TWO HARBORS SUMMER EVENT LINE UP**
Catalina's west end offers three festivals on the sand

AVALON, CALIF. (May 2024) - Catalina Island Company has the summer season covered with several events slated for Two Harbors on the island's west end. Two Harbors Wine Fest, Two Harbors Brew Fest and the legendary Buccaneer Days all return this year to welcome back past attendees and meet new faces alike.

Taking place on the beach on Saturday, June 22nd, Two Harbors Wine Fest has become one of the village's most popular events. In its 22nd year, the gathering of wine aficionados is complete with live music, complimentary appetizers, wine tastings of all participating wineries, a souvenir wine glass and more, kicking off summer in style.

For those who prefer a cold, sudsy brew, Two Harbors Brew Fest returns on Saturday, September 14th. Guests may enjoy live music on the beach, while sampling a selection of beer poured by more than 20 breweries from around the world. A keepsake glass, complimentary appetizers, along with a silent auction, keep fans returning to this fun event.

Each October, swashbucklers from all over set sail to celebrate Buccaneer Days and shake their pirate booty to live music and indulge in fantastic grub & grog (that's pirate for food & drink). This October 4-5, guests are invited to don their favorite pirate attire to compete in the costume contest, hunt for buried treasure and much more at this highly anticipated event, closing out summer.

The Catalina Island Company is the island's largest resort operator and has been delivering quality service since 1894. The company aims to continue to add new offerings, keeping Catalina a premier southern California vacation destination while enhancing appreciation for the island's history.
