

## **Finance Professionals – CFO, Controller, Accountant at MarchandCFO**

Remote | Flexible Hours | Collaborative Team

### **About Us**

MarchandCFO is a woman-powered financial services firm providing exceptional financial leadership and accounting support to small businesses and nonprofits. We help our clients build clarity, confidence, and capacity—and we're growing!

We are currently seeking experienced finance professionals to join our dynamic team at various levels, including CFO, CPA, Controller, and Accountant roles.

### **What We're Looking For**

You are a financial professional who thrives in a collaborative, client-facing environment and takes pride in delivering high-quality work. The ideal candidate will bring:

- Strong accounting and analytical skills, with the ability to interpret complex financial data
- Experience with QuickBooks
- Excellent communication and consulting skills for client interactions
- A positive, professional, and proactive approach to problem-solving
- Experience with nonprofit accounting and compliance reporting
- What We Offer
- Remote work with flexible hours
- A supportive, values-driven team environment
- Opportunities to grow your skills and make an impact across diverse clients
- Competitive pay based on experience

How to Apply

If this sounds like you, we'd love to hear from you! Please send a brief introductory email along with your resume to [info@marchandcfo.com](mailto:info@marchandcfo.com).
