So whether your trying to get in front of small business owners, the local community, or out of town visitors, or whether you looking to speak to large crowds or have one-on-one conversations, we have the perfect opportunity for you. # 56th Annual Cannon Beach Sandcastle Contest

**Gone Virtual June 13 – September 7, 2020**

(If interested please contact by March 1st)

Sandcastle Contest began in 1964 when a tsunami washed out the Elk Creek Bridge and residents were relatively isolated until a new bridge could be built. That spring local families gathered for a Sandcastle Contest to entertain their children and attract visitors. That Sandcastle Contest became a local tradition and one of the largest sandcastle contests on the west coast. In 2015 the Sandcastle contest was awarded the Oregon Heritage Tradition designation that recognizes events more than 50 years old that represent what it means to be an Oregonian.

We will also contact the Cannon Beach Gazette for support and help with taking pictures. In order for the Business After Hours to be a big event we ask that you put together your own invitations in advance and send them out.

Please know that if you wish to provide your own foods, wine and other complementary items you may do so. It's your special day so enjoy and let us congratulate you on the success that you have achieved!

Each month plan on hearing an enlightening and concise update on Chamber activities and enjoy a discussion by a local business owner or special dignitary. We will be hosting these meetings on the second Tuesday of every month, so make sure you check in to see where the next one is slated to occur.

## Annual Membership Awards

We "celebrate" and recognize the hard work and outstanding accomplishments of our members in the past year. This is our most important meeting of the year. When employees in the workforce are asked what are the top 10 things they want out of their jobs, money/compensation ranks #5 on the list. The #1 thing that they want is recognition for a job well-done!

At the awards we recognize a number of businesses and individuals for a job well-done. These businesses and individuals will receive the attention and recognition they so justly deserve.
