## Traffic Advisories

### Content: Heading and Text

Game 7 of the Boston Bruins vs. St. Louis Blues Stanley Cup Finals will be played at the TD Bank North Boston Garden on Wednesday evening, June 12. Temporary traffic and parking restrictions will be implemented on streets in the Boston Garden/North Station area, as well as near Faneuil Hall and Fenway Park/Kenmore Square. People coming into the City to attend or watch the game in a local establishment are encouraged not to drive their personal vehicles. Information on Bluebikes, the regional bike share service, may be found at <http://bluebikes.com> and information on the MBTA may be found at [www.mbta.com](http://www.mbta.com). For a faster return trip, the MBTA advises riders to purchase a round-trip rather than a one-way ticket. Walking is also a great way to move around Boston.

#### Traffic Restrictions

4 PM

- Canal Street, between Valenti Way and Causeway Street, will close to traffic.

Shortly after the start of the game at 8 PM, the following streets bordered by North Washington Street and Merrimac Street will close to traffic between Valenti Way and Causeway Street.

- Merrimac Street
- Lancaster Street
- Portland Street
- Friend Street
- Haverhill Street
- Beverly Street
- Medford Street

These streets will reopen to traffic at the discretion of the Boston Police Department. BPD will also restrict traffic on additional streets in the City of Boston as necessary.
