EVENT PLANNING SERVICES & CONTACTS

Following the execution of the license agreement, the Center will assign an Event Manager to work with the event planning and implementation. The Event Manager for your event will be in contact and remain as the primary Center liaison through the conclusion of the event.

The major function of the Event Manager is to gather all event information and disseminate that information to the operating departments. These departments include engineering, event security staff, housekeeping, set-up, audio-visual, emergency medical services, electrical, telecommunications/Internet, food & beverage, technical services, police, and fire services.

It is important to remember the Broward County Convention Center is a multi-purpose facility. The facility may have simultaneous events in the building. The Event Manager will rely on the information given to coordinate public areas for multiple events. By receiving this information in advance, the Event Manager will ensure the smooth operation of your event.

The Greater Fort Lauderdale / Broward County Convention Center
and
International Alliance of Theatrical Stage Employees
(IATSE Local Union #500)

The Center employs Facility Workers to be the Technical Services personnel to handle all entertainment, and theatrical stage related work and audio-visual operations. As a result of a collective bargaining agreement signed by the BCCC and IATSE Local 500, the following work rules apply:

TECHNICAL SERVICE JOB DUTIES

Technical Services personnel performs the “Move-In”, “Performance”, and “Move-Out” of but not limited to entertainment and theatrical events, conventions, general sessions, meetings, DJs, sports events and exhibitions including loading and unloading, sound, spotlight, laser and pyro operations, wardrobe, stage carpentry and electrical work, light board operations, rigging, auto-fly and hydraulic/mechanical effects operations, computer operations, video and camera and audio-visual operations.

STAFFING LEVELS

Technical Services personnel staffing levels will be set at the discretion of the Center based on the specific needs of each production. Outside production supervision is permitted but may not displace working Technical Services personnel (union stagehands) on any production.

HOURS OF WORK

A. Minimum Calls

- a) A four (4) hour minimum will apply to all calls. This includes “Move-In”, “Performance” and “Move-Out” calls.

B. Wages

- a) A working Department Head will be assigned to each department used. On large calls, a non-working steward may be required. Contact the Technical Services Coordinator for any job titles not listed above.
- b) Wages listed on page 20

C. Overtime

Technical Services personnel shall receive 1 ½ times the applicable hourly rate under the following circumstances:

1. Work performed in excess of eight (8) hours in one day and/or forty (40) hours in the work week, but not for both.
2. All work performed between midnight and 7 a.m.
3. All work performed on Sunday.

D. Holidays

Technical Services personnel shall receive 1 ½ times the applicable hourly rate during the following holidays:

New Year's Eve (after 5 p.m.)	Labor Day

AIRWALLS

The moveable air walls in the exhibition halls, ballrooms, and meeting rooms are to be installed and removed by Center personnel only.

ANCILLARY ESTIMATE

An Event Services ancillary Estimate will be issued to the Licensee thirty (30) days prior to the event. One hundred percent (100%) of the event services fees are due and payable at least fourteen (14) days prior to the use of the facility.

ANIMALS

It is prohibited to have animals in the Center without proper written permission. Contact the Event Manager for rules and regulations. Service Animals may accompany a person with a disability in the Center. Under the ADA (Americans with Disabilities Act 2010), Service animals are defined as dogs that are individually trained to do work or perform tasks for people with disabilities. Service animals are working animals, not pets. The work or task a dog has been trained to provide must be directly related to the person's disability. Dogs whose sole function is to provide comfort or emotional support do not qualify as service animals under the ADA.

CLEANING SERVICES

It is the responsibility of the Licensee and the Service Contractor to clean the exhibit hall, registration and loading docks. The Show Cleaning Company is required to be on property every day, including during move in, show days and move out. BCCC requires a cleaning schedule thirty (30) days in advance of the show to receive proper access. Show Cleaning Company is expected to support the Recycling Program as administrated by the BCCC Operations.

Cleaning company Service Contractors have the responsibility to provide their own equipment and supplies (exhibitor trash bins, cleaning supplies and vacuums, etc.)

All Service contracting cleaning staff must have proper identification while on premises.

A. Required Personnel and Equipment

Cleaning companies shall be required to provide the following personnel and equipment

- Personnel of a proper crew size necessary to ensure completion of cleaning duties in the allotted time frame for move-in, show and move-out.
- Vacuums, vacuum bags, etc. necessary to clean carpet aisles and booths.
- Push brooms, hand brooms, dust pans, etc. necessary for the removal of debris.
- Scrapers, scraper blades, cleaners, etc. necessary for the removal of tape residue form floors.
- Wet vacs, extractors, etc. necessary for the removal of trash.
- Pallet jacks that may be necessary for the removal of certain bulk trash items.
- Electrical cords, extension cords, adapters, etc. necessary to provide electrical connection to cleaning equipment.
- Liners for BCCC open top trashcans on the Exhibit Hall floor. Size 43"-47".
(Excluding inside booths)

NOTE: The Center will provide the gray bins for bulk trash removal. In Exhibit Hall, Center will provide large top trashcans in the show aisles including one bag/liner to be managed and maintained by the Cleaning Company Service Contractor.

B. Required Duties

Cleaning companies shall be required to perform the following duties. Failure to do so will result in additional fees.

- At the start of move-out, it is required to clean the pre-function area and/or registration area first.
- Cleaning of aisles (carpet and non-carted floors)
- Cleaning of exhibit booths (carpet and non-carpeted floors) and trash cans.
- Removal of bulk trash. This shall include, but not limited to, pallets, carpeting, collateral material, props, signs, books, magazines, brochures, giveaway items, boxes, visquine, construction materials and crates.
- Cleaning of spills including non-liquid, oil, and coordinated bio-hazard material.
- Removal of all food products and byproducts trash from event areas immediately following the event.
- Removal of tape and tape residue from carpeted and non-carpeted floors.
- Cleaning of loading docks and removal of bulk trash.
- Cleaning of all borrowed gray bins

C. Unsuitable Activities

Cleaning companies shall refrain from the following activities:

1. Emptying of trash cans on carpeted surfaces. Labor and expenses incurred to clean the carpet will be billed to Licensee.
2. Dragging or moving any equipment on or across the terrazzo floor or carpeted areas without proper protection. Any damages will be billed to Licensee.
3. Storing of any equipment and or/supplies outside contracted space.
4. Obstruction dumpster(s) at any time which would impact the removal of the dumpster(s), all expenses incurred will be billed to Licensee.
5. Overloading dumpster(s) above the rim, all expenses incurred to level dumpster(s) will be billed to Licensee.

D. Miscellaneous

A representative of the Center and the decorating company shall perform a pre and post show inspection of all event areas. It is the responsibility of the Center to provide event areas in a clean condition. It is the responsibility of the cleaning company, contracted by the decorator, to return event areas to a minimum of a broom clean condition.

Should the cleaning company fail to perform their expected duties or perform their duties in a manner not in compliance with the quality of work expected by the Center, the Center shall charge the licensee for labor and materials necessary to properly maintain contracted space.

DAMAGES

Prior to the first move-in day, the Engineering Department will schedule a facility inspection to verify the condition of the Center. At the conclusion of the event move-out, a final inspection will identify and specify any damages resulting from the event.

Notify the Event Manager of any damage that occurs throughout the course of the show. Show management will be informed of any damages with a damage report and a photograph when applicable. The cost of repair of damages is the Licensee's responsibility and the Center will make all repairs.

DRONE - UNMANNED AERIAL SYSTEMS (UAS)

1. The use of a UAS inside the Broward County Convention Center is prohibited without written approval by ASM Global Management.
2. Dates and hours of operating the UAS inside the Broward County Convention Center must be pre-approved by ASM GLOBAL.

6. The UAS is restricted to a gross weight of 10 pounds.
7. UAS cannot photograph persons in an area where there is an expectation of privacy.

The UAS must be equipped with a foam "hull" while operating inside the Broward County Convention Center. (Note: hulls are foam covers which minimize damage to drones)

EXHIBITS IN PERMANENTLY CARPETED AREAS

When using permanently carpeted areas as exhibit space, the service contractor is required to lay plastic or protective covering over the permanent carpet before bringing freight or material-handling equipment into the area. In taking protective measures, it will prevent damage caused by direct contact with lifts, pallet jacks and/or such equipment.

No Forklifts authorized in the ballrooms. When on carpeted areas, all lifts (scissor or boom) must have, non-marking tires.

Any damages will be at the cost of the Licensee.

EXHIBIT HALL AND LOADING DOCK REGULATIONS

1. No vehicles will be allowed in dock areas, exhibit halls, etc. without proper identification.
2. "No parking" and "tow away" zones and other restricted areas will be strictly enforced. Vehicles will be towed at the owner's expense.
3. Move-in and move-out through the front of the building is not allowed. Move-in and move-out periods must be approved in writing by the Center.
4. Scheduling of dock and storage areas, etc. must be approved by the Center.
5. Vehicles are to be operated in a safe and prudent manner. Any actions including speeding, erratic driving, etc. deemed unsafe by the Center are not tolerated. Failure to adhere to Center policies will be grounds for ejection from the premises and suspension of work privileges.
6. No refueling of vehicles is permitted within fifty (50) feet of the Center.
7. At no time may exit doors be blocked or obstructed with freight, equipment, display material, trash.
8. No glass containers are permitted on the exhibit floor, meeting rooms or ballrooms without the prior written approval of the Center.
9. Unless prior approval is granted, no one under the age of sixteen (16) is allowed on the exhibit floor/loading dock during move-in and move-out.
10. Dock utilization schedules must be submitted to the Center (altering proposed schedules may require the Center to reallocate specific dock space to different events).
11. Overhead doors to be open or closed by Broward County Convention Center authorized personnel only.
12. All events are to be show ready 1-hour prior to doors. Heavy equipment must be off the floor and overhead doors closed prior to turning on the Air Conditioning.
13. No pedestrian foot traffic through the North Gate of the Loading Dock. All authorized personal are required to walk through the South Gate only.

EXHIBIT LAYOUT AND SET-UP

1. Aisles must be a minimum of ten (10') wide and approved by the Fire Marshal.
2. No exhibit booth, registration table or related material may be placed within twenty (20') of main entrance and exit.
3. Doors, fire exits, including doors in partition walls, or access to any exit cannot be blocked or impinged upon by pipe, drape, exhibits or other fixtures.
4. During Event Days, exhibitor service desks cannot be located in lobbies or pre-function areas.
5. Literature and other items cannot be stored in booth beyond what could be reasonably used in one day. Additional material must be stored in closed containers and kept in a neat and organized manner in a designated storage area.
6. Clear access must be maintained to all Center services (i.e., restrooms, concession stands, utility rooms, etc).
7. Carpet runners or show carpet installed over Center's permanent carpet is prohibited without the prior written approval of Center.
8. Whenever direct access to a fire extinguisher is blocked, the exhibitor blocking access must be notified of the location of the fire extinguisher, and a temporary sign must be hung above the exhibit indicating the extinguisher's location.

EXHIBIT & REGISTRATION - FLOOR PLAN APPROVAL

The Center's exhibit and registration floor plan approval process incorporates policies mandated by the City of Fort Lauderdale Fire Department. The Fire Department, prior to the sale or lease of any exhibit space, must approve all floor plans.

The Event Manager can provide guidelines for floor plan layout. A copy of the proposed floor plan, drawn to scale, needs to be submitted to the Event Manager. Copies of the proposed floor plan will be submitted to the Fire Department for approval. Non-approved floor plans will be returned to Licensee with explanations. Licensee must re-submit a copy of floor plan for approval.

1. The proposed floor plan submitted for approval must include the following:

 - j) Advanced written authorization and a copy of the exhibiting companies' insurance is required if products are to be sampled.
 - k) The sell of food or beverage products are prohibited.
 - l) Any product containing alcohol. Contact your Catering Sales Manager.

FREIGHT DELIVERIES

Due to limited storage space, the Center will not accept advance freight deliveries.

1. All freight must be shipped to the service contractor and delivered to the Center during the designated move-in period.
2. Any freight scheduled for delivery to the Center during move-in must be sent to the attention of the service contractor.
3. The Center will not accept C.O.D. shipments or responsibility for costs associated with freight.
4. The Center will not be liable for the security of freight left following the conclusion of the move-out date(s), or responsible for the shipping of such freight. Freight left on the show floor will be disposed of at Licensee's expense.
5. Licensee is responsible for informing all parties of Center's freight policies.

INSURANCE

All Licensees and their sub-contractors are required to provide a Certificate of Insurance. Specific requirements are referenced in the license agreement. Certificate(s) must be furnished to the Center thirty (30) days prior to the first move-in day of the event. A sample copy of an acceptable insurance certificate is located in the Certificate of Insurance Information.

(See Event Manager for more information and certificate examples.)

General and Excess Liability coverage may be available to Licensees through the Center for some events. The Event Manager needs to be notified when utilizing this plan.

LIGHTING AND AIR CONDITIONING

Fifty percent (50%) “work lights” will be provided at no charge in exhibit halls during move-in and move-out. One hundred percent (100%) “show lights” will be provided one (1) hour prior to Show opening and meetings. Lighting requests outside these parameters will be charged at the prevailing hourly rate.

Air conditioning is provided complimentary during show hours – beginning one (1) hour prior to show opening. Air conditioning is not provided on move-in and move-out days. A Licensee requesting air conditioning during non-show periods will be charged an hourly rate.

PARKING

The Center is connected via glass-enclosed skywalk to the 1,500-space Parking Garage. No Overnight Parking without written approval. No oversized parking or motorcycles, Maxed height 6'-8".

ROOM SET-UPS

Maxed capacities for meeting facilities are provided in Section II, Facility Specifications. The chart reflects maximum amount of seating allowed with a standing podium in each room only. Capacities will vary with the addition of staging, food service tables, dance floors, or audio-visual requirements. Contact the Event Manager to confirm room capacities prior to preparing room specifications.

Use of center equipment, supplies, and other materials is limited to center personnel only.

Licensee and their sub-contractors are prohibited from moving the center's furniture, fixtures, and equipment.

A. Meeting Rooms/Ballrooms

One basic set-up is included in the rental of all meeting rooms: theater, classroom, conference, or banquet style; a podium, head table for two, one 8' dressed table, and an easel. Any additional equipment such as skirting, tablecloths for classroom tables, staging, chairs, or tables can be provided at an additional charge. See the Equipment Inventory & Rates for a listing of all equipment and current prices. Any additions/removals/turnovers in the set-up, i.e., classroom to theater style, during your event will result in an additional charge.

B. Exhibit Halls

All Exhibit Halls will be subject to equipment rental. Additional costs may also be incurred for additions/removals/turnovers.

SECURITY

The Center maintains a twenty-four (24) hour security force responsible for monitoring the facility perimeter, interior, and life safety system. The activities of the 24-hour security personnel cannot be restricted by activities of the Licensee.

1. Allied Universal is the exclusive in-house event security company of the Center.
2. Licensee is responsible for event staff in all areas specifically licensed to Licensee exhibit halls, meeting rooms, public areas utilized by the licensee including lobbies, loading docks, service roads, etc.
3. The Center may require Licensee to provide minimum levels of event staff coverage in any leased space and other areas (i.e., docks, service roads, public access areas, registration areas, etc.). Such coverage will be at Licensee's expense.
4. Any changing or removal of door locks must be approved in writing by the Center and work performed by Center personnel.
5. No doors may be chained.
6. All service contractors and other event related labor must enter/exit the Center via the designated employee entrance and are to be properly identified.
7. BCCC reserves final rights to restrict access of any event personnel to any Center space.
8. Individuals exhibiting behavior indicative of intoxication or use of a "mood altering" substance will be expelled from the Center premises

SIGNAGE AND DECORATIONS

The Licensee is responsible for all Directional Signage to support their event operations including both inside and outside the building. Ensure you receive approval from the Event Manager on the outside directional signage plan.

1. Signs, decorations, and related materials may not be taped, tacked, stapled, nailed, etc. to painted surfaces, columns, fabrics, glass, windows, doors, mirrors, ceiling, or decorative walls in the Center.
2. Convention Center permanent signs, banners, etc. may not be blocked in any manner.
3. Temporary signs may not be attached in any manner to permanent Center signage.
4. Banners are allowed in the Center. Please see your Event Manager for approval of any signage in public and non-contracted spaces.
5. In-house Tech services will be required to hang banners from any ballroom / meeting room space.
6. No exterior banners are permitted without prior written approval. City Ordinance restricts any signage to be hung outside of the Center. Consult the Event Manager with the details of every banner to be hung.
7. Adhesive backed decals and stickers may not be distributed in the Center. Any costs incurred by the Center for the removal of these items will be charged to Licensee
8. **Helium balloons are prohibited.** Costs associated with violation of this are the responsibility of the Licensee.

SMOKING/VAPING POLICY

In accordance with the Florida Clean Air Act, the Center's smoking policy restricts smoking to designated smoking areas. Smoking is prohibited at all times in the exhibition hall, ballrooms, restrooms and meeting rooms. This policy includes cigarettes, cigars, e-cigarettes, pipes, etc. Smoking is only allowed in designated smoking areas situated 25' from the building. Fire Alarms may go off due to smoke inside the building. Contact your Event Manager with any potential needs for added security to support this policy.

SPECIAL NEEDS FACILITIES

In accordance with ADA, the Center provides ramp access, restroom facilities, Braille elevator buttons, phone and fire alarms for the deaf and hard of hearing, patrons with disabilities, and wheelchairs.

SUB-CONTRACTORS / SUB-CONTRACTOR EMPLOYEES INSURANCE REQUIREMENTS

All sub-contractors are required to provide a Certificate of Insurance evidencing a minimum one million dollar general liability insurance policy as well as workman's comp coverage. The certificate must name SMG, Broward County, their Officers, Agents, and Employees as additional insured. The Broward County Convention Center, as well as SMG must be named as the certificate holder. The Certificate must also include a 30-day cancellation notice.

All sub-contractor operations and their employees must maintain generally accepted safe operating practices and follow all OSHA guidelines to insure a safe workplace. All sub-contractor employees must use the designated employee entrances/exits and must have proper identification badges for access to authorized areas.

TAPE ON SURFACES

The Center requires the use of **Suretape PC 628 Gaffer's Tape** or approved equal. Licensee and service contractors are responsible for the removal of all tape and residue marks from the exhibition hall(s), concourse, and meeting room floors. The use of high residue tape is prohibited on terrazzo floors and carpeted areas. Tape or residue left on any surface will be removed by the Center and the cost for the removal will be billed to Licensee.

TRANSPORTATION

The primary drop-off/pick-up location for shuttle buses, ride share, and special needs patrons is directly in front of the Center's main (Hall B) lobby. Cars parked within the loading zone will be towed at the owners expense.

OPERATION RULES AND REGULATIONS

1. The location of entrance doors, provided by the decorator, must be approved by the Center.
2. Use of Center equipment, supplies and other materials is limited to Center personnel only.
3. Licensee and their Sub-Contractors are prohibited from moving the Center's furniture, fixtures, and equipment.
4. Passenger elevators and all escalators are to be used by the general public and should not be used for any freight or equipment movement. No Exceptions.
5. Motorized vehicles and equipment (i.e., carts, forklifts, scooters, electric bikes, etc.) and other moveable equipment (i.e., dollies, pallet jacks, etc.) are not permitted on any lobby, pre-function, meeting room or ballroom space.
6. Use of glitter and confetti is not permitted in the Center without the prior written approval of Center. Costs associated with the clean-up of glitter, confetti and related materials are the Licensee's responsibility.
7. Helium balloons are not permitted in the Center.
8. All floor load capacities should be strictly observed. Any variations should be approved in writing by Center.
9. The sale or distribution of novelty merchandise is prohibited without prior written approval of Operator. All distributed materials, whether for sale or at no cost, must be distributed from locations approved by Center.
10. Center office telephones are reserved exclusively for Center operations. Center numbers may not be published as official show or convention number.
11. All facility utilities are property of the Center, and it is prohibited to access, tamper or otherwise utilize said utilities without prior written approval of Center. Costs for repairs, damages, etc. resulting from unauthorized use of utilities are Licensee's responsibility.
12. No soliciting is permitted in the Center or on Center premises.
13. Any and all unsafe conditions or activities will be terminated immediately upon request. The Center will remove disruptive parties as necessary.
14. The Center provides on an exclusive in-house basis all electrical, utility, event staff security, rigging, Technical Services personnel, internet and food and beverage services (see Section III).

LEED® GOLD

CERTIFIED CONVENTION CENTER

ASM GLOBAL's most important contract promise to the county in 2009 was to achieve LEED Silver certification at minimum. The ASM GLOBAL management team worked diligently toward this goal between 2009 and 2012, and successfully achieved **LEED for Existing Buildings Gold** certification for the Broward County Convention Center in July 2012, making it the third convention center facility in the nation and the first in the State of Florida to do so.

The ASM GLOBAL management team has registered for LEED re-certification to occur in 2017 and continues to champion the facility's sustainability initiatives through the addition of a full-time LEED AP+ professional staff member. Since achieving LEED certification, ASM GL continues to look for innovative ways to achieve additional energy and water savings, as well as track all recycling and sustainable purchasing.

The rigorous LEED certification process encompassed all aspects of the way we work and serve our guests. Here are a few of the highlights:

1. Landscape re-design, using less water-dependent turf grass, that reduced irrigation needs with native and adaptive plants and trees, and irrigation through an efficient micro-drip system that uses approximately 65 percent less water than before.
2. Energy-efficient lighting that reduces heat and energy, cutting the electric bill by 18 percent.
3. Low-flow plumbing fixtures that reduce water consumption in restrooms by 45 percent.
4. Twenty-five percent energy savings from energy-efficient, water-cooled chillers, along with upgrades to the air handling and ventilation systems, including CO2 sensors for enhanced indoor air quality.
5. Temperature and lighting controls that enhance comfort while controlling energy usage.
6. Increase in recycling of total waste stream from 8 percent in 2009 to 70 percent in 2015.
7. Elimination of toxic cleaning materials by 98 percent through the use of cleaning and antimicrobial solutions created by Tennant Orbio® On-Site Generation (OSG). OSG technology turns ordinary tap water and salt into a highly effective cleaning solution that replaces conventional cleaning chemicals.
8. Sustainable kitchen practices by the Center's SAVOR food and beverage program, from energy-efficient food preparation to purchasing locally produced food whenever possible. Donations are made to local food banks and other organic waste is disposed of in the Eco-Safe® Digester (using a mixture of enzymes and hot water to break down food waste), resulting in almost no organic waste in landfills.

VenueShield is a comprehensive and Industry- leading reopening program. The protocols and procedures provide the highest levels of safety, security and consumer confidence, in alignment with approvals from local government officials and health care experts.
