

GETTING TO & AROUND AUSTIN

[Austin-Bergstrom International Airport \(AUS\)](#) (ABIA) is a state-of-the-art airport with 25 gates, full customs facilities ready for the international traveler, and two parallel runways including a 12,250-foot runway. Easy to get to (only 7.5 miles from downtown Austin and the Austin Convention Center), the airport saw an all-time passenger record of nearly 13.8 million passengers in 2017, up 11.5% from 2016.

In operation since 1999, the airport has roughly [380 daily flights with nonstop service to more than 80 destinations](#) including international flights to London, London Gatwick, Cancun, Mexico City, Guadalajara, San Jose Del Cabo, Toronto, Punta Cana, Frankfurt, Netherlands, Amsterdam (SXSW 2018 only), and Stockholm (SXSW 2018 only).

Austin is one of only seven airports with year-round service to all United Airlines hubs. Live music has been a distinguishing feature of the airport since its Music in the Air program launched in June 1999, just one month after the airport opened. What started as two performances per week has grown to 23 shows per week in six different venues throughout the airport: Annie's Café & Bar, Austin City Limits/Waterloo Records & Video, Heart of Austin, Taco Deli, IVini, and the West Food Court.

- ABIA participates in the Transportation Security Administration's (TSA) Pre-Check and Customs and Border Protection's Global Entry program.
- The expansion of gate 2 is estimated to be completed by 2019 and will increase the number contact gates with boarding bridges from 24 to 33.
- ABIA reported 1,500 live music performances, 61.5 tons of brisket and 684,199 breakfast tacos were enjoyed by its passengers in 2017.
- ABIA Executive Director, Jim Smith awarded Airport Director of the year-October 2018
- Travel + Leisure 10 Best Domestic Airports ranks Austin as #6-July 2018
- Air Line Pilots Association (ALPA) names ABIA "Airport of the Year" - August 2018
- ABIA ranked third among airports in North America for [Airport Service Quality \(ASQ\)](#) in 2015.
- The Austin airport made the list for the "World's Best Airports for Customer Service" in 2015, according to the Airports Council International, or ACI, which conducted the survey.
- The latest online flight guide can be found on the [ABIA website](#) featuring all connecting, direct, nonstop and international service to (AUS) as loaded by the Official Airline Guide (OAG).
- ABIA joined the Airports Council International - North America (ACI-NA) Airport Carbon Accreditation program for its efforts to manage and reduce carbon (CO2) emissions, by achieving Level 1 Mapping status.

For \$7 per person (which includes 2 rides), you can enjoy a comfortable journey through the city. Routes can be requested all throughout the city, however, regular public routes include many central destinations such as stops at the Capitol, South Congress district and the Austin Convention Center.

Transportation Network Companies (TNCs):

[Uber & Lyft](#)

Uber and Lyft are back to full operations in Austin as of May 29, 2017. Payment is automatic through the app and fares are evaluated based on local demand.

[Ride Austin](#)

Ride Austin, is a community driven, nonprofit ride-hailing service app for IOS devices. Riders can elect to round up their fare to the nearest dollar and choose a local charity to receive. \$200,000+ has been raised for local charities using this system called “Round Up”.

[Wingz](#)

Download the app to pre-book a ride to/from the airport – or around town (WingzAround) – to be sure your driver is waiting for you. Know the flat-rate cost before you book so there are no surprises. This low-cost private car service also tells you exactly who your driver will be in advance (and you can request a favorite driver on future rides).

[zTrip](#)

zTrip is a smartphone app that lets you book a black car or taxi in seconds. You can book for now, for later today, or for later this week. The service is backed by over 25 years of trusted customer support and professionally-licensed and insured drivers. zTrip is owned and operated by Transdev, the leading provider of passenger ground transportation services in North America.

Alternative Transportation

[Lime Dockless Electric Scooter](#)

Located in various locations throughout the city, you will find green electric scooters for your convenience. These electric scooters serve as an alternative transportation at a maximum speed of 15 mph. When you have reached your destination, you simply leave your scooter for the next user. This service is at a cost of a base of \$1+ .15 per minute. You must be 18 years or older and have a valid driver’s license to use this service.

[Austin B-Cycle](#)

With 75 docking stations throughout the city, finding a ride has never been easier. Rates begin at \$12 for 24 hour access and go up from there.
