HUNTINGTON CONVENTION CENTER OF CLEVELAND

## Your Event Matters in Cleveland

In Cleveland, you're not just a dollar sign - you're a person. When your convention is in Cleveland, it will be the biggest show in town. Known for our Midwestern friendliness, Clevelanders will welcome your attendees with open arms and make them feel right at home.

## Green Initiatives

Built with the environment in mind, our Convention Center prioritizes sustainability and follows a comprehensive sustainability plan. Our features include a green rooftop, which is Cleveland's largest downtown grass park, technology that takes advantage of natural light, and water refill stations to help reduce the use of plastic bottles, which replace 21,000 bottles annually.

The Real Farmville, the on-site urban farm, is home to both plants and animals that generate herbs, eggs and honey that is used daily. This is complemented by Grind2Energy, the on-site food recycling program, which enables food waste to be converted to energy, natural gas and soil nutrients.

## Let's Talk Space

The meeting space in our one-million-square-foot campus is comprised of three exhibit halls, two ballrooms, a 14-acre outdoor green space, 45 meeting rooms, and two connected facilities - Cleveland Public Auditorium and Hilton Cleveland Downtown.

- **Ballrooms** – Our Grand Ballroom is 32,000 sq. ft and is conveniently located right next to the exhibit hall. The Atrium Ballroom is 11,000 sq. ft and features its own outdoor patio.
