of resources related to pensions and are to be recognized in future pension expense.

The amortization period differs depending on the source of the gain or loss:

Net difference between projected and actual earnings	5-year straight-line amortization
All other amounts	Straight-line amortization over the average expected remaining service lives of all members that are provided with benefits (active, inactive, and retired) as of the beginning of the measurement period.

Deferred outflows of resources and deferred inflows of resources relating to Differences Between Expected and Actual Experience, Changes of Assumptions and employer-specific amounts are amortized over the Expected Average Remaining Service Lifetime (EARSL) of members provided with pensions through the Plan. The EARSL for the Plan for the measurement date ending June 30, 2024, is 7 years.

Pension Expense and Deferred Outflows and Deferred Inflows of Resources Related to Pensions

For the year ended June 30, 2024, VGPS recognized a pension expense of $2,347,185 for the Plan. As of June 30, 2024, VGPS reports deferred outflows of resources and deferred inflows of resources related to pensions as follows:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	$ 520,900	(166,843)
Change in assumptions	29,568	-
Net differences between projected and actual earnings on plan investments	-	(23,794)
Total	$ 550,468	(190,637)

(8) Defined Benefit Pension Plan (Continued)

Amounts reported as deferred outflows and deferred inflows of resources in the previous chart will be recognized in future pension expense as follows:

Fiscal Year Ending June 30	Deferred Outflows/(Inflows) of Resources
2025	$ 96,129
2026	285,986
2027	10,159

(9) Defined Contribution Supplemental Post-Employment Compensation Plan – 401(a) Directors Plan

Plan Description

Effective July 1, 2023, VGPS created a defined contribution plan for employees who are both participants in the Defined Benefit Pension Plan and receive compensation–in excess of the IRS pension plan compensation limits or California Governmental Pension regulations. Contributions to the plan are 100% funded by VGPS. Eligible employees can direct contributions into either a Retiree Health Savings Plan or the 401(a) Directors Plan. The benefit contribution rate is determined by VGPS annually. The plan's initial contributions were calculated retroactively for compensation earned from July 1, 2019, to June 30, 2020. For the fiscal year ended June 30, 2024, VGPS made contributions for eligible employees totaling $99,719.

(10) Risk Management

VGPS is exposed to various risks of loss related to torts, theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. VGPS has purchased outside insurance coverage at the following amounts:

- General Aggregate coverage up to $4,000,000 per loss.
- Employment Practices Liability coverage up to $2,000,000 per loss.
- Workers' Compensation coverage up to $1,000,000 per occurrence. The States covered are California, Kansas, Washington D.C., New York, South Carolina, Virginia, and Pennsylvania.
- Business Auto coverage up to $1,000,000 per occurrence.
- Crime and Cyber coverage up to $1,000,000 per occurrence.
- General Liability coverage up to $4,000,000 in General Aggregate and Products/Complete Operations Aggregate, $1,000,000 in damages to premises rented to VGPS, and $10,000 in Medical Expenses – Any One Person.

(10) Risk Management (Continued)

- Commercial Property Insurance for VGPS's real property up to $7,797,400 and business personal property up to $677,200.

Settled claims have not exceeded any of the coverage amounts in any of the last three fiscal years, and there were no reductions in VGPS's insurance coverage during the year ending June 30, 2024. Liabilities are recorded when it is probable that a loss has been incurred, and the amount of the loss can be reasonably estimated net of the respective insurance coverage.

(11) Related Party Transactions

Due to the nature of the organization, it is not uncommon for VGPS to have business transactions with companies that are owned by members of the Board of Directors of VGPS. The total related party transactions for the fiscal year ended June 30, 2024, were $197,698. The transactions included $145,081 paid for limousine services, $52,617 paid for food services and other smaller transactions.

Changes in Assumptions: GASB 68, paragraph 68 states that the long-term expected rate of return should be determined net of pension plan investment expense but without reduction for pension plan administrative expense. The discount rate of 7.50% used for the June 30, 2014 measurement date was net of administrative expenses. The discount rate of 7.65% used for the June 30, 2015 measurement period is without reduction of pension plan administration expense.

In 2018, The discount rate reduced from 7.00% to 6.00%.

(1) Budgets and Budgetary Data

VGPS is only required to adopt an annual budget for the General Fund and the TBID special revenue fund. These budgets are presented on the modified accrual basis of accounting which is consistent with generally accepted accounting principles (GAAP).

Once the budgets are approved, they can be amended by approval of VGPS Governing Board.

The appropriated budget is prepared by fund and department. VGPS's President may make transfers of appropriations between accounts and departments. Transfers of appropriations between funds requires the approval of a majority of the Board of Directors. The legal level of budgetary control (i.e., the level at which expenditures may not legally exceed appropriations) is at the fund level.

A comparison of budget and actual has been presented for the General Fund and the TBID special revenue fund used by VGPS. With respect to revenues, a favorable variance indicates actual revenues received exceeded the legally adopted budget and an unfavorable variance indicates that actual revenues received were less than the amount budgeted. With respect to expenditures, a favorable variance indicates actual costs were less than the amount budgeted and an unfavorable variance indicates actual expenditures exceeded the legally adopted budget.

RESOLUTION NO. JPA 2025-003

A RESOLUTION OF THE JOINT POWERS AUTHORITY ("JPA") EXECUTIVE COMMITTEE OF VISIT GREATER PALM SPRINGS APPOINTING BRIAN KELTY AS THE TREASURER AND AUDITOR OF THE JPA

WHEREAS, Visit Greater Palm Springs ("VGPS") is a joint powers authority ("JPA") operating under the Joint Exercise of Powers Act (California Government Code Section 6500 et seq.), located in the County of Riverside, State of California; and

WHEREAS, the VGPS members ("VGPS Members") include the cities of Cathedral City, Coachella, Desert Hot Springs, Indian Wells, Indio, La Quinta, Palm Desert, Palm Springs, and Rancho Mirage, and the County of Riverside; and

WHEREAS, the purpose of VGPS is to encourage, promote, and to do such other things as might be necessary to enhance, to the greatest extent possible, all aspects of the hospitality, convention and tourism industry in the Coachella Valley and to attract visitors from national and international markets, all to the benefit of the VGPS Members and their constituents; and

WHEREAS, pursuant to section 18 of the Joint Powers Agreement, dated January 20, 2016, the JPA Executive Committee shall designate by resolution an officer or employee of the JPA to fill the functions of Treasurer and Auditor of the JPA; and

WHEREAS, the duties and responsibilities of the Treasurer and Auditor are set forth in sections 19 and 21 of the Joint Powers Agreement, respectively, and incorporated herein by this reference; and

WHEREAS, the JPA Executive Committee has determined that Brian Kelty is qualified to serve as the JPA's Treasurer and Auditor; and

WHEREAS, in accordance with Government Code §6505.6, the JPA Executive Committee desires to appoint Brian Kelty as Treasurer and Auditor of the JPA.

NOW, THEREFORE, BE IT RESOLVED by the JPA Executive Committee, the governing body of Visit Greater Palm Springs, as follows:

Section 1. RECITALS

That the above recitals are true and correct and are hereby incorporated herein by this reference.

Section 2. APPOINTMENT OF TREASURER AND AUDITOR OF THE JPA

That Brian Kelty is hereby appointed the Treasurer and Auditor of the JPA.

Section 3. SEVERABILITY

That the JPA Executive Committee declares that, should any provision, section, paragraph, sentence or word of this Resolution be rendered or declared invalid by any final court action in a court of competent jurisdiction or by reason of any preemptive legislations, the remaining provisions, sections, paragraphs, sentences or words of this Resolution as hereby adopted shall remain in full force and effect.

Section 4. REPEAL OF CONFLICTING PROVISIONS

That all provisions of any prior resolutions that are in conflict with the provisions of this Resolution are hereby repealed.

Section 5. EFFECTIVE DATE

That this Resolution shall take effect immediately upon its adoption.

Section 6. CERTIFICATION

That the Clerk of the Executive Committee shall certify the roll call vote adopting this Resolution.

PASSED, APPROVED AND ADOPTED at a regular meeting of the JPA Executive Committee of Visit Greater Palm Springs held on the 4th day of April, 2025, by the following vote:

* Notes for Budget Variances > $100k

TBID - Hotels
- January LA fires displacement increased occupancy.

TBID - Vacation Rentals revenue
- This is a timing variance. The cities are providing TBID collection data sooner than in prior years.

Joint Share Partnerships
- Includes $200k from the City of Rancho Mirage for the 'Live with Kelly & Mark' show.

Grants
- Received annual grant from Visit CA earlier than expected & received an additional Visit CA grant.

Net Investment Income
- Invested balances and interest rates were both higher than projected.

Marketing Production
- Minimal production costs were required for Fall & Winter TV Co-ops.
- New visual assets were not needed for leisure, meetings, or pillar targeted marketing programs.

Media Placement & Digital Marketing:
- This is a timing variance. Billing for some advertising expenses have not been received.

Familiarization Trips
- This is a timing variance. FAMs were done earlier in the year than originally projected.

Tradeshows / Sales Missions
- Multiple tradeshows were under budget, such as ASAE Annual Expo, AMEX, & Canadian Expo.

Special Promotions
- Includes $1,346,455 of reserve use for the 'Live with Kelly & Mark' show approved by the JPA/Board.

Research
- This is a timing variance. Not all research services have been billed.

Overhead-Supplies-Utilities-Fees
- Expenses for employee training, local meetings, and computer hardware were under budget.

The assessed business list was compiled from records provided by each jurisdiction. The list was developed with the most reliable information provided, however, the list may contain discrepancies due to any of the following reasons: 1)The short-term vacation rentals included in the list are businesses that have obtained a permit or license to operate as a short-term vacation rental at the time of formation, and does not include short-term vacation rentals that are not permitted or licensed to operate as a short-term vacation rental; 2) Vacation rentals may cease operation with little or no notice, and may no longer be operating as a short-term rental; and 3) the short-term vacation rental list was compiled based on the dates below and may not include short-term vacation rentals that began operation after the dates listed.

List current as of December 2024.
