Bring it To Grand Rapids

"it" is any formal group gathering – like a meeting, convention, conference, reunion, trade show, summit or seminar. You can help us bring your group's events to Grand Rapids – and do yourself and your city proud!

If you belong, you can bring it.

Most of us belong to some sort of group, whether it's a professional association, church, alumni network or hobby club. The group(s) you belong to may get together for a regional or national meeting of some sort every year or so – and you can help us bring their next gathering to the city you call home.

Bringing it is easy.

Many of the overnight meetings booked in Grand Rapids/Kent County are the direct result of someone like you telling us about their group. All we need to get started is your group's name – call us at 616.258.7388 or email sales@experiencegr.com, and we'll take it from there. There is no cost for our services, for you or your group.

Bringing it makes you look good.

We'll use the information you share to establish contact, prepare bids, make presentations and facilitate a successful meeting. We do all the work, you get all the glory when your fellow group members have a great time in Grand Rapids. (And you know they will.) You'll even be officially recognized as a Grand Host!

Bringing it makes Grand Rapids better.

People who come to Grand Rapids for meetings spend millions of dollars at local businesses each year and pay taxes that fund quality-of-life improvements for all who live here to enjoy. One phone call or email from you can pay huge dividends for the city and its residents!
