Traffic Advisory for December 22, 2022- January, 7 2023

Events happening in the City of Boston this week will bring some parking restrictions and street closures. People attending these events are encouraged to walk, bike, or take public transit. Information on Bluebikes, the regional bike share service, may be found on the [Bluebikes website](#) and information on the MBTA may be [found online](#). The MBTA advises riders to purchase a round-trip rather than a one-way ticket for a faster return trip. Walking is also a great way to move around.

First Night Boston 2023 – Friday, December 31, 2022

The following parking restrictions will be in place to accommodate the various First Night activities throughout the City.
