

MEMBERSHIP - EVENTS ON THE CHAMBER CALENDAR OF EVENTS

Approved by the Board of Directors: 4/19/2009

Reviewed and Amended: 3/11/10, 5/14/2018

The Bayfield Chamber & Visitor Bureau calendar of events webpage serves primarily to promote member business events to the visitor and general public.

An event is defined as, "something that happens at a given place and time." The calendar of events is not intended to include business sales, promotions, causes or ideas due to limited space and because these items are misleading since they are not actual events.

In an effort to maintain a consistent and organized calendar, the Bayfield Chamber & Visitor Bureau reserves the right to edit or delete any submitted event. Members are required to submit their events online through the "members only" section of bayfield.org.

In order to be eligible for placement on the Bayfield Chamber & Visitor Bureau website calendar an event must be sponsored by a Bayfield Chamber & Visitor Bureau member in good standing.

In addition, events that are an attraction to visitors and benefit member businesses can be included as determined by Bayfield Chamber & Visitor Bureau staff.
