

RAISE YOUR GLASS TO EXTRAORDINARY TASTE!

From grain to glass, vineyard to table, craft drinks are abundant here in the Blackstone Valley! Taste these robust flavors at some of the most highly esteemed breweries, distilleries, and wineries around.

1. BRAVO BREWING COMPANY

Offering a wide variety of beer styles ranging from classic ales and lagers to New England IPAs and fruited sours, this veteran-owned spacious taproom offers plenty of seating. It is the perfect place to enjoy a pint with family and friends. Children are also welcome as Bravo also makes their own root beer!

2. CROOK POINT BREWING COMPANY

This beautiful brewery with amazing riverfront views has a concise beer menu with some tasty classic American ales plus IPAs, porters, stouts, hard ciders, and seasonal brews. The 10-barrel brewhouse is a prominent and visible feature in the taproom.

3. CROOKED CURRENT BREWERY

RI's smallest brewery aims to deliver "wicked tasty brews" to beer enthusiasts. They focus on brewing great beer with fresh, local ingredients whenever possible, aspiring to set the standard for the beer drinking experience.

4. DISCIPLINE BREWING CO

Is a new craft brewery opening in spring 2026. Focuses on creative, inventive flavors and aims to establish a consistent, artistic presence in the local beer scene.

5. FOOLPROOF BREWING COMPANY

Offers not only a tight-knit atmosphere of brewing knowledge and fun, but also an opportunity to watch the entire production process of the beer. You can view the 30-barrel brewhouse right from the taproom while tasting the beer that is being made. Outdoor seating is also available, as are some of the best food trucks on a rotating schedule.

6. LOPS BREWING

A brewery, tasting room and beer garden, this unassuming nano-brewery loves to be creative and use locally sourced ingredients for their beers and enjoys collaborating with other small businesses whenever possible.

7. PHANTOM FARMS BREWING

Working to honor the history of Cumberland and Berkeley Mill Village, this 10-barrel craft brewery showcases original 1873 brickwork and beautiful exposed wooden trusses. They make beers focused on balance and drinkability that utilize the best available ingredients while exploring local flavors - ranging from pils to ales, and featuring their "Berkeley American Stout." Another must-try is the hard cider made using apples grown on their farm 4 miles away.

8. RAVENOUS BREWING COMPANY

Ravenous is always thinking of new ideas and experimenting with new brews. Their goal is to spread the love and appreciation of local beer to everyone.

9. THE GUILD

A very large classic beer hall with a warm and cozy interior, as well as a beer garden and The Barn event space. Meticulously brewed craft beers are served here, as well as nachos, charcuterie, pretzels, flatbreads and more. It's a great place to meet friends!

10. UNCOMMON PAIR BREWING

Opening spring of 2026! A nano brewery built for beer lovers who like their pours bold, their batches small, and their taproom a kind of place you "accidentally" spend all afternoon in.

11. DIAMOND HILL VINEYARDS

A small family-run winery. They offer both grape and fruit wines, available by the glass or bottle. The winery has a lovely outdoor space and a covered front porch for enjoying wine. They also provide cheese and crackers, and you're welcome to bring your own picnic. In colder months, an indoor sitting room is open, and the front porch is enclosed and heated.

12. MULBERRY VINEYARDS

Located in the historic town of Chepachet on the historic Andrew Brown homestead this vineyard has been developing and producing wines since 2011. Stop by on a weekend afternoon for a tasting, and check their schedule for live entertainment.

13. RHODE ISLAND SPIRITS

Only the highest quality ingredients are used in award-winning Rhodium brand spirits. They forage for fresh botanicals in the Blackstone River Valley and along RI's coastline, and they partner with local farmers, creating unique spirits. Try them in their tasting room and ask about tours of the distillery.

14. WHITE DOG DISTILLING

This micro-distillery is located in the historic Lorraine Mills. Their "pack" is dedicated to crafting finely distilled spirits and cocktails, currently offering whiskey, rum, gin, limoncello and flavored moonshines. Be sure to try the "Painkiller," a specialty cocktail made with their very own Spiced Rum mixed with pineapple juice, orange juice and crème de coconut.

15. WORKING MAN DISTILLERS

You can expect rustic chic charm with subtle donated military influences throughout. Bourbons, ryes, single malts, vodka, seasonal flavored vodkas and gin are produced at the distillery. This female and veteran owned establishment has inviting spaces around every corner with lots of plants, an array of vintage collectables and a plethora of restored and repurposed furniture including a converted Victorian bath! The distillery also has "The Gallery", an adjoining space which displays a rotation of local artists' work.

16. BREWOLGY

Brewology is more than a café by day; it transforms into a cordial lounge by night! In the evening, you can enjoy a Toasted S'more Espresso Martini or a Cucumber Jalapeño Margarita while relaxing on a leather sofa or chair and enjoying some live entertainment.
