Visit Baton Rouge is the local expert and information source for all things Baton Rouge, from hotels and facilities to attractions, restaurants and more. Each year, our departments work together to support three foundational goals: increase visitation, cultivate local pride and strengthen local businesses and organizations through collaborative partnerships. These efforts have a far-reaching impact on our communities, and in 2018 the Greater Baton Rouge Area saw many of these initiatives come to life.

When we tell the authentic story of Baton Rouge, we change how people think of our city. The more we show our pride and share our experiences, the more businesses will push to set up shop, the more locals will feel engaged and ultimately, the stronger our city will grow, inside and out.

### 2018 HIGHLIGHTS

- **11.3** million visitors
