So whether your trying to get in front of small business owners, the local community, or out of town visitors, or whether you looking to speak to large crowds or have one-on-one conversations, we have the perfect opportunity for you. # **57th Annual Cannon Beach Sandcastle Contest**

## **June 5, 2021 Virtual Summer of Sandcastles**

Sandcastle Contest began in 1964 when a tsunami washed out the Elk Creek Bridge and residents were relatively isolated until a new bridge could be built. That spring local families gathered for a Sandcastle Contest to entertain their children and attract visitors. That Sandcastle Contest became a local tradition and one of the largest sandcastle contests on the west coast. In 2015 the Sandcastle contest was awarded the Oregon Heritage Tradition designation that recognizes events more than 50 years old that represent what it means to be an Oregonian.
