GETTING HERE

Located in the heart of the heavily populated Northeast corridor, Atlantic City is conveniently accessible to tens of millions of potential visitors by rail, air and road.

Atlantic City International Airport is just a short drive from downtown Atlantic City and offers direct and connecting flights to many popular destinations throughout the United States. Philadelphia International Airport is also just a short one hour drive west via the Atlantic City Expressway and offers direct and connecting flights to many hubs in the U.S. and around the world.

The Atlantic City Expressway, White Horse Pike (Route 30) and Black Horse Pike (Route 322/40) offer quick and convenient highway access to Atlantic City. Parking is available at all casino hotel parking garages for a nominal fee. Dozens of surface pay parking lots are located throughout the city. The Wave parking garage, located at the foot of the Atlantic City Expressway, on the corner of Mississippi and Fairmount Avenues, offers 1,180 spaces in the heart of downtown Atlantic City.

New Jersey Transit rail service to Atlantic City is conveniently accessible daily via Amtrak through Philadelphia's 30th Street Station and provides rail service to and from Atlantic City and is accessible via a rail terminal adjacent to the Atlantic City Convention Center. New Jersey Transit and Greyhound offers bus service to and from New York City, Philadelphia and other major cities from a bus terminal located at Atlantic and Ohio avenues.

GETTING AROUND

Once in Atlantic City, finding your way around town is a breeze, thanks to our world-famous and environmentally-friendly Jitney service. All Jitneys, now operated fully by compressed natural gas, are available 24 hours a day throughout the year for a single ride fair of \$3.00. Jitney

routes run along Pacific Avenue from the Inlet to Jackson Avenue and throughout the Marina District. Frequent rider tickets are available at a discounted rate.

Taxi service is also easily available throughout the city, with a maximum fare of just \$13 per ride between any two points within the City's borders.

Boardwalk Trams and Rolling Chairs are available on the Boardwalk. Rates vary according to season.

ATLANTIC CITY JITNEYS, ROLLING CHAIRS AND TRAMS

JITNEYS

Jitneys are an Atlantic City icon that have served the City for over a century. Atlantic City jitneys are 13-passenger mini-buses that travel the entire city, running from the inlet to Jackson Avenue and the Marina area to Pacific Avenue. A jitney ride costs \$3.00 and discounts are available for seniors and frequent riders. Jitneys are available 24 hours a day, seven days a week and 365 days per year – or even 366 days if it's a leap year. The jitney stops are located on each block corner of Pacific Avenue.

From the touring cars of 1915, to today's state of the art fleet, Atlantic City's jitneys have continued to bring innovation and change to the concept of public transportation, now celebrating over 100 years.

ROLLING CHAIRS

Rolling chairs, a throwback to Atlantic City's heydays, are powered by an attendant and available from 8 a.m. to 1 a.m. Sunday through Thursday and 8 a.m. to 4 a.m. on Friday & Saturday. Rates are charged by the block or amount of time traveled. For one or two passengers, a trip of 0 to 5 blocks start at \$5 and increases from there. A half-hour tour can run \$30 and an hour costs approximately \$40. These rates do not include tip. A rolling chair ride on the Boardwalk is a great way to get to a particular

destination or to relax and enjoy a scenic tour.

The rolling chair was introduced in the 1880s and was the only vehicle permitted on the Boardwalk at the time. Rolling chairs were originally used by handicapped persons, and the practice grew to include visitors wishing to use this leisurely form of transportation. They became a preferred mode of Boardwalk transportation, a tradition that continues to this day.

BOARDWALK TRAM

The 15-passenger electric tram cars travel the entire length of the Atlantic City Boardwalk. Operating hours: Memorial Day - Labor Day 10am - 8pm and 10am - 10pm on weekends. Call or check website/ social media for operating hours out of season. Fares are One Way: \$5 (adult), \$3 (children 12 and under); All Day Pass: \$13 (adult), \$7 (children 12 and under).

609-347-7500

The electric motor trams were first introduced on the Boardwalk in the 1940's but had completely disappeared by the 1990's due to the popular use of the rolling chairs.

EV CHARGING

Electric vehicles (EV) are becoming more popular and Atlantic City is on top of it. We don't want you to worry about where to charge up as your battery runs low, we have you covered (or should I say charged).

Beach and **BOARDWALK**

In 1850, a local physician named Dr. Jonathan Pitney sought to develop a resort in what is now Atlantic City thanks to the island's cool breezes, healthy air and refreshing waters. More than 170 years later, the Atlantic Ocean and its soft, free sandy beaches are still a magnet that draws millions of visitors and residents to this seaside resort during the warm summer months.

The world-famous Atlantic City Boardwalk, the first incarnation of which was built in 1870, was originally constructed in order to help adjacent hotels keep sand out of their lobbies. Over the years, the Boardwalk has grown to its current length of 5.5 miles, 1.5 miles of which stretches into the neighboring town of Ventnor.

The Boardwalk is also home to many novelty shops, eateries, amusement piers, volleyball courts, beach bars

and casino hotel properties, and plays host to dozens of seasonal events including concerts, parades, festivals, competitions and more.

The official Atlantic City visitor information center is located on the Boardwalk at Mississippi Avenue inside historic Jim Whelan Boardwalk Hall.

If you'd prefer to see Atlantic City with pedal power, check out an Atlantic City bike rental and cruise up and down the 5-mile Boardwalk between 6 a.m. and 12 Noon year-round and 4 p.m. to 7 p.m. from October 15 to May 15. From Albany to Jackson Avenues, hours are 6 a.m. to 12 Noon on Saturdays and Sundays from July 1 through Labor Day and 24-hours all other days. 24-hour bicycling is also permitted from Connecticut Avenue to Gardner's Basin year-round. There are shops to browse, sea views to admire and plenty of restaurants to enjoy. Biking is also a great way to get around town and take in Atlantic City's true atmosphere.

things to do in ATLANTIC CITY

Atlantic City offers a plethora of exciting things to experience.

Check out our 10 top:

MURALS

You can discover over 100 murals across the 48 blocks of Atlantic City! Crowd-pleasers include “Close Encounters” by local artist Charles Barbin - grab some 3D glasses and watch the jellyfish tentacles reach towards you - and “Mind Power” by Luz Sanchez and Marcus Hughes, across from Sovereign Avenue School, inspiring Atlantic City youth to value the power of education. Visit www.acartsfoundation.org/murals for an interactive map; tag @acartsfoundation.

MEMORIALS

Atlantic City is home to some of the most unparalleled and unique memorials dedicated to humanity.

- **“In The Line of Duty” - First Responders & 9/11 Memorial** features a 7’ tall bronze casted statue of a police officer, a fireman and K9 officer mounted on a 6’x4’ granite disc. A second monument shows two marble pedestals with the first displaying a police shield on top of the pedestal while the other has a firefighter’s helmet.

Location: Boardwalk at St. James Place between Tennessee and New York Avenues

- **The Civil Rights Garden** Features a winding brick path through a garden of seasonal plants, flowers and gingko trees, along with eleven black African granite columns. The path represents the long journey of African-Americans to achieve freedom and equal rights. Inscribed on the columns are quotes from dozens of historical figures, with the central column featuring an upraised hand and a large, bronze bell hovering over a reflecting pool.

Location: Pacific Avenue and Dr. Martin Luther King Jr. Boulevard

- **The Bernie Friedenberg World War II Memorial** - The Bernie Friedenberg World War II Memorial consists of a two-figure soldier sculpture with granite hardscaping, surrounded by a circular pavement, “The Cost of Freedom Circle” containing granite inlays, each of which summarizes a historic moment of U.S involvement in World War II.

Location: O’Donnell Park

- **The New Jersey Korean War Memorial** features a sculpture of a group of soldiers under fire, a soldier and nurse helping a wounded soldier and a 12-foot tall statue of “the Mourning Soldier” clutching dog tags from fallen soldiers.

The back wall of the memorial, beneath an eternal flame, are the names of the 822 New Jerseyans who were killed or still missing in action, as well as a wall honoring the five New Jersey servicemen who were awarded the Medal of Honor for heroism.

Location: Brighton Park

- **The Purple Heart Memorial** dedicated to all men and women wounded in all our wars.

Location: 1 S Providence Avenue

- **The Saracini-O’Neill Atlantic City 9/11 Memorial** was constructed in remembrance of those individuals who perished on September 11, 2001, as well as those whose lives were lost in subsequent military response to worldwide terrorism. It consists of a piece of World Trade Center steel set in a stone wall with memorial plaques mounted on each side. There are also two benches dedicated to Atlantic City natives, Captain Victor Saracini, United Flight #175 pilot and John O’Neill, head of security at the World Trade Center.

Location: Jackson Avenue and Boardwalk

- **The World War I Memorial** was modeled after a Greek Temple and measures 124 feet in diameter and consists of 16 large Doric columns. GUIDE FOR OUR VISITORS WITH DISABILITIES

A trip to Atlantic City isn't complete unless you have spent time at the beach. To make sure visitors can enjoy the sand and water handicap beach surf chairs are available through the Beach Patrol at District 7 - Mississippi Ave., centrally located in the city. Chair use is on a first come/first serve basis. Call (609) 347-5307 for availability.

For access on-demand, year-round, you can reach out to "Mobility on Wheels" who can help, call 609-266-5600 for a reservation. They deliver to Atlantic City, Ocean City, Wildwood and Cape May area, or you can pick up a chair in their Pleasantville location.

Looking for a special night out? Atlantic City has world class entertainment. Each property will have ADA options, such as wheelchair seating, handicapped accessible restrooms, special parking, and more. Just contact the venue where you want to go at least 3-weeks in advance and let them know your needs. Although venues want to accommodate all guest, there may be limitations on availability so call early.

Shopping at the Tanger Outlets -The Walk is a great experience with almost 100 stores to visit. Tanger has a limited supply of wheelchairs available. Call Shopper Services, (609- 872-7002) for more information.

Accommodations are available with casinos and hotels covering a multitude of disabilities. From special restroom features, wide door access, special parking locations, and more. Call your casino or hotel of choice and let them know of your needs. Give them 3-weeks' notice to source the accommodations needed. Be sure to call 24 hours prior to arrival to be sure your needs have been met.

Call ahead. Service providers are required to accommodate travelers with special needs; however, most need some time to make the necessary arrangements. Mention your needs at the time of reservation, let the provider know 3 weeks prior to your arrival, as a backup call to confirm 48 hours prior to your arrival to be sure all accommodations have been made.

Be specific and clear when describing a disability. Not all service providers know the "lingo" of accessible travel, or the medical terms for certain conditions. Give as many details as you can about what you can and can't do, and don't downplay the severity of the disability. The more information a service provider has, the better they will be able to accommodate you.

ADA Atlantic City is updating this page as more information becomes available. This section is a work in progress, please feel free to send us comments for improvement.

AREA PARKS

THE NATURE OF ATLANTIC COUNTY

Atlantic City is much more than just a cosmopolitan escape. Venture into the surrounding area and you'll find unique natural treasures that don't get the recognition they deserve. If you're looking to add a bit of the outdoors to your AC trip, check out these awesome spots for great views and recreation.

PARKS

For true outdoor experiences near Atlantic City, parks throughout the area offer something for everyone. Whether you love to hike, bike, paddle, fish or just observe some of the region's wonderful wildlife, you'll find plenty to do here.

Lake Lenape Park in Mays Landing has a two-mile paved hiking and biking trail with plenty of opportunities for wildlife sightings and gorgeous lake views. The park sometimes offers guided hikes, which provide an overview of the park's local flora and fauna.

Atlantic County Park at Estell Manor spans roughly 1,700 acres and includes facilities for just about every type of outdoor recreation. Roll or stroll along the 20 miles of hiking trails, paved exercise trails or the unique Swamp Trail Boardwalk--when it snows, these trails become cross-country skiing routes. Show off your athleticism on the soccer field, softball field or sand volleyball courts. Take to the water with canoeing and kayaking on Stephen's Creek or the South River. Try your hand at fishing (licenses are only required for the freshwater ponds). Or you can simply relax all day with a picnic and spend the night at a campground.

Cape May National Wildlife Refuge is a stunning natural retreat that's ideal for wildlife watching, fishing and walking. The 11,000-acre area is particularly suited to birdwatching and many interesting species are found here, including the peregrine falcon, American woodcock and piping plover.

Corson's Inlet State Park packs a lot into its 340 acres—a stretch of pristine untouched oceanfront, diverse wildlife, sand dunes, estuaries and more. Boating is a popular activity at Corson's Inlet—watercraft of all types are permitted, but all users are subject to New Jersey Boating Regulations. The sand dunes harbor nests for piping plovers, least terns, black skimmers and other shorebird and waterfowl, making for an excellent birding destination. Other outdoor activities include fishing and hiking.

FORESTS

The Southern New Jersey Pinelands are forested treasures that are ripe for exploration.

Wharton State Forest is the largest state forest in New Jersey with more than 115,000 acres of woodlands, bogs, hiking trails and unpaved roads perfect for horseback riding, mountain biking or just cruising. Just 30 minutes from Atlantic City, this gem features cozy cabins as well as campsites that range from well-appointed to primitive. Hikers should ascend to Apple Pie Hill for sublime views. Boaters will find Mullica River enjoyable, especially by canoe or kayak.

Belleplaine State Forest is gorgeous 21,000 acres of pine, oak and cedar woodlands and swamps. A former Civilian Conservation Corps (CCC) site in the 1930s, Belleplaine also features some interesting architecture. Outdoorsy folks will find more than 40 miles of hiking and biking trails to enjoy within the forest, as well as hunting, fishing, boating and swimming opportunities. Visitors can spend the night in a cozy cabin or yurt, or choose from more than 150 tent camping and RV sites complete with flush toilets, showers and laundry facilities.

At **Edwin B. Forstythe National Wildlife Refuge** enjoy year-round wildlife viewing opportunities. This coastal habitat is visited by 275 species of birds, including rare birds like the piping plover.

No matter how you want to enjoy the outdoors, Atlantic City's surroundings have a nature experience you'll love.

LGBTQIA+ IN ATLANTIC CITY

Atlantic City was a major destination for gay and lesbian visitors even before such gay-popular spots such as Key West and Provincetown. Long before the Stonewall riots and the first Gay Pride marches in the late 1960s, there was a prominent LGBT (lesbian, gay, transgender and bisexual) presence here. In fact it's thanks to the crowds of gay fans that the campy, fun Miss America "Show Us Your Shoes" Parade began decades ago along AC's historic Boardwalk. By the late '70s though, AC's gay popularity waned. But the rainbow tide is turning! Today, the Miss'd America Pageant is a not-to-be-missed entertainment event. The pageant was created as a spoof of the Miss America Pageant to raise funds for a local charity.

Atlantic City's casinos resorts and other local businesses, from hotels and spas to restaurants and nightclubs are increasingly extending a warm invitation to LGBTQIA+ community.

AC MURALS

Atlantic City is home to 100 murals and has hosted muralists from across the globe through Atlantic City Arts Foundation's "48 Blocks AC." The program highlights Atlantic City's 48-block span and embraces a goal of placing murals on every block! You'll find a diverse range of mural styles and themes across the city's visual landscape, created by local, regional, and international artists. Notable works include the powerful & moving 4-panel "Memory" by Kelley Prevard, "Mind Power" by Luz Sanchez and Marcus Hughes, the inspiring "Dissent is Patriotic" by Sarah Painter & Cosby Hayes, "People's Group" by Nick Tsatsaros, the stunning graffiti-style "Culprit City" by 4SKAN and The Culprits, and "Pacific Garden" by Shari Tobias.

More information about the murals can be found at www.acartsfoundation.org/murals.

CANNABIS IN ATLANTIC CITY

On November 3, 2020, New Jersey voters decisively approved legalization of adult-use recreational cannabis. Governor Phil Murphy signed the historic adult-use cannabis reform bills into law on February 22, 2021, legalizing and regulating cannabis use and possession for adults 21 years and older and decriminalizing marijuana and hashish possession (A1897).

On April 21, 2022, New Jersey became the 13th state - and one of the first states on the East Coast - to offer adult recreational cannabis sales.

Since then, Atlantic City has opened its doors to adult-use recreational cannabis dispensaries, a few are listed here.

Some of Atlantic City's dispensaries are planning to open cannabis consumption areas that will offer space to cannabis users for relaxation and socializing. High Rollers Dispensary will be hosting cooking with cannabis classes. Stay tuned and take care to use responsibly.

The Atlantic Ocean and Beach – One of the few free beaches in New Jersey and a favorite place for fishing, swimming or just relaxing on the sand.

When it comes to experiences that are as authentic as they are exciting, Atlantic City is truly the ultimate getaway destination. From iconic AC attractions to landmark restaurants, world-class casinos, and nonstop entertainment, Atlantic City is always a great place to live, eat, and visit!

Shopping

If you are in the mood for some shopping then you have come to the right place. Atlantic City features hundreds of shops on the Boardwalk, inside the nine gaming properties and throughout the downtown. So make sure you bring your comfortable walking shoes.

Tanger Outlets The Walk, located at the foot of the Atlantic City Expressway and in the heart of downtown Atlantic City, features almost 100 retail outlet stores and restaurants. Shopping at The Walk is a breeze with convenient parking nearby, a pedestrian walking-friendly layout and is just a short walk away to the Convention Center, NJ Transit train station, bus terminal, Jim Whelan Boardwalk Hall, casinos and the world-famous Boardwalk.

The 86,000-square-foot Bass Pro Shops Outpost outdoorsman super store is a must see attraction for all those who love nature and sporting. This popular non-gaming destination within a destination encompasses four city blocks in the heart of downtown Atlantic City and features a 13,000-gallon aquarium with native species, boat showroom, 245-space parking lot and more.

Meanwhile, the casinos feature eclectic shops and restaurants.

Dozens of fun shops may be found on the Boardwalk for visitors who are searching for souvenir t-shirts, novelties, gifts, caps and more. Many other unique local shops are sprinkled around the city and are certainly worth a visit.
