Bryan College Station Texas

On Thursday May 24th, 2018, Experience Bryan College Station will host the 2018 Travel Fest from 5:30pm to 7:30pm at the Wolf Pen Creek Park Festival Site, located at 1015 Colgate Drive, College Station, TX.

Travel Fest is the culmination of tourism themed events that Experience Bryan College Station has been hosting throughout May to celebrate National Tourism Week.

Formerly known as Community Celebration, Travel Fest is an educational, family-friendly, free event that focuses on the importance and impact of travel and tourism in our area. There will be over 30 booths representing tourism related businesses in Bryan College Station, with each one having an activity and/or giveaway.

Other activities include an obstacle course bounce house, food and beverages from vendors such as Kona Ice, Frios Gourmet Pops, and Pita Pit, as well as live music from local country music artist Wynn Williams. So be sure to grab your chairs and blankets so you can sit down, relax, and enjoy the music. We look forward to seeing everyone this Thursday at Travel Fest!
