

Visit Casper's Social Media Policy

The Visit Casper social media team loves the opportunity for open dialogue that social media allows, and in an effort to keep conversation informative and respectful, we have a few basic guidelines for this page. Visit Casper reserves the right to delete any posts that do not follow Visit Casper's social media policy. Posts will be removed that:

- advocate for illegal activity
- use obscene, threatening or harassing language
- are self-promotion of services or goods unrelated to the Casper area
- include fraudulent, inaccurate, libelous, false or misleading information.
- contain any personal information such as email addresses, phone numbers, account numbers or any other nonpublic information.
- includes out of context negativity, are uninviting to visitors or would make visitors feel unwelcome
- Visit Casper also reserves the right to remove any posts/comments/followers that are spam or from fake or anonymous profiles.

We watch our social media platforms closely and are listening to what you have to say. If you have an issue or concern, we encourage you to contact us at Visitors@VisitCasper.com.
