## About the Group:

Medical Group Management Association (MGMA) is the premier association for professionals who lead medical practice. Since 1926, through data, people, insights, and advocacy, MGMA empowers medical group practices to innovate and create meaningful change in healthcare. With a membership of more than 40,000 medical practice administrators, executives, and leaders, MGMA represents more than 12,500 organizations of all sizes, types, structures, and specialties that deliver almost half of the healthcare in the United States.

## About the Meeting:

You won't want to miss the impressive line-up of educational sessions chock-full of tools, case studies and actionable takeaways. The line-up will be curated to help solve some of the biggest challenges practices face every day, such as improving patient outcomes, minimizing inefficiencies, building winning teams, optimizing revenue cycles and much more. The sessions this year will emphasize interactive elements, so you can learn from attendees and the speakers. The MPE: Leaders Conference allows you to take a deep dive into one of the learning tracks or build your conference schedule to match your professional development needs.

### Conference Content Tracks:

- **Financial Mastery**- Find out how practices are containing costs and maximizing revenue cycles
- **Leading People**- Practical guidance on team building and performance management
- **Strategic Decisions**- Insight for building and growing your practice
- **Operational Excellence**- Building better systems to produce better operational outcomes
- **Transforming Patient Care**- Building better systems to produce better patient outcomes
