

**The Hilton College Station Hotel and Conference Center**

Extreme spacing for all meetings (2 people max on a 8' classroom style).

Entire floors allocated to a group (some sports teams have requested this).

Some groups want to host all meals at the hotel and have limited interaction outside of the hotel.

Multiple grab and go options for sports teams.

We are not allowing self-service on our buffet until this is under control.

We are utilizing masks for our banquet servers on request.

We will have hand sanitizers available throughout the hotel.

We have had requests about virtual meeting options for some clients where they would bring in only essential personnel and then teleconference the rest.

Wiping down all hard surfaces with disinfectant on a more routine basis.
