Happy Harvest

Rural is the name of the game here in Cayuga County, so there are plenty of welcoming family farms, orchards, u-picks and farm stands to go around. Whether you're exploring the north, central or southern part of our destination you're so to find some tasty treats or that perfect pumpkin to bring home.

Grisamore Farms are using the same tried & true apple trees planted in 1975 & **Galmor Farms** are the essence of fall, totes Instagramable.

Pick a bushel and a peck at **Owen Orchards**, purchase that homemade pie you've been drooling after or bring home that gallon of fresh apple cider to enjoy on a crisp afternoon. Have you ever tried apple wine? Well, the **Apple Station Winery** combines all the best parts of fall into one unique beverage. Bonus you can pick apples right there too, alas they are not boozy.

Spend the afternoon at **Morgan's Half Acre Produce** selecting the perfect mums, pumpkins, fall decor and savor the fresh baked pie without the effort of freshly baking a pie!
