BACON STROLL

THE CATCH: It's a CHASE!

A few young runners – maybe yours, if you sign them up early enough – get a head start on you. If you happen to “catch” (pass) them, your name will be put in a special drawing for local prizes. But LOOK OUT – there will also be a couple of BIG, BAD WOLVES who will get a late jump on you. If they all pass you, you won't be eligible for that special drawing!
