About the Meetings:

BIOMEDevice provides a live and virtual platform for both East and West coast biomedical engineers to connect with potential partners to bring their brilliant concepts to reality within 3D printing, digital health, surgical robotics, IVD, and more.

Biotech Week Boston events will be delivered both digitally and onsite at the Boston Convention and Exhibition Center. But rest assured, we are still dedicated to accelerating the business of biotechnology through new ideas, science, technology and partnerships to make a positive impact on patient health.
