WELCOME TO THE 2025 PIAA DISTRICT II HIGH SCHOOL BASKETBALL CHAMPIONSHIPS

Welcome to the PIAA District II Girls' and Boys' High School Basketball Championships. We are excited to be once again hosting our championships at the Mohegan Arena at Casey Plaza. Basketball continues to be one of the most popular programs for our student-athletes.

Congratulations to all of the teams who competed in the District II tournament and best of luck to the schools participating this weekend as they continue on the "Road to Hershey." The District II Committee also thanks the member schools and their administrators for allowing us to utilize their facilities throughout the playoffs.

On behalf of the District II Committee, I would like to recognize and thank all of our sponsors for their support of this memorable event at this beautiful Arena and to all of the fans who attend this weekend.

In closing, a special thank you to Mr. Stephen Poremba, General Manager of Mohegan Arena, Mr. Justin Topa, Marketing Manager of Mohegan Arena, and all of the ASM Global staff members and Board of Directors for their support and cooperation in making these championships a first-class event for our member schools and student-athletes.

On behalf of the PIAA District II Committee, I hope you enjoy the games and we look forward to your return next year.

Sincerely,
Frank MAJIKES

Allied Services and AllOne Foundation & Charities: working together to sustain vital pediatric rehab programs for families in Northeastern & Central PA.

Honoring John P. Moses Esq.

Allied Services' pediatric centers in Wilkes-Barre and Scranton were recently re-dedicated to honor the memory of Attorney Moses, who dedicated a lifetime to helping children worldwide.

The **John P. Moses Pediatric Rehab Centers** in partnership with AllOne Foundation & Charities will continue Allied Services' more than 40-year tradition of providing comprehensive pediatric physical, occupational, and speech therapy.

Investing in Pediatrics

In 2023, AllOne Foundation & Charities formed a partnership aimed at supporting the sustainability of specialized pediatric rehabilitation services at Allied Services.

Our goals with the partnership are to provide continued access to critical pediatric rehab excellence. This calls for raising matching funds from other investors such as private and public grants, major donors, and widespread modest contributions from friends like you.
