

WHEN YOU'RE READY, WE'RE HERE....

Inspiring Confidence

We are committed to the safety of our guests and our employees

- Daytime Housekeeping services are available to all guests by request only. There is a 24 hour waiting period before cleaning departed rooms to ensure proper hygienic standards
- Rooms are sanitized using CDC approved disinfectants, UVC lamps, and Ozone after each guest departure. UVC wands are available for individual guest use upon request
- Hand sanitizer stations are located on each floor's Elevator Lobby, throughout the Lobby, and at each entrance area
- Elevators, doors, handrails, the Reception Desk & bell carts are sanitized regularly.
- All staff wear appropriate PPE for their areas and have all taken a Covid anti-body test. Temperatures are monitored before reporting for work
- Take-out and room service available in our Madison Bar & Bistro
- Strict following of all current social distancing and governmental guidelines restricting number of guests allowable in restaurant, meeting spaces, and public areas
