OBRA Rule 21

Special Social Distancing and Disease Transfer Mitigation Rules (Rule 21):

21.1 - All persons present at an event must follow all state mandated guidelines for social distancing and disease transfer mitigation.

21.2 - All persons present at an event must wear a face covering intended to stop disease transfer that covers the nose and mouth if they are within 15 feet, or, 2.5 bike lengths of another person. When participating, it is the responsibility of the overtaking rider to notify other riders of their presence when coming within 15 feet.

21.3 - Event staff must prominently display signage at events detailing social distancing and disease transfer mitigation best practices and details of OBRA Racing Rule 21. OBRA will provide a template for this signage.

Failure to comply with Rule 21 may result in disqualification, removal from venue and suspension.
