

GET INVOLVED WITH CAPE COD HYDRANGEA FESTIVAL

WHAT: The Cape Cod Hydrangea Festival – a ten-day summer garden celebration that includes private gardens tours Cape-wide and hydrangea/garden themed promotions and events, all promoted by the Cape Cod Chamber of Commerce and local chambers and benefiting local business and non-profits.

WHEN: Annually. In 2023, the ten days of Hydrangea Fest run July 7th to July 16th.

HOW: Cape non-profits will find homeowners/gardeners who are willing to have their gardens open during the festival. Gardens can be open for one day only or for several days. All gardens will charge \$5.00 for entry and this money will go directly to the non-profit. Non profits can add other sales or events to increase their fundraising.

Businesses can hold special events, educational seminars, sales and displays. We are actively looking for more businesses to participate in a multitude of ways in 2022.

WHERE: Open gardens and all events would be located on Cape Cod, from Provincetown to Woods Hole.

WHO: Any Cape non-profit or for-profit business. For current Cape Cod Chamber members, participation would be free. Businesses and non-profits that are not Cape Cod Chamber members can join the Hydrangea Festival for \$50.00. Participation includes being listed on the festival website and all promotional materials.

Non Profits: To register your organization/gardens, please contact Greta Georgieva at the Cape Cod Chamber greta@capecodchamber.org

Businesses: To register your events, please contact Greta Georgieva at the Cape Cod Chamber greta@capecodchamber.org

Sponsors: To become a sponsor please contact CL Fornari at clfornari@yahoo.com and Greta Georgieva at the Cape Cod Chamber greta@capecodchamber.org
