

2025 Community Enrichment Grant

Applications are now available for all Bayfield Chamber Members!

The Bayfield Chamber and Visitor Bureau is excited to offer the Community Enrichment Grant for our members, available January 1 – December 1, 2025. The purpose of this grant is to encourage members to create community-driven events that will enhance the Bayfield experience. The Bayfield Chamber recognizes the value of community events and their role in bringing residents, visitors, and business owners together to build a vibrant and resilient community. Grant funds that were previously allocated for a high school scholarship fund are being redirected to this Community Enrichment Grant.

Special consideration will be given to those who partner with other Bayfield chamber members. Collaborative partnerships among members will enhance value for the community, visitors, and businesses.

Applicants will receive funding for the development and/or execution of the event. Grant dollars can be requested up to \$500.00 per event.

Grant funds will be given to the Bayfield Chamber Member upon completion of the event project, event report, and expense documentation.

Only Bayfield Chamber Members are eligible to apply.

Grant Opens: January 1, 2025

Grant Closes: December 1, 2025, or sooner if funds have been awarded.

Funding Notification: up to 2 weeks upon receiving a completed application.

All questions can be directed to:
