Fall Flavors

Welcome to our little slice of heaven! Quite literally a slice, stop by the **New York Pizzeria** in Cato for a cheesy slice. It's the perfect stop in the middle when traveling from the northern part to the central part of the county.

Have you tried Central NY's #1 pancake mix? You will leave **New Hope Mills** with a full tummy with their menu of delicious breakfast and lunch meals. Jalapeño Corn Tacos, Maple Sriracha Chicken & Waffles sandwich, such a tough decision. Shop their market to bring home mixes of your own!

If you like to give back and spend your money where it counts **Potter's Farm to Fork** is for you! Thankful Thursdays and Fire House Frettas are a couple ways this restaurant thanks and supports its community. Visit this familial vibe establishment in Weedsport.

Need a pick me up? Check out **Simple Roast Coffee** or **Historic Grounds** who always have unique seasonal specials along with the good ol' stand by coffees and espresso.

We cannot talk food without talking about **Fargo Bar & Grille** or the **1833 Kitchen** in Aurora. Choose the Fargo for a cozy, den like casual atmosphere and 1833 Kitchen when you're looking to put your nice pants on.
