wedding planner

Celebrate your marriage at a place that says “forever.”

Imagine. The day you’ve chosen to seal your love with a kiss, you do so at a place renowned for its own eternal grace and beauty as well as a spirit of joy and playfulness. Your family and friends are all in attendance. The only no-shows throughout have been worry and stress. That’s your beach wedding in NC’s Brunswick Islands.

Here, there’s a beach for every bride. From the light-hearted family spirit of Holden Beach to the casual atmosphere of Ocean Isle Beach. From the nostalgic glow of Oak Island to the reserved beauty of Bald Head Island. From the quiet seclusion of Caswell Beach to the enduring sunsets of Sunset Beach. Brunswick Islands brings all the fun and excitement of North Carolina’s favorite family beach vacation retreat to your wedding plans.

In fact, a Brunswick Islands wedding can be anything your imagination can dream of. Choose a surfside ceremony on a barrier island. The intimacy of a private club or inn. The playful informality of a winery, or even tee up your marriage at one of our championship golf courses. Or, choose the romance of a lighthouse, a maritime chapel or historic church, or even the deck of a boat at sea.

NC’s Brunswick Islands can accommodate virtually any budget and personal style, from simple or casual to extravagant.

Wedding basics

A beach wedding is simple and romantic. But you do need to obtain a marriage license before you make your dream wedding real.

To obtain a marriage license, the couple may go to the Register of Deeds office in any county in North Carolina. The Brunswick County Register of Deeds office is located in the Brunswick County Government Center on Old Highway 17 in Bolivia, NC. For information on required documentation and beach permitting, you may call 910-253-2690 or visit <http://rod.brunasco.net/marriages.html>.

While preferences for a ceremony will vary from bride to bride, the essentials in North Carolina are:

- ♥ the wedding couple
- ♥ two witnesses
- ♥ minister or magistrate

From there, the choices are limited only by your imagination.

Don't be surprised if your friends and family fall in love, too.

In NC's Brunswick Islands, everyone from your wedding party to your out-of-town guests will have an unforgettable time.

With 45 miles of pristine sand covering five barrier islands, we offer a wide range of accommodations. Our six beach communities present you with a variety of homes, cottages, condos and inns. These can be as large as our many hotels or multi-family vacation homes overlooking the beach, or as intimate as a cottage on the Intracoastal Waterway. Many such options offer water views for you and your guests.

Smaller wedding parties or select guests on your list may prefer the unique bed and breakfasts in our seaside towns. For those whose other passion is golf, reservations at one of our golf resorts may be desirable.

It's important to reserve your accommodations as soon as you have selected a location and officiant or minister. These book quickly at NC's Brunswick Islands, so take this important step as early as possible.

Combine your wedding day with vacation fun. Visit a winery, have your rehearsal dinner, bachelor's event or bridal luncheon at one of our local restaurants or bistros, or simply relax with your family and friends at a spacious vacation beach home. The day you'll never forget will unfold at a place you and yours will always remember.

Activities for your wedding party or guests

One advantage of a wedding here is the many activities to choose from. Organize a special event or outing for your family or wedding party, or simply let guests choose their own activities. Here are just a few worth consideration:

Enjoy a wine tasting. Award-winning Silver Coast Winery is located near Ocean Isle Beach.

Play golf. Choose from more than 30 championship courses without ever leaving the county.

Go shopping. Wander the antique shops and galleries of our friendly maritime towns.

Try kayaking. Our adventure outfitters can organize a group experience to view marine life in our waterways and inlets.

Go fishing. Our charters will take your group inshore or all the way out to the Gulf Stream.

Do nothing. A beach, a chair, a glass of wine and your other half! On a wedding weekend, it's amazing how well this fits!
