

**GREATER BOSTON  
CONVENTION & VISITORS BUREAU**

**Membership Lead Form**

Your membership investment in the Greater Boston Convention & Visitors Bureau (GBCVB) helps us to continue to market Greater Boston as a destination for visitors and conventions. These efforts are essential to ensure that Greater Boston is able to compete and succeed among the travel destinations worldwide.

Our members speak with so many other business people each day - many of whom would be interested in learning more about the benefits of investing in a GBCVB membership.

We would appreciate learning about your business associates, as well as other companies and organizations that you feel would find membership with the GBCVB beneficial. To show our appreciation for your referrals, **we are offering our members \$50 for each qualified lead that results in a new GBCVB membership.** Please take a few moments to complete this form and return it to the Membership Department.

**Prospective Member Company:** \_\_\_\_\_
