Join our Team and Grow with us...

Looking for team members who are fun, energetic, responsible, self starters, who enjoy being outdoors, meeting people and providing excellent service.

Rail Trail Bike and Kayak Rental is located on Underpass Road, with direct access to the Rail Trail. We are dedicated to helping Visitors and Residents, explore, discover and enjoy Cape Cod....

Bicycle Mechanic

Role & Purpose

Our Bike Mechanic is responsible for leading our Service efforts, focused on repairing, and servicing bicycles. They must have a deep understanding of bike parts and components, be able to diagnose and resolve any mechanical issues. They must also be able to provide advice and recommendations of type of bikes, rider fit, maintenance and safety.

They must be able to work quickly and efficiently and have an eye for detail. They must be able to work independently and as part of a team, and possess excellent customer service skills. The successful candidate will be expected to keep up to date with new developments in the industry, and must be physically fit to lift and maneuver bicycles.
