## **Media**

If you represent a media outlet seeking further information about the Center or if you wish to cover any of our events, we are happy to provide assistance.

Please reach out to Travis Poppell, Director of Sales and Marketing, for additional information at [tpoppell@clevelandconventions.com](mailto:tpoppell@clevelandconventions.com).

## **Medical Services**

To keep your event staff and attendees safe the Center offers on-site paramedics through University Hospitals. Events of 1,000 attendees per day or more will require a paramedic on site during event hours and one hour into the move-out process. The Center does not handle the disposal of medical show waste, but your Event Manager can assist you in planning with the appropriate provider. Standard rates will apply. Sharps need to be in red containers and clearly labeled as such, to avoid being disposed of in our regular trash pickup. Please DO NOT leave needles and sharps boxes unattended.

## **Metal Detectors**

The Huntington Convention of Cleveland (the "HCCC") is committed to maintaining a safe and secure environment for all patrons, exhibitors, employees, and visitors. In support of this goal, the HCCC encourages clients to consider appropriate safety and security screening measures for all events. Any required security measures will be implemented at the client's expense.
