website hotelparqcentral.com

Locally owned, beautifully restored and unlike any other hotel in the city, Hotel Parq Central is a luxury boutique steeped in the history of Albuquerque, New Mexico.

The Apothecary Rooftop Lounge is a vibrant gathering spot with panoramic views of the mountains, downtown city lights and enchanting Southwest sunsets, where you can enjoy custom seasonal drinks and unique small plates.

From social celebrations to corporate events, we can accommodate groups of various sizes, up to 150 guests and needs in our comfortable meeting spaces or outdoor patios. Our welcoming and professional staff is happy to assist you in planning your event, organize catering services, book guestrooms and handle all the details so your event is an affair to remember.

The beautifully restored Hotel Parq Central is a place of unique charm. Our Italian-inspired exteriors and warm, inviting décor remain faithful to our original 1926 construction when the hotel served as the hospital for employees of the Atchison, Topeka & Santa Fe Railway Company.
