This joyful and engaging show invites children—and their families—to sing, dance, and move along with their favorite friends from Sesame Street in a heartwarming, interactive celebration unlike anything they've seen before.

Elmo's Got the Moves will have kids and parents alike out of their seats and dancing along with Elmo and his Sesame Street friends as they move and groove to fan-favorite songs, including "Sunny Days," "Elmo's Got the Moves," and "Letter of the Day." Families will discover fun and playful ways to move—from yoga and jumping rope to cartwheeling and silly dance moves—all in a welcoming environment that brings the magic of Sesame Street from the screen to the stage. More than just a show, **Elmo's Got the Moves** is a shared moment of laughter and learning - an experience you and your child will treasure long after the final song.

Following Sesame Street Day and the debut of new Sesame Street episodes (November 10), this brand-new live tour gives families the ultimate way to experience Sesame Street—bringing the joy, music, and characters they know and love off the screen and onto the stage in an unforgettable, interactive celebration.

“We’re beyond excited to bring Elmo’s Got the Moves to audiences everywhere — a brand-new Sesame Street Live adventure bursting with music, dance, and pure joy,” said **Stephen Shaw, Founder and Co-CEO of Round Room Live**. “It’s the perfect mix of Round Room Live’s signature high-energy production and the heart and soul of Sesame Street — creating an unforgettable experience that families will be talking about long after the curtain comes down.”

“For over 55 years, Sesame Street has empowered children to grow smarter, stronger, and kinder—and now, we’re thrilled to bring that same magic to the stage with Round Room Live,” said **Jennifer Ahearn, SVP Strategic Partnerships & Themed Entertainment**. “This all-new live show promises unforgettable moments of laughter and learning as families join their favorite furry friends for a joyful experience they’ll cherish.”
