Welcome to South County, Rhode Island

Wrapped around the southernmost edge of Rhode Island is South County — named "one of the 12 best places to vacation in North America" by *Money* Magazine. Miles of hiking and biking trails through wildlife preserves and lush forests spill into 100 miles of sandy beaches and secret inlet waterways made for kayaking, canoeing and stand up paddle boarding. Quintessentially New England, South County is a place for making memories. Unplug and relax with long, lazy days spent at one of our 20 public beaches, go clamming in a salt pond or fishing for supper. History buffs will get their fill at 18 museums, and golfers can practice their swing at one of 17 golf courses.

You're invited to come enjoy the natural splendor of South County, Rhode Island.
