

January 21, 2021

Good Afternoon,

Governor Baker announced today that effective 5AM on Monday, January 25 the Commonwealth will rescind previous directives related to curfew advisories and early closures. The Department of Public Health Stay at Home Advisory (currently 10pm-5am) will end on January 25, as will the mandatory 9:30pm closure for restaurants, outdoor performance venues, movie theaters, etc... Businesses that are not permitted to open until [Phase 3, Step 2](#) must remain closed.

Capacity limits of 25% for restaurants and other businesses will remain in place until at least 5AM on February 8. We will continue to monitor these adjustments and keep our partners updated accordingly.
