

When in Asheville Get Treated like a Local!

Become a card-carrying local and discover the best Asheville has to offer! The [Asheville Grown Business Alliance](#) created the **Love Asheville - Go Local Card** to promote the businesses that make our town a phenomenally unique place to be. This card offers generous discounts at over 420 locally-owned, independent businesses. Typically, the cost of the card is \$18. Half of each card purchase also supports the success for all Asheville city public schools because the success of our kids is directly tied to the vibrancy of our future.

In an effort to connect visiting meeting attendees and this established discount card, the convention service department at the CVB teamed up with Asheville Grown Business Alliance to offer the Go Local Card to **meeting attendees at a reduced rate of \$9 per card.**

Benefits of Participation

The Go Local Card is a great way to connect your meeting attendees to hundreds of Asheville businesses. More benefits of participating...

- Enjoy amazing discounts and special offers, save money while discovering the best and most unique businesses Asheville has to offer.
- Create positive PR opportunities by incorporating a corporate social responsibility effort into your meeting or event.
- Get a specially created flyer for your attendees to help them locate key participating businesses. This can be included in registration material. They will also receive a 40+ page directory listing all participating businesses.
- Use smartphones to view the participating businesses with a fully responsive online directory, maps and directions at <http://www.ashevillegrown.com>

- The card is valid for an entire calendar year! Attendees will be able to reuse the Go Local card and receive the standard discounts during return visits within the year.

How to Participate

To request cards for your attendees, please read the requirements and fill in the details below. Please return the completed form to cadams@exploreasheville.com. If your organization does not want to cover the cost of the cards, you could build the \$9 charge into meeting registration, or make it an optional addition to registration. Please note the minimum number required.

Give your attendees discounts to Asheville businesses and give back to your host community.
