In the afternoon, glide above Albuquerque on the **Sandia Peak Aerial Tramway**, the longest aerial tram in North America (weather permitting). Scenic seating is available at the summit. Return to the hotel for a restful break. Spa treatments or quiet leisure time provide a luxurious pause before the evening.

Dine at **Seasons Rotisserie & Grill** for a refined experience with private dining available, or indulge in a four-course dinner accompanied by an intimate flamenco performance at **Tablao Flamenco**, featuring VIP and premium seating, for an unforgettable evening of passion, artistry and seasonal Spanish-inspired cuisine.
