

CATALINA ISLAND

2023-24 Map & Directory

Love Catalina Island Tourism Authority Members

We invite you to advertise in the 2023-24 Catalina Island Map & Directory. The map is the most popular local marketing piece for Catalina Island and will once again be produced by the same agency that created the official 2023 Catalina Island Visitor Guide, with a front cover to match the new guide.

Where are the Maps Distributed?

175,000 copies will be printed and distributed:

- In display racks located at all of the mainland transportation terminals
- On-board the majority of the passenger ferries coming to the island
- To visitors and cruise ship passengers at the Visitor Center on the Pier
- At member establishments and hotels on the island
- At various consumer travel and industry trade shows
- To AAA travel offices located throughout California, Arizona, Nevada, & the Pacific Northwest
- Included in media kits and welcome packets for groups visiting the island
- The map will also be available to view and print from our website (annual site traffic of 1 million+ visitors)
