

Suggested Wine Tour Itinerary

Savor the Finger Lakes Wineries and Breweries of Cayuga County

Make your Finger Lakes vacation truly memorable by visiting Cayuga County's eleven wineries and three breweries. Meet the winemakers and brewers, tour the vineyards, take part in special events, and taste wines and craft beer. Wine tasting in Cayuga County is a special experience in a quaint and charming atmosphere. Most wineries and breweries have a small tasting fee, which is often refunded with a purchase, so the cost to taste is virtually free.

Our Finger Lakes Wineries & Breweries

It's hard to decide which places to visit during your stay, so it's worthwhile doing a little research before you begin your tour. We recommend setting aside two days to visit everyone on the list! To get you started, here's a sampling of what our wineries and breweries have to offer starting in the City of Auburn with two of our breweries. You will then travel south along Cayuga Lake and experience our wineries. Once you have traveled to the southern tier of our county then venture north to Weedsport and then to Fair Haven.

Auburn

Prison City Pub and Brewery - Producing small batch hand crafted beer, brewed on the premises. Full restaurant featuring elevated pub food, prisoncitybrewing.com

Good Shepherds Brewing Company - A family operated small craft nano brewery with tasting room offering 5 to 6 beers on tap and growlers to go, [facebook.com/ShepherdsBrewing](https://www.facebook.com/ShepherdsBrewing)

Aurelius
