**About the Group:**

Founded in 1946, the American Society for Surgery of the Hand (ASSH) is the oldest medical specialty society in the United States devoted to continuing medical education related to hand surgery. ASSH members are hand surgeons and medical professionals who specialize in the treatment of hand and upper extremity related conditions. The mission of the ASSH is to advance the science and practice of hand surgery through education, research and advocacy on behalf of patients and practitioners.
