

Cape Cod Hydrangea Festival

9th Annual: July 7-16, 2023

*Ten days of open landscapes on Cape Cod
in celebration of gardens and the Cape's favorite plant!*

In 2022 more than 70 gardens were open to the public Cape-wide. A \$5.00 entry fee to each garden earned over \$100,000 for local non-profits! The festival drew people from all parts of the country. We expect the number of open gardens and attendance to be even greater in 2023. Help this festival to keep on growing!
