

Helping to create the tourism, travel and sports management professionals of tomorrow!

WHAT IS THE TRAVEL & SPORTS LEGACY FOUNDATION?

The Travel and Sports Legacy Foundation is the 501c3 charitable arm of the Arlington Convention & Visitors Bureau. The foundation provides scholarships and resources for persons in underserved Arlington communities who are pursuing careers in the travel, tourism and sports management industries.

The foundation is focused on closing the educational opportunity gap that exists in Arlington's underserved communities and addressing the workforce needs of the travel, tourism and sports industries. The foundation partners with AISD, TCC, UT Arlington, and Arlington hotels, attractions and restaurants.

TSLF provides:

- **Three scholarship programs:**
 - Culinary/Hospitality for students attending TCC or UTA
 - Sports Management for students attending UTA
 - Hospitality Workforce Training for students at TCC
- **Industry internships** and mentorships to tourism, travel and sports management students

HOW CAN YOU GET INVOLVED WITH THE TRAVEL & SPORTS LEGACY FOUNDATION?

TSL Foundation's Speakers Bureau - The TSLF's Board of Directors and tourism partners are out in the community sharing their stories about the Travel, Tourism and Sports industry and would love to connect with yours.

Financial Support - As a 501(c) (3), the foundation seeks funding through corporate and individual donations to support the scholarships provided for these educational opportunities in the Travel, Tourism and Sports Management industries.

Amazon Smile and the TSLF - The TSLF is now part of AmazonSmile! By using the Amazon Smile website to order all the items you normally order from Amazon, the TSLF will benefit by way of a donation through Amazon. There is no added cost to you and you can still use all your Amazon Prime benefits.

Connections - The foundation is committed to promoting the career growth potential within the Travel, Tourism and Sports Management industries to underserved students in our community. We invite our supporters to join us by speaking to student groups, providing internships and connecting with graduating students for potential jobs.

To support the foundation, contact Mary German, mary@arlington.org or 817-704-7580.
