

# ALBUQUERQUE VISITOR ITINERARY

## FOR THE FAMILY FUN-SEEKER

### One-Day Visit

Due in part to its affordability, spectacular weather and more than 20 museums, cultural centers and the ABQ BioPark, Albuquerque is consistently ranked as a top family travel destination. Whether you're seeking adventure or learning something new, Albuquerque provides something for every member of the family to enjoy.

- Start the day by grabbing a latte and an empanada from New Mexican bakery **Golden Crown Panaderia**.
- Head to **Explora**, an award-winning children's museum with plenty of hands-on activities, followed by a visit to the **New Mexico Museum of Natural History & Science** to learn more about everything from dinosaurs to space.
- Spend the afternoon at the top-rated **ABQ BioPark**, comprised of the Zoo, Aquarium, Botanic Garden and Tingley Beach fishing lakes.
- Grab a bite at the on-site **Shark Reef Cafe** at the **Aquarium** and dine while watching the fish swim.
- Burn off extra energy at **Electric Playhouse**, a digital gaming wonderland where the building itself responds to your movement and the content is constantly changing.
- Get a view of the sunset and the city below aboard the **Sandia Peak Aerial Tramway** and end the day with a delicious dinner at **The County Line of Albuquerque**.

### If You Have More Time

Extend your fun-filled visit by exploring more of all that Albuquerque has to offer for families.

- In the warmer months, be sure to take a trip to Cliff's Amusement Park or check out **Hinkle Fun Center** for year-round fun and games.
- Enjoy a fun and interactive golfing experience at **Topgolf**. Whether you're a seasoned pro or first-time player, Topgolf offers a lively atmosphere with food, drinks and games perfect for family fun or friendly competition.
- Introduce the kids to the Hot Air Ballooning Capital of the World with their first flight provided by one of many local companies.
  - ▶ Go to **VisitABQ.org/ballooning** for a full list of providers.
- Explore more of Albuquerque's many museums, with topics ranging from turquoise and ballooning to rattlesnakes and nuclear science.
