Once Albuquerque's tallest building, Hotel Andaluz was the fourth by Conrad Hilton, built in 1939 with decor inspired by Spain's Andalusian region.

We're in the heart of the city, one block from the convention center – and we have 7,000 sq. ft. of meeting and event space. Meet in an extraordinary setting unlike any other in the heart of the city. Our five stylish meeting rooms provide an environment conducive to leadership development, training meetings, strategic planning sessions and celebrations. Our Barcelona Ballroom offers 2,730 sq. ft. of meeting and event space, including a reception area and a breath-taking outdoor terrace.

Relax at our rooftop bar and lounge. CHAR is a full service restaurant serving a spin on traditional cuisine and bar. G. TOTI, our rooftop lounge and speakeasy serves signature cocktails and a secret menu with a view.

Guests will enjoy the most modern of pleasures and conveniences, complemented by the unique historic nature of the hotel. Complimentary amenities include high speed wireless internet, robes, coffee and tea service, daily newspaper, and access to a 10,000 sq. ft. health and fitness center. We are very proud of our designation as Albuquerque's only LEED gold certified hotel.

Experience the difference.
