Sips N Strings: Our First Concert

The Henrico Sports & Events Center proudly hosted its inaugural concert, Sips N Strings, on June 21st featuring bluegrass bands, South Hill Banks and the Harwell Grice Band. The event received an enthusiastic response, with many first-time visitors eager for future concerts.

"It was a great show, good energy and we were happy to play in such a strong market for us here in Central VA," said Eric Horrocks of South Hill Banks. The Center's staff thanks all attendees and looks forward to announcing upcoming events soon.
