THE SOUTHWEST'S PREMIER MEETING FACILITY

When you are planning an event at the Albuquerque Convention Center, it's a decision to embolden attendees with a panoramic view that inspires fresh perspectives and new ideas — the Albuquerque Convention Center is uniquely unconventional.

The Albuquerque Convention Center is a flexible, multi-purpose event center located in the heart of Downtown between the breathtaking Sandia Mountains and the majestic Rio Grande.

Our facility offers over 167,000 square feet of exhibit space featuring the Northeast and Southeast Exhibit Halls that provide 106,200 square feet of contiguous, column-free space. The ACC has 27 flexible meeting rooms, which can hold an intimate meeting of 10 people or a large breakout for 1,100. Our amazing 31,000 square feet Ballroom lends itself as a magnificent banquet space. The Convention Center is comprised of two complexes housed under one roof, making it the ideal facility to host your next meeting, tradeshow, convention, banquet or concert. With additional unique spaces inside and adjacent to the meeting space, let the professional event staff enhance your event by

using the Kiva Auditorium or Civic Plaza to create an experience that surprises and delights all visitors. The expert staff are at your service to ensure that your event runs smoothly.

Legends Global, the world leader in public facility management, proudly provides food and beverage services exclusively for the Albuquerque Convention Center and its Kiva Auditorium. Legends Global's food and beverage expertise extends from elegantly catered events for up to 6,000 guests to authentic New Mexico flavors showcased at stations and permanent concession stands designed to create a memorable experience for visitors.
