GEO CACHING ING

PASSPORT

Welcome to Beaumont! As one of America's original Boomtowns, we may have put the Texas economy on the map, but now we're booming for other reasons. We can't wait for you to experience our biodiversity, culinary scene, and surprising attractions as we take you all across Southeast Texas and the Golden Triangle full of hidden gems at every turn. Earn a limited edition geocoin for completing the whole tour and take home even more prizes for supporting the local businesses.

CONVENTION & VISITORS BUREAU

HOW TO PLAY

Sign-Up:

1. Go to [Geocaching.com](https://www.geocaching.com) and register for a free account.
2. Download the Geocaching app for your smartphone or enter the coordinates into any GPS-enabled device.
3. Download and print a passport to track your finds or pick one up from the Beaumont CVB (505 Willow Street Beaumont, TX 77701).

Find:

1. Search Geotours on [Geocaching.com](https://www.geocaching.com), and enter code GT4AB to load all the locations.
2. To find a Geotour cache, follow the GPS coordinates and clues to each of the 25 locations.
3. Log your finds and then put the cache back where you found it so others can play too!

Track:

1. Each cache is marked with a secret letter or number. Write these down in your passport booklet.
2. Once you've collected all the numbers and letters, use the key to solve the puzzle.
3. You can also document your finds on your account on [Geocaching.com](https://www.geocaching.com) and sign the logbook inside each cache to keep track of your finds.

Win:

1. When you've found all the caches and solved the puzzle, bring or mail your booklet to the Beaumont CVB to claim your geocoin and trackable tag!
2. Submit your receipts for prizes.
3. Win bonus swag by tagging us on social media with the hashtag [#visitbeaumonttx!](https://twitter.com/visitbeaumonttx)

WHAT IS GEOCACHING?

Geocaching is a global, outdoor treasure hunt using GPS-enabled devices. Millions of containers called “caches” are hidden all over the world that you can navigate to via clues and coordinates on your phone. Caches can be super tiny, like the size of a penny, or large, and hidden in plain sight. Some will be easy, and some will require an extra step or code to solve.
